1.  **Registration and Access to the System**

In order to apply, you need to connect and register to the “Studenti Online” programme at [https://studenti.unibo.it](https://studenti.unibo.it).

Figure 1 - Access to the system

If you have already registered, in order to access the service, click on **Login** under the “Accedi ai servizi” label.

In the event of difficulties, or if you have forgotten your password, you can recover it clicking on **Recupera**. If you are registering with the university for the first time, follow the link **Registrati**.

Figure 2 – Switch to English

Any moment during the procedure you can switch to the **English version** clicking on the flag left of the page.
Figure 3 - Registration

Enter your tax ID number in the registration page.
If you are an international student and do not yet have an Italian tax ID, select “International students registration”.

Figure 4 – Data entry

Now simply check that the data you have entered are correct: check all data carefully, particularly those concerning your contact details.
To complete the registration procedure, enter the security code in the box. If the code is not clear, use the Regenerate function to create a new security code.
Having pressed Next, wait for the system to process your data.
At the end of the registration procedure you will be shown your credentials for accessing the university web services.
Press Next to go to https://studenti.unibo.it, the homepage of the Studenti Online service, where you can enter your new credentials.
To do it, first of all click on Login button

![Studenti Online](https://studenti.unibo.it)

**Figure 7 – Authenticated access**

After clicking Login, you will see the page below:

![Login page](https://studenti.unibo.it)

**Figure 8 – Authenticated access**

You can switch to the English version, selecting the EN English Version link on the top right corner of the screen.

Having entered your username and password the system will ask you to enter a new personal password in order to protect the confidentiality of your personal data.
2. REGISTERING FOR AN ENTRANCE EXAM OR REQUIREMENTS CHECK

In order to apply for one of the International Degree Programmes of the School of Engineering and Architecture, you need to access “Studenti Online” using the credentials you’ve created (see point 1), and click on the box “Entrance exams or requirements check”.

![View inside student’s profile](image)

**CHOICE OF PROGRAMME TYPE**

After selecting “Entrance exams or requirements check” you’ll be able to view the complete list of programme types.

![Types of degree Programme](image)

Choose “Second cycle degree programme” and press “Next” to access the application procedure of the currently available programme.
CHOICE OF APPLICATION PROCEDURE

For each Programme you will see the period in which it is possible to register, the link to the call for applications, the School and Campus in which the Programme is set.

Having selected the Programme you are interested in, click on

![Image of Studenti Online](image_url)

Figure 11 – Example of available Programmes
**PERSONAL DATA**

In the next page, check your personal data. You can edit your contact details, residence (municipality where you are registered) and domicile (place where you live, if different from the residence address) using the **Edit contacts** button.

Check your contact details and click **Next**.

![Personal data check](image)

*Figure 12 - Contact details summary*
**QUALIFICATIONS**

Having checked your personal data the system asks you to enter the qualification required to access the evaluation.

According to the type of Programme selected you may be required to have different qualifications. See details in the “Call for applications” published on the website of the Programme of your choice.

---

**Figure 13 - Qualifications**

Some Programmes allow you to apply for eligibility prior to obtaining the qualification required for admission (eg. Bachelor’s Degree).

You may declare that you will soon obtain a qualification by selecting “I will graduate by the date set in the call for applications”.

This allows you to proceed without entering the data concerning the date and grade of your qualification.

If the system does not permit you to do so, the chosen degree Programme does not allow you to register before obtaining your qualification.

Having entered your qualification, select **Next**.
**Summary**

The next step offers a summary of the data you have entered. Before pressing **Confirm**, check the data entered and complete the fields concerning your valid ID document.

![Summary screen](image)

**Figure 14 - Summary**

Having pressed **Confirm**, the system will automatically indicate the next steps to complete your application, according to the requirements of the call for applications.
3. **COMPLETION OF THE APPLICATION**

**HOW TO UPLOAD YOUR DOCUMENTS**

In order to complete your application, you need to attach a number of compulsory or optional documents.

![Application details](image)

To complete the on-line application, you must:

- Attach all the required documents

To complete your application you need to attach these missing documents:

- Curriculum Vitae in English produced using the available format (CV Form): 1
- Statement of Purpose: 1
- Reference letter: 1

**Figure 15 - Upload attachments**

Before pressing **Attach your documents**, read and follow the instructions carefully.

The system only accepts documents in **pdf format** and checks that you have uploaded a minimum number of compulsory documents (ID document, qualification certificates etc.).

The candidate is responsible for checking that all the attachments required have been uploaded according to the instructions provided in the call for application of the specific Programme.
Attach your documents takes you to the dedicated section for uploading your attachments.

![Documents required to complete your application]

Figure 16 - Compulsory and optional attachments

Press to see the details, where you can enter the title and description of the attachments.

![Description of the attached document]

Figure 17 - Definition of attachments

The Sfoglia (Browse) button is used to select the document you wish to present for your application.
Press **Save** to enter the attachment in the documents the board will review as part of their assessments. You can add and replace the documents you have attached until the date set as deadline for the application. To edit your application, simply select **See details** from the application summary in the Studenti Online homepage.

Figure 19 - Profile with registration to entrance exam to be complete
4. Application completed

You have now completed your registration for the entrance exam. Press Home to return to your profile and see a summary of your applications in progress, with status updates.

![Profile with completed registration](image)

**Summary of Requests in Progress**

In this section you can:
1. Monitor the status of the requests in progress (1)
2. View the summary of the requests in progress and see their details (2)
3. View your request history (3)

![Summary of requests in progress](image)

**Cancelling your request**

To cancel an application for registration to an entrance exam:
- If you have not completed your application including payment of the fee (request status: “Request entered”), select See detail and click on Cancel request.
- If you have already paid the fee, go to the Student Administration Office and request the cancellation of your application.
