

ADDENDUM TO THE COOPERATION AGREEMENT BETWEEN ALMA MATER STUDIORUM –UNIVERSITY OF BOLOGNA AND JOHNS HOPKINS UNIVERSITY – SCHOOL OF ADVANCED INTERNATIONAL STUDIES

ALMA MATER STUDIORUM – UNIVERSITA' OF BOLOGNA (hereafter known as 'University of Bologna'), represented by the Rector of the University, Prof. Ivano Dionigi, Via Zamboni 33, 40126 Bologna Italy

and

JOHNS HOPKINS UNIVERSITY - SCHOOL OF ADVANCED INTERNATIONAL STUDIES (hereafter known as SAIS), represented by the Director of SAIS, Prof. Michael Plummer,

Together known as the Parties,

Provided that

- Alma Mater Studiorum Università di Bologna and Johns Hopkins
 University SAIS signed a Cooperation Agreement on October 30, 2014;
- Art.9 of the above mentioned Cooperation agreement establishes that "The Parties, after assessing the compatibility of the study programmes, might extend the collaboration to other teaching paths. In that case, specific addenda to the present agreement will be stipulated."
- The Parties agree to extend the collaboration to further teaching path in the field of economics.

It is agreed and stipulated as follows:

REP. 6532/2014 PROT. 86275/2014 REG. 631/2014

Article 1 Preamble

Preamble and annexes are an integral part of this addendum.

Article 2 Objective of the Addendum

The Parties agree to activate a collaboration with the scope of enabling the participation of respective students in degree programs offered by the other party, the recognition of credits on the basis of deliberation from the respective academic bodies, and the eventual awarding of the following second cycle degrees: "Laurea Magistrale in Economics and Market Policy" (for a.y.2014/15) and "Laurea Magistrale in Resource Economics and Sustainable Development" from University of Bologna and the Master of Arts in International Affairs (MAIA) from SAIS.

Article 3 Study path for Students from SAIS

Students from SAIS can be admitted to the Laurea Magistrale in Resource Economics and Sustainable Development of the School of Economics, Management and Statistics - University of Bologna following verification by the Board of the Degree Program of the adequacy of personal preparation and of the curriculum requirements.

On the basis of an evaluation of their academic program by the Board of the relevant Degree Program in compliance with the attached correspondence table (annex A), students holding the Diploma in International Studies, issued by SAIS, at the end of the first year, may be awarded up to a maximum of 60 CFU (credits) toward the Laurea Magistrale in Resource Economics and Sustainable Development. Students will be admitted to the second year of the aforementioned master program and participate in the relevant courses,

according to the learning agreement defined on the basis of the list of courses in Annex A and will pay the relevant fees. UDIORI

Article 4 Study path for students from University of Bologna

Students from the University of Bologna regularly enrolled at Laurea Magistrale in Resource Economics and Sustainable Development of the School of Economics, Management and Statistics - University of Bologna can be admitted to the second year of the Master of Arts in International Affairs (MAIA) of SAIS by following the standard SAIS application procedure and succeeding in the normal MAIA selection process.

Students have to achieve 60 CFU required for the first year of either Degree Programmes, and hold one of the English proficiency certificates required by SAIS.

Students who are admitted to the second year of the MAIA program will suspend their studies at University of Bologna in accordance with art.17 par.5 of the University of Bologna Regulations for Students (DR 6/6/13 n. 464). They will enroll for the second year of MAIA program at SAIS and pay the relevant tuition and fees and participate in the courses offered by SAIS Europe.

Students who complete the MAIA requirements and are awarded the relevant master's degree will obtain, by submitting the relevant academic documentation, the Laurea Magistrale in Resource Economics and Sustainable Development according the attached correspondence table (Annex A). If a student does not complete the MAIA requirements and wishes to continue his previous master's degree program, he/she must apply to return to his/her original program.

In this case the recognition fee for the second year of the program only will not be requested.

Article 5 Correspondence table

The Parties formulate and approve through their respective academic bodies the correspondence table attached to this addendum (Annex A). The table can be modified by mutual consent between the Parties by written notice, to no detriment of students already enrolled.

Article 6 Responsible for the Programme

The Parties identify those in charge of the scientific and teaching aspects for the implementation of this programme. Reference offices for students involved in the activities of the present agreement are listed in the Annex B.

Article 7 Duration

It will be effective from the date of signature of the document by both parties and will be valid from the 2014-15 academic year for five years in compliance with art. 13 of the Cooperation Agreement mentioned in the Preamble.

Article 8 Final provision

This addendum is signed in two original copies in English, both valid under the law, and integrates the above mentioned Cooperation Agreement. All the provisions of the Cooperation Agreement contained in art.6 'Insurance obligation', art.7 'Prevention and safety', art.8 'Certification', art.9 'Further collaboration', art.11 'Use of name/logo', art.12 'Controversies' and art.13 'Duration of the Agreement' remain valid and unchanged.
