The career in the course for which you apply will be active only following the resolution of recognition and continuation of studies by the Degree Programme Council. You will be able to attend lessons at the course of origin until the moment of filling in the online application.

### **Tuition fees**

The amounts of registration fees and information on benefits and exemptions are published on the University Portal on the page [www.unibo.it/Fees](http://www.unibo.it/Fees)

The contribution is calculated progressively according to the ISEE Certificate valid only if it is presented in the manner and terms contained in the page [www.unibo.it/Taxes](http://www.unibo.it/Taxes).

If the ISEE certificate is not presented, the maximum contribution for the course of study is applied.

Information on other facilities can be found on the University Portal at [www.unibo.it/it/servizi-e-opportunita](http://www.unibo.it/it/servizi-e-opportunita)

Information on grants, scholarships and other benefits are available at this link: <https://corsi.unibo.it/1cycle/CLaBE/partial-tuition-fee-waivers-unibo-action-1>

*If you are interested in the benefits for the right to study, consult the relevant call published by the Regional Office for the Right to Higher Studies on the website [www.er-go.it](http://www.er-go.it).*

If you are already enrolled in other courses of study, before making the transfer or transition carefully consult the merit requirements for access to benefits, indicated in the notice published on [www.er-go.it](http://www.er-go.it) as your career, following transfer or transfer to the destination course, it is assessed from the year of first matriculation at the university, regardless of the awards obtained or the year of the course to which you will be admitted by the Study Course Council. This could cause the loss of benefits.

If you are a candidate with a *certificate of civil disability* equal to or greater than 66% or with certification pursuant to Law 104/92, in order to be eligible for exemption you must send, to the email address of the student secretariat [segecosta@unibo.it](mailto:segecosta@unibo.it), the certificate attesting to your condition (for information: <https://www.unibo.it/it/servizi-e-opportunita/borse-di-studio-e-agevolazioni/esoneri-e-incentivi/esenzioni-per-studenti-con-disabilita>)

## **SECTION 9 – OPEN POSITIONS LEFT**

---

Not all selected students eventually enroll, which is why, after each admission round, there might still be some places left available; if that is the case, the Students Administration Office will publish on Studenti Online the number of places left available. So, if you are listed in the general ranking as admissible, but were not selected, check Studenti Online in the dates indicated; if there are places available and you are still interested in being included in the programme, there might be another chance for you to join in. Remember that you have to **confirm your interest**, by selecting the appropriate button on Studenti Online (if not, you will not be picked up!).

A list of newly admitted candidates will then be published: if it features your name, you should enroll as soon as possible. **Please check all the relevant deadlines in the deadline table on page 3.**

The procedure for recovering posts allows to accept a number of candidates equal to that of posts not filled after registration, according to the order of ranking.

There is only one recovery for selection and it consists of *two phases*.

### **STEP 1 - DECLARATION OF INTEREST for open positions left**

By the deadline referred in the General Calendar, will be published on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), the number of places still available at the end of matriculation.

Within the terms of point 5 of the General Calendar, all candidates in "Eligible" status placed on the list after the last winner, if interested in recovery must:

- 1) Connect to Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) and authenticate by entering username and password;
- 2) Express their interest to be considered for the left positions, by clicking on the appropriate button, available in detail of the practice of the admission test only after the publication of the ranking. Candidates in the state "Not eligible", "Absent" or "Excluded" cannot participate in the recovery of posts.

**ATTENTION:**

applicants who do not apply for the left positions in accordance with the above procedures will be excluded from all subsequent stages of the procedure.

Candidates will be admitted by making exclusive reference to the order of ranking.

The list of those admitted for recovery will be published on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) within the terms of the General calendar.

The publication of the lists on Studenti Online is the only means of legal publicity on the outcome of the procedure of recovering places.

**STEP 2 - REGISTRATION FOR LEFT POSITIONS**

In accordance with the General Calendar, applicants admitted to recovery must register.
