

# **Call for Interest: 'Volunteers for the 18<sup>th</sup> Pan-European Conference on International Relations' (PEC)**

**Bologna, 25-29 August 2025**

A **Call for Volunteers** is open for the Students of the Department of Political and Social Sciences, University of Bologna.

The next EISA-PEC Conference will take place in Bologna, on the 25<sup>th</sup> -29<sup>th</sup> August 2025. EISA is the largest European Association concerning International Studies, and its Pan-European Conference each year gathers more than a thousand researchers at different stages of their career from all around the world.

The event is a great occasion for the Department of Political and Social Sciences, which hosts the event (Hercolani, Belmeloro and Santa Caterina's Buildings) and for the entire research community of the University of Bologna. Yet, we would like to extend the experience to the Students of the Department, to give them a taste of what doing research at a high level and sharing knowledge among people means. This is why EISA is launching this call for interest in participating as a 'volunteer' in this major event.
