

## **CODE OF CONDUCT ON GRADUATION DATES**

Dear students,

In order to comply with the safety regulations and guarantee a smooth and regular graduation process, we would like to invite you and your guests to abide by the following rules:

- 1) Wait for your turn, without disturbing the thesis presentations in process;
- 2) It is strictly forbidden to occupy any internal facility after the graduation ceremony: newly graduate students and their guests are kindly requested to move outside;
- 3) Celebrations must be held outside, maintaining an appropriate behavior and avoiding any excess;
- 4) All areas of the faculty (inside and outside) must be kept clean, it is strictly prohibited to leave confetti, food or beverages around without storing waste in the dedicated collectors;
- 5) It is strictly forbidden to affix posters/signs either inside or outside the faculty;
- 6) Animals are not allowed in any internal facility during the dissertations or the graduation ceremony;

Recalling what entirely disposed in Art. 2043 of the Civil Code with respect to liability for damage and Art. 635 of the Penal Code with respect to damage offence.

**The chair of the graduation committee will retain the right not to sign the graduation report and to point out any issues directly to the Magnifico Rettore.**
