## Chinese Government Scholarship

——Chinese Scholarship Council (CSC) 2015-2016

In order to strengthen mutual understanding and friendship between the Chinese people and people from the whole world, and to develop cooperation and exchange in fields of education, science, culture, economy and trade between China and other countries, Chinese government has set up a series of scholarship schemes to sponsor international students and scholars to undertake studies and research in Chinese institutions of higher education.

The Ministry of Education of China (hereinafter referred to as MOEC) is responsible for the provision of Chinese government scholarships, and it entrusts China Scholarship Council (hereinafter referred to as CSC) to administer the recruitment of international students and the routine management of Chinese Government Scholarship Programs.

HEU is one of the universities in China receiving overseas students, who are pursuing bachelor's, Master's or Doctoral degree at HEU, under China Government Scholarship Programs. We welcome excellent students, scholars and teachers from all over the world coming to study for higher education at HEU.

### 1. Remedial Chinese study

According to the regulation stipulated by MOEC, all the programs are instructed in Chinese. Applicants with no command of Chinese are generally required to take 1-year Chinese language courses before starting their academic programs. If the programs could be conducted in English, remedial Chinese study will not be arranged. The duration of scholarship corresponds with the duration of studies determined for the scholarship student at the time of admission.

### 2. Eligibility

- 1) Applicants must be of non-Chinese nationality and in good health.
- 2) The educational background and age limit:
  - a. Applicants for master degree studies must have bachelor's degree and be under the age of 35.
  - b. Applicants for Doctoral degree studies must have master's degree and be under the age of 40.

### 3. Details of the Chinese Government Scholarships

Chinese Government Scholarship is divided into full scholarship and partial scholarship.

#### 1) Full scholarship:

a. exemption of registration and tuition fees, free basic learning materials, and free accommodation.

b. provided with the same free medical care as the Chinese students

c. monthly living allowance is paid to the students at the following rates

(yuan RMB per month):

master degree students, general scholars: 1,700 yuan RMB

doctoral degree students, senior scholars: 2,000 yuan RMB

d. settlement subsidy (once only): 1,500 yuan RMB

### 4. Application Materials

The applicants must fill in and provide the following materials truly and correctly (all the files should be one original and two copies).

**Note:** All the submitted application documents will not be turned back, please keep the relevant copies carefully.

1) Application Form for Chinese Government Scholarship (<http://laihua.csc.edu.cn>), one original and one photocopy, in Chinese or in English (agency number 10217) .

2) Highest diploma (notarized photocopy). If applicants are university students or already employed, they should also provide documents of being university students or on-post employees. Documents in languages other than Chinese or English must be attached with translations in Chinese or in English.

3) Bachelor Degree applicants are required to provide notarized copy of senior high school transcripts. Applicants for other categories of studies also need to provide relevant notarized transcripts. Transcripts in languages other than Chinese or English must be attached with translations in Chinese or in English.

4) A study or research plan in Chinese or in English (no less than 200 words for undergraduates, no less than 500 words for scholars, no less than 800 words for postgraduates).

5) Applicants overseas for master or doctoral degree studies must submit two letters of recommendation in Chinese or in English by professors or associate professors. Applicants who apply in China for master or doctoral degree studies must submit the Admission Notice of the targeted university.

6) Applicants under the age of 18 should submit the legal documents of their legal guardians in China.

7) Photocopy of Foreigner Physical Examination Form (download from the website: <http://studyheu.hrbeu.edu.cn>, only for those whose period of studies in China lasts up to six months) filled in English. The medical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, official stamp of the hospital or a sealed photograph of the applicants are invalid. The medical examination results will be valid for 6 months. All applicants are kindly requested to take this factor into

consideration while determining the time to take the medical examination.
