## Introduction of Beihang University

Beihang University (BUAA), formerly called Beijing University of Aeronautics and Astronautics, was founded in 1952 and has been one of the state key universities of China since 1950s. Through more than 60 years development BUAA has grown into a first-class science and technology university, combining disciplines in science, engineering, humanity, law, economics, management, and education, while maintaining the leading role in technology.

At present, 28,000 students are enrolled in BUAA and among them over 13,000 are post graduates. Over 1,800 international students from around 100 countries are studying at BUAA in 2015. Among them over 1000 are studying for degree programs, including more than 500 master and doctoral students; and more than 300 are studying Chinese Language in Chinese Training Center of BUAA. English or Chinese are used as instruction language for all master and doctoral programs.

BUAA is one of the top universities in China equipped with advanced laboratories and teaching facilities. The campus of BUAA is notable for its beautiful environment, convenient transportation, and complete living service, including various sports facilities, bank, post office, supermarkets, canteens, etc..
