THE BLUE & SPACE ECONOMY

SPACE DATA AND TECHNOLOGIES FOR THE GROWTH OF THE BLUE & SPACE ECONOMY

Do you have an idea that can make a difference? VeneTo Stars invites **young European talents aged 18 to 25** to propose innovative ideas in the field of the **Blue & Space Economy**, to be applied in Veneto Region.

CHALLENGE

The VeneTo Stars Challenge, promoted by the Veneto Region, is the main initiative of the Veneto Digital Agenda aimed at launching a permanent open innovation lab dedicated to young Europeans.

We want to give them the opportunity to propose innovative ideas based on the use of space data to foster the development and growth of the Veneto Region.

We're excited to announce the 2025 edition: join the challenge by proposing innovative solutions that can shape the future perspectives of our region.

The ideas must clearly highlight a connection between space data and blue economy.

VENETO STARS 2025: A UNIQUE OPPORTUNITY TO CHALLENGE YOURSELF

You can submit a proposal until 10th April, 2025. A team of experts will select the most original ideas under the theme of the Blue & Space Economy.

In May 2025, ten teams will have the opportunity to participate in the SPACE MEETINGS VENETO event (spacemeetingsveneto.com) and pitch their ideas to a panel of experts.
