THESIS & TRAINEESHIP

CURRICULAR TRAINEESHIP

- . **mandatory by study plan***
- . aimed at bridging curricular knowledge and the professional world*
- . its content and activities **cannot** be include as part of the thesis*

For example: if one learns how to use a software or an equipment that will be used also during the thesis, neither the training activity nor its outcomes can be used as part of the thesis

TRAINEESHIP FOR THESIS

- . by default not in the study plan (but it can be added)*
- . activities specifically aimed at the thesis development (theoretical and/or practical)*
- . supervised by the thesis advisor*
- . its content and activities can be included as part of the thesis*

*Can I do my traineeship
during.....*

ERASMUS+ STUDY

- . ONLY if the traineeship is done in a structure that can be considered **internal to the host institution**
- . in any other case: no other activity can be concurrently carried out while in Erasmus period

E+ TRAINEESHIP MOBILITY

This is and should be the preferred channel for a traineeship abroad

THESIS ABROAD

Only traineeship for thesis activities can be included (together with the main thesis activities)

Curricular traineeship CANNOT be included in this period

what if I find an unmissable chance for a traineeship while on Erasmus and I cannot apply for Erasmus+ traineeship?

- **if the traineeship is in a structure internal to the host institution**

The curricular traineeship can be included in the LA and will be recognized upon return at the validation of the RR

- **in any other case**

The curricular traineeship will be evaluated upon return like a regular traineeship through the regular channel (traineeship exam in Bologna)
