Inside MSF Doctors without Borders: Humanitarian Actions and Innovation

5 May 2025 11.00-13.00

Campus Cesena – University of Bologna, Via dell'Università 50

Ettore Mazzanti

Medical Humanitarian expert and Career manager, MSF Italy

Médecins Sans Frontières (MSF) operates on the front lines of humanitarian crises, delivering medical aid in war zones, during epidemics, and after natural disasters. This seminar offers an inside look at MSF's operational models, professional roles, and innovative solutions for new health challenges.
