ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

HOW DOES IT WORK:

- **1st year:** selected students complete the first 2 semester **UNIBO** (all the **60 credits** must be gained before leaving)
- **2nd year:** students register at ULIEGE and attend the second year of the Master: [Ingénieur civil des constructions](#), they prepare and defend the Master Thesis (25 ECTS) at the host university;
- At the end of the programme, students obtain **2 Degrees**

Dual Degree @ Université de Liège (ULG)

Academic Degree obtained at UNIBO	Academic Degree obtained at ULG
Laurea Magistrale in Civil Engineering (Classe LM 23)	Master Ingénieur Civil des Constructions

Dual Degree @ Université de Liège (ULG)

AVAILABLE POSITIONS

Max 5 students (including students of the Environmental Engineering Master Programme, that is part of the same Double Degree Programme)

HOW TO APPLY

The application can be submitted EXCLUSIVELY **through ALMARM** according to the rules and procedures of the **Erasmus+ for studies call**.

Deadline: February 8th at 1 p.m.

Dual Degree @ Université de Liège (ULG)

How to apply

- Select **the offer related to the Université de Liège** (referent professor Luisa Molari)
- Attach the **compulsory documents requested by the Erasmus call**
- Attach the following **additional documents** related to the Dual Degree Programme:
 - **Motivation letter** in English (max one page A4), which includes the candidate's academic interests and the reasons of their decision to apply;
 - **CV/résumé** with all relevant documents supporting the application;
 - **English Language Certificate**, if any (not compulsory but taken into consideration for the ranking list)

Dual Degree @ Université de Liège (ULG)

WHO CAN APPLY: Requirements

- ❑ being **enrolled in the first year** of the Civil Engineering Master programme;
- ❑ having **at least 15 credits** registered in their career by 15th February 2024 (as indicated in the Erasmus call);
- ❑ Having a **cgpa no lower than 25/30**

Dual Degree @ Université de Liège (ULG)

The application assessment will take into consideration:

- The motivation letter
- The curriculum of 1st level studies
- The curriculum of 2nd level studies (Laurea Magistrale)
- The English Language Certificate (if any)
- Other experiences to be stated in the CV (i.e. study or internship abroad, publications..)

RANKING LIST AVAILABLE from MARCH 7th → Acceptance to be confirmed through ALMA RM, by the deadline established by the Erasmus call

Important!

Selected student, **in order to be admitted to the Université de Liège for the Dual Degree Programme**, must:

- Comply with the **administrative procedures and deadlines** established by the Université de Liège (online application, required documents...)
- **Successfully complete all the learning activities of the 1st year before leaving** (60 ECTS)

Dual Degree @ Université de Liège (ULG)

TUITION AND FEES

Exchange students are **not required to pay tuition fees at ULiège**. They stay registered at the UNIBO and continue to pay their **tuition to UNIBO**.

However, students may be required to pay administrative fees (i.e. “role et assurance”).

Dual Degree @ Université de Liège (ULG)

FINANCIAL SUPPORT

Selected students will be financed **through the Erasmus+ call for studies.**

- European Union grant: **350 euros** per month for Belgium
- **Integration to the EU grant** funded by the Italian Ministry for University and Research, based on income

It's very important that students comply with all the rules, requirements and deadlines of the Erasmus+ call:

- Application procedure
- Acceptance through AlmaRM
- Mobility documents (Mobility Agreement, Learning Agreement...)
-
