7.1.b. Shortening a degree programme (for those with previous university careers)

If you want to apply for recognition of previous academic careers, check how you can do this and the applicable deadlines at <https://www.unibo.it/it/studiare/iscrizioni-tasse-e-altre-procedure/lauree-e-lauree-magistrali/abbreviazione-di-carriera>.

a. Programme transfers, university transfers and simultaneous enrolment

If you want to change degree programme within the University of Bologna (Programme transfer), check how you can do this at <https://www.unibo.it/it/didattica/iscrizioni-trasferimenti-e-laurea/cambiare-corso-di-studio-interno-universita-di-bologna/cambiare-corso-di-studio-interno-universita-di-bologna>.

If you matriculate and request to be transferred from another university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](#).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](#).

If, on the other hand, you register in one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- if both programmes are at the University of Bologna: apply for a programme transfer;
- if the first programme is at another university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

Please note!

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally renounce your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked**. In this case, you must return to your country of origin and initiate the pre-enrolment procedures through University at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website <https://www.universitaly.it/studenti-stranieri>.

8. FEES AND BENEFITS

8.1 University fees

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at www.unibo.it/Tasse.

The fee to be paid to enrol for a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/Tasse. If you do not submit an ISEE certificate, you will have to pay the full tuition fees relevant to your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

Please note!

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at <https://www.unibo.it/it/didattica/iscrizioni-trasferimenti-e-laurea/tasse-e-contributi/ISEE-e-altre-attestazioni-utili-per-le-esenzioni-delle-tasse-universitarie>.

Please note!

Submitting financial documentation for tuition fee exemptions, following the instructions on www.unibo.it/Tasse, is very simple and worthwhile even if you have not yet decided whether to enrol in a programme at this university. Remember that if you do not submit the documentation by the deadline, you will not be eligible for any discount. The deadline is peremptory and no exceptions are ever allowed.

8.2 Right-to-higher-education grants provided by ER.GO

Azienda Regionale per il Diritto agli Studi Superiori – ER.GO publishes calls for scholarships, places in university residences, catering and other benefits on its website (www.er-go.it) every year.

The application for ER.GO grants is independent of the degree programme application and enrolment procedures.

 **Please note!**

You must submit your application for an ER.GO grant via the company's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are ever allowed.

8.3 Important information for those who already have an active university career

If you already have an active university career, before transferring from another university or changing programme, if you are already enrolled in a programme at the University of Bologna, carefully consult the **merit requirements for access to grants** set out in the call published on www.er-go.it because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

 **Please note!**

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment at university (even if for another University, University Institute or Degree Programme, even abroad), regardless of the year of the programme to which you are admitted following the recognition of your credits, and only those that are recognised on the programme you are enrolled in are considered valid.

8.4 Right-to-higher-education grants provided by the University

Information on the University's grants can be found on the University Portal under www.unibo.it/AgevolazioniEconomiche.

For each grant, please carefully read the instructions on how and when to apply.

Remember that deadlines are always peremptory, and no exceptions are ever allowed.

8.5 Specific grants provided by this degree programme

In order to incentivize the enrolment of students, the Department of Economics will award 4 grants, distributed as follows:

- ✓ 2 grants for the first intake.
- ✓ 1 grant for the second intake.
- ✓ 1 grant for the third intake.

Each scholarship amounts to **€ 4608** gross of taxes. The scholarship is granted for one academic year.

ELIGIBILITY

The 3 grants are reserved to students who have graduated at Italian and non-Italian University that will enroll in the Master's in **ECONOMICS AND PUBLIC POLICY - CURRICULUM HEALTH ECONOMICS, MANAGEMENT AND POLICY** in the academic year 2025/2026, and that have been admitted with a minimum score of 70 points.

SELECTION

The grants will be awarded by the admission committee, based on the admission rankings of the first, the second and the third intake, starting with the first admitted candidate and going down to the second, third, and so on. Only students who meet the eligibility requirements will be considered (see section "Eligibility"). In case of two or more candidates obtaining equal results in the ranking, the grant will be awarded to the youngest candidate.

If one of the students fails to accept the grant and/or declines the grant, this will be assigned to the eligible student who comes next in the ranking.

The assignment of grants is approved by decree of the Director of the Department of Economics.

ACCEPTANCE

Candidates who are selected for the grant will be informed via the University of Bologna email address that was provided when they have applied on "StudentiOnline". From that email address they should then reply, within 10 days from the reception of such email, if

they accept the grant at the terms stated in this procedure, without further conditions. Failure to accept the grant via this procedure is tantamount to declining it.

PAYMENT

The payment of the grant will take place only if all these conditions apply:

- you actually enroll in **ECONOMICS AND PUBLIC POLICY - CURRICULUM HEALTH ECONOMICS, MANAGEMENT AND POLICY**: your academic career has to be active.
- you have filled in the relevant forms for the payment.

The payment will take place in one of the following methods:

- Bank wire transfer to an account in the name of the beneficiary, with IBAN in the SEPA area;
- Bank wire transfer to a reloadable prepaid card, with IBAN code, in the name of the beneficiary;
- Bank wire transfer to an account in the name of the beneficiary outside the SEPA area, (commissions will be charged to the recipient).

INCOMPATIBILITY WITH OTHER GRANTS

The grant is compatible with other financial grants that may be/have been obtained by the beneficiary, unless incompatibility is stated for the other financial grants that the student may have been awarded. It is down to the beneficiary to check whether the other grant/grants are not compatible with the grant awarded by the Department of Economics. In such a case, they should choose one type of grant or the other.

DECLINING THE GRANT OR LOSING THE GRANT

Students who intend to decline the grant should e-mail hem@unibo.it stating their decision. If a student declines the grant, this will be assigned to the following student in the selection ranking, who is admitted with a score of minimum 70 points.
