

TUITION FEES CHANGE! PAY ACCORDING TO YOUR ISEE ECONOMIC INDICATOR

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

The University of Bologna has a new system for calculating tuition fees. All students pay based on their Equivalent Financial Situation Indicator (ISEE), irrespective of the degree programme that they enrol on. Full exemption is granted for ISEE values up to €23,000.00. Above this threshold, the tuition fee increases proportionally to the ISEE value, with special subsidies for the lowest incomes.

In order to pay according to your economic condition, you must communicate your 2017 ISEE data NO LATER THAN 15/12/2017.

If you are an international student, you cannot request an ISEE calculation, but you must submit the necessary documentation for verifying your economic situation. If your family resides and receives income and/or owns assets in Italy, you must request the ISEE calculation.

How to request your ISEE calculation:

- you can ask for help from the INPS, at a CAF centre (Centro di Assistenza Fiscale) or in the Municipality;
- there, you should ask for an ISEE calculation for services for the right to higher education.

Please note:

obtaining your ISEE value takes several weeks, so apply for the certification now.

To find out what the ISEE is and how to obtain it, go to: www.er-go.it/guidaisee

To enrol in the first year or subsequent years you must pay only the regional tax (€140.00), stamp duty (€16.00) and insurance cover (€1.64) by 28/09/2017 (or an alternative date specified in the calls for admission to degree programmes).

The annual contribution will then be defined after you present your official ISEE 2017 certificate, along with proof of your merit requisites for subsequent years.

The due sum must be paid:

- in two instalments - no later than 22/02/2018 and 31/05/2018 - for students paying over €500;
- in one instalment - no later than 22/02/2018 - for students paying up to €500.

On: www.unibo.it/TuitionFees2017-18

you will find all the necessary instructions concerning the new procedures, plus a simulator to calculate the sum due by entering your ISEE value.

Please note: In order to obtain right to study benefits you must submit a request to ER-GO, following the indications in the calls for applications published in July on the website www.er-go.it
