

LOOKING FOR A LIFE-CHANGING CAREER?

You now have the opportunity to learn more about the Graduate programmes in Novo Nordisk!

Novo Nordisk is a global pharmaceutical company headquartered in Copenhagen, Denmark. World leader in diabetes care, Novo Nordisk supplies around 50% of the world insulin, providing life-saving drugs to roughly 28 million people. Exciting opportunities are offered within Novo Nordisk to young, ambitious students, in the fast-changing pharma industry!

Join us at Bologna University on the **19th November 2019**, room 22, School of Economics

- Presentation to Clamda programme from 9:00 – 10:00
- Presentation to HEM programme from 13:00 – 14:00

Novo Nordisk graduates are looking forward to meeting you!

The agenda

- Welcome and introduction to Novo Nordisk
- Life as a graduate
- Your future possibilities within the Novo Nordisk graduate programme
- The application process

AT THE EVENT YOU WILL LEARN MORE ABOUT GRADUATE OPPORTUNITIES and how it is to be part of the next wave of pharmaceutical professionals– the team that ensures millions of patients get the full benefit of life-changing medicines. You will also get the chance to meet current graduates, learn more about the application process and get insights from how it is to be working for a global pharmaceutical company.
