

TRACKS

in L/MMA PROGRAMME in International Affairs

Curriculum INTERNATIONAL AFFAIRS

(First a.a. 2023/2024)

Combination of courses in your Study Plan that would build up a study TRACK for specialization of your knowledge and competence.

These TRACKS are a suggestion for those wishing to build up an in-depth programme upon the available courses

Please, make reference to the online page of the [Course Structure Diagram](#)

Remember to fill all other “Groups” in your Study Plan. Here, we do mention only those that have courses specifically focused on the Tracks.

FIRST TRACK: SECURITY STUDIES
