

## **Note for students with foreign qualifications.**

### **Completion of the study plan from 22 November to 9 January 2025.**

Students with degree awarded abroad who have their careers activated after 21 November will receive the form to submit their study plan by 9 January 2025. See Application details on SOL.

To complete your matriculation and activate your student career, you should upload all qualification-related documents no later than February 28th, 2025. In order to do so, please access Studenti Online, select BANDI ("Calls") and then DOCUMENT UPLOAD FOR INTERNATIONAL STUDENTS WITH FOREIGN QUALIFICATIONS.

Subsequently, upon your arrival at the University of Bologna, you will need to make an appointment with the relevant International Student Administration Office and submit the original documents relating to your qualification. Once checks have been carried out, your student career will be activated.

After that, you will be able to access all student services and you will receive an e-mail on your @studio.unibo.it inbox with the instructions on how to obtain your student card.
