

COURSE PRESENTATION FRENCH LANGUAGE AND LABORATORY AND PLACEMENT TEST

All students interested in attending the following courses:

- **Lingua e cultura dei paesi di lingua francese (2nd semester)**
- **French Language and Laboratory I (2nd semester)**
- **French Language and Laboratory II (1st semester)**

Are warmly invited to attend the **course presentation on Monday September 22 at 9 a.m. in classroom 12 TH or to join the meeting [online](#)**

During the presentation, the organisation and structure of the labs (seminars) and the language course (lectures) will be illustrated.

At the end of the presentation, a placement test will take place in order to better organise the French language courses and labs. **The placement test is not compulsory:** (absolute) beginners (students who have never studied French before) can opt out and enter directly the A1 Preparatory lab (see “**Laboratorio Propedeutico Lingua Francese I**”) that will be held in the first semester.

However, they must attend the course presentation (Monday September 22 at 9 a.m.) to receive information on the structure and organisation of the courses and leave their name.
