

COURSE PRESENTATION GERMAN LANGUAGE AND LABORATORY

All students interested in attending the following courses:

- German Language and Laboratory I (2nd semester)
- German Language and Laboratory II (1st semester)

Are **invited** to attend the **course presentation on Friday September 26 at 9.30 a.m. in classroom 3.2 or to join the meeting [on line](#)**

During the presentation, the organisation and structure of the labs and the language course will be illustrated.

Absolute **beginners** (students who have **never** studied German before) can enter directly the A1 preparatory lab (see **Laboratorio Propedeutico Lingua Tedesca I**) that will be held in the first semester.

For more information, please contact the lecturer, **Prof. Doris Höhmann**
