

## **COURSE PRESENTATION SPANISH LANGUAGE AND LABORATORY AND PLACEMENT TEST**

All students interested in attending the following courses:

- **Lingua e Cultura dei Paesi di Lingua Spagnola (2<sup>nd</sup> semester)**
- **Spanish Language and Laboratory I (2<sup>nd</sup> semester)**
- **Spanish Language and Laboratory II (1<sup>st</sup> semester)**

Are **invited** to attend the **course presentation on Monday September 22 at 5 p.m. in classroom 6 TH or to join the meeting [on line](#)**

During the presentation, the organisation and structure of the labs and the language course will be illustrated.

At the end of the meeting (**22 at 5 p.m.**), students can take a **Placement Test** to determine which group (A or B) they should take. The test does not require any previous study or knowledge.

**The placement test is not compulsory for absolute beginners.** Students who have never studied Spanish before can opt out and enter directly the A1 Preparatory lab (see **Laboratorio Propedeutico Lingua Spagnola I**) that will be held in the first semester.

For more information, please contact the lecturer, **Prof. Hugo Lombardini**
