SECTION 6 - REQUEST FOR ADAPTATIONS TO THE ADMISSION TEST

Candidates who would like to make use of adaptations for the admission test must make a request before the deadline for registration for the test itself.

The procedure for requesting adaptations is as follows:

- **Log on** to Students Online (<https://studenti.unibo.it/sol/welcome.htm>) and register for the test.
- Fill in the **Adaptation Request Form** which can be downloaded from the same site (in the part relating to the test registration procedure), save it in pdf format and attach it in the relevant section.
- Enclose the necessary specialist documentation, i.e:
 - Diagnosis of Specific Learning Disorders (DSA), according to law 170/2010, drawn up by the National Health Service, an accredited private centre or a private specialist accompanied by a document of compliance issued by the National Health Service. The documentation must be no older than three years or drawn up after the age of 18.

In view of the emergency situation that has led to a reduction in the activities of NHS outpatient clinics, applications from candidates with a diagnosis of Specific Learning Disorders (DSA), as defined by law 170/2010, will be admitted, even if they submit certifications issued more than three years previously or without compliance. In these cases, the candidate must prove at the time of requesting adaptations to the admission tests that he/she is awaiting renewal of the diagnosis or certification of conformity from the National Health Service, and the University reserves the right to subsequently request the integration of the documentation envisaged therein. Certifications issued by private specialists must in any case be

Alma Mater Studiorum Università di Bologna
Department of Languages, Literatures and Modern Cultures - LILEC

complete and drawn up in accordance with all the requirements defined by the 2011 Consensus Conference on specific learning disorders.

For further details, please go to the web page: <https://site.unibo.it/studenti-con-disabilita-e-dsa/en/for-students/certifications-required-for-students-with-sld>

- Certification of handicap according to law 104/92.
- Certification of civil invalidity.
- Medical documentation, drawn up by a specialist, certifying the presence of health conditions (physical and/or psychological) that may lead to an inability, even temporary, to study and take the test.

The documentation must be clear and complete with all useful information to understand the candidate's specific needs.

(N.B. If you have both certification under Law 104/92 and other medical documentation, it is important to present both).

Candidates with disabilities or with DSA residing in foreign countries who would like to make use of adaptations must present the legalized certification attesting to their state of disability or DSA issued in their country of residence, accompanied by an official translation exclusively in Italian or English.

The University bodies in charge of examining the aforementioned certifications ascertain that the foreign documentation certifies a condition of disability or specific learning disorder recognised by Italian law.

ATTENTION: BEFORE CLOSING THE REGISTRATION FOR THE TEST PLEASE CHECK THAT YOU HAVE ATTACHED AN APPLICATION FORM AND HEALTH DOCUMENTATION.

Alma Mater Studiorum Università di Bologna
Department of Languages, Literatures and Modern Cultures - LILEC

The documentation is examined by the Service for Students with Disabilities and with DSA to assess that it complies with the requests for adaptations with the documentation submitted. If documentation is incomplete or illegible, a request for supplementation will be sent by email to the institutional email address nome.cognome@studio.unibo.it , which must be sent by the final deadline set in the communication.

It will not be possible to grant the requested adaptations to a candidate who does not submit the request by the deadline indicated in the notice or who fails to send any supplementary documents requested by the deadline indicated by the Service for Students with Disabilities and DSA.

Adaptations are always communicated by email from the Student Administration Office.

For clarification on the procedure for requesting adaptations, please contact the Service for Students with Disabilities and DSA at abis.adattamentiammissione@unibo.it

SECTION 8 – TAXES AND BENEFITS

- **Tuition fees** - Information on **tuition fee amounts** and **on benefits and exemptions** are published on the University Portal on page <https://www.unibo.it/en/teaching/enrolment->

Alma Mater Studiorum Università di Bologna
Department of Languages, Literatures and Modern Cultures - LILEC

[transfer-and-final-examination/tuition-fees-and-exemptions/fees-and-exemptions-amounts-and-deadlines](#)

The student fee to be paid to enrol on a course of study consists of a fixed part of € 157.04 and a variable part calculated on the basis of the household's economic situation (ISEE) up to a maximum that varies according to the course of study.

The contribution is calculated progressively on the basis of the valid ISEE certificate, only if this is presented in the modalities and by the deadlines described in

<https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/fees-and-exemptions-amounts-and-deadlines>. If no ISEE certificate is submitted, the maximum contribution envisaged for the Course of Study will be applied.

The submission of ISEE is independent of course enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines for each.

- **ER.GO Benefits** - The Azienda Regionale per il Diritto agli Studi Superiori - ER.GO publishes calls for applications every year on its website (<https://www.er-go.it/>) for scholarships, places in university residences, dining and other benefits.

ER.GO's facility application procedures are also independent of the course application and enrolment procedures.

- **Further facilities** - Information on other facilities can be found on the University Portal in the section <https://www.unibo.it/en/services-and-opportunities/study-grants-and-subsidies/study-grants-and-subsidies>

In order to be eligible for exemption, anyone with a civil invalidity certificate equal to or greater than 66% or a certificate pursuant to Law 104/92 must send the certificate attesting to their condition to the email address of the Foreign Languages and Literatures Student Administration Office (segscform-lingue@unibo.it). For information please go to <https://www.unibo.it/en/services-and-opportunities/study-grants-and-subsidies/exemptions-and-incentives/exemptions-for-disabled-students>

Alma Mater Studiorum Università di Bologna
Department of Languages, Literatures and Modern Cultures - LILEC

- **Information for those who already have an active career** - Those who already have an active career at the University of Bologna should carefully check **the merit requirements for access to benefits**, specified in the Call published on www.er-go.it, because the career, following university transfer or change of course of study, is evaluated starting **from the year of first enrolment at the university**, regardless of the awards obtained or the year of the course of study to which the Council of the Course of Study will admit him. This may result in the loss of benefits.
