

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA
CAMPUS DI FORLÌ

**MASTER'S DEGREE PROGRAMME IN
MECHANICA ENGINEERING FOR SUSTAINABILITY
(code 5980) – A.Y. 2023/2024**

STUDY PROGRAMME COMPILING

For 1st year students only

**To be handed in to the Degree Programme Secretariat in the following periods:
October 9th – November 10th 2023 and/or February 12nd – March 8th 2024**

REGISTRATION NUM _____

I, the Undersigned _____
(Name and Last Name)

Born in _____ on (Date) _____ Tel _____

While enrolling to the **1st year** of the Master's Degree Programme in
Mechanical Engineering for Sustainability

ASK TO SELECT THE FOLLOWING ELECTIVE COURSES (type D) FOR 6 CFU.
ELECTIVE COURSES SUGGESTED BY THE SCHOOL

Students must choose one course among those (1st or 2nd semester) - Students who are interested in selecting the 'Sustainable Automation' guided choice in the second year must have already registered at least 6 credits in the scientific disciplinary sector **ING-INF/04** in the previous career (degree) or in the first year of this master's degree:

	Elective Courses	SSD- Disciplinary- Scientific Area	Semester	CFU
<input type="checkbox"/>	Experimental Fluid Mechanics	Icar/01	1	6
<input type="checkbox"/>	Numerical Analysis	Mat/08	1	6
<input type="checkbox"/>	Materials Chemistry	Chim/07	2	6
<input type="checkbox"/>	Theory of Systems and Controls for Automation	Ing-inf/04	2	6
