

For all candidates:

**All communication during the admission process will be managed using STUDENTI ONLINE only ([www.studenti.unibo.it](http://www.studenti.unibo.it)).**

Candidates won't receive personal communication by email (e.g. the application results or the list of admitted candidates won't be communicated personally to each candidate by email).

It's candidates' responsibility to autonomously verify if their application was accepted and which are the following steps by checking Studenti Online on the dates indicated in the general calendar for every step of the admission. The general calendar is published in the call for applications.
