# What is an Internship?

Internships are **learning activities** that allow students to obtain credits, acquire practical skills, and make the initial contact with the world of work. They can be mandatory or eligible, depending on the study course programme.

They are usually performed during the second year of study and **need to be added to your Study Plan.**

Students will be able to submit their study plan exclusively in the following time frame:

- First period: **usually October - November**
- Second period: **usually February – March**

The study plan can be submitted by students regularly enrolled to the relevant academic year. The study plan must be filled out according to the **Course Structure Diagram**, referring to the academic year of your first enrollment.

# Internship with partnered host structure

If you already contacted/have an agreement with a partnered Host Structure:

- In **Offer section** apply to an internship offer already published and targeted to you (“ad personam”)

If you do not have an agreement with a specific company and are looking for one:

- In **Offer section** apply to an internship offer already published and targeted to all students enrolled on one or more degree programmes
- In **Companies section** address to one or more Host Structures already registered on the internship platform (**self-candidacy**)

and wait for a reply.

# Internship with non-partnered host structure

The **Host Structure** has to register in the internship platform to request an **internship agreement**.

Students have to contact the Internships Office of Ravenna Campus **at least TWO MONTHS BEFORE** the starting date of the internship in order to activate the agreement procedure and open a new partnership with the Host Structure.

## PLEASE NOTE:

activation of an agreement requires a lot of time, once the procedure is started it is not possible to change company
