

# Health and Safety Training - How to enroll to module 3

Browse the webpage <https://studenti.unibo.it/sol/welcome.htm> and log in using your username and password (name.surname@studio.unibo.it + password).

From your personal page, click the box Bookings and check the list of possible courses (you can filter Modulo 3 – Formazione specifica rischio medio).

Choose the course for MD Offshore Engineering and click the Book button.

The screenshot shows the 'Studenti Online Help Desk' interface. On the left, there's a sidebar with 'Home', 'Studenti Online Help Desk', and 'General information on teaching and student services'. The main area is titled 'Bookings' and contains a search filter for 'Modulo 3 – Formazione specifica rischio medio'. Below this, a table lists available activities. A red arrow points to the last entry in the table: 'Occupational Health and Safety Training Courses for students - Advanced Specific Training (module 3) - Biological and Chemical Risk - MD Offshore Engineering e MD Analisi e gestione dell'ambiente (only curr. WACOMA)- Ravenna'. The 'Book' button is visible at the bottom right of the table.
