5 TUITION AND FINANCIAL AID

5.1- Tuition fees

Information concerning the **amount of tuition fees**, **financial aid** and **fee waiver** are available on the University website at www.unibo.it/Tasse.

Tuition fees to be paid in order to enrol in a degree programme consist of a fixed part of € 157.04 and a variable part which is calculated according to the economic situation of the household (ISEE) up to a maximum that varies depending on the degree programme.

Tuition fees are calculated progressively on the basis of a **valid ISEE certificate**, only if this is submitted in compliance with relevant regulations and within the deadlines, as detailed at <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/fees-and-exemptions-amounts-and-deadlines>

If no ISEE certificate is submitted, the maximum tuition envisaged for the degree programme will be applied.

ISEE submission is not linked to the enrolment process. The order in which you carry out the two procedures is irrelevant, as long as you meet the deadlines for each one.

5.2- ER.GO benefits

On a yearly basis, the **Regional Authority for the Right to Higher Education – ER.GO** publishes calls for grants, accommodation in student residences, meal vouchers and other benefits on the website www.er-go.it.

The procedures to request ER.GO benefits are also independent of the degree programme application and enrolment process.

5.3- Other economic benefits

Information on other economic benefits can be found on the University website in the following section <https://www.unibo.it/en/services-and-opportunities/study-grants-and-subsidies/study-grants-and-subsidies>

If you hold a certificate demonstrating recognised invalidity of at least 66% or a certificate complying with Law 104/92, in order to benefit from the fee waiver, you should send the certificate via email to the relevant Student Administration Office. For further information: <https://www.unibo.it/en/services-and-opportunities/study-grants-and-subsidies/exemptions-and-incentives/exemptions-for-disabled-students>

5.4- Important information for students who already have an active career

If you already have an active student career, before starting the transfer or degree programme switch process you should carefully read the **merit requirements to access benefits**. These are detailed in the call for applications available at www.er-go.it.

You are strongly advised to do this because after the transfer/degree programme switch **your career will be evaluated starting from the first year of enrolment at University**, regardless of the recognised exams or the course year that you are admitted to. **This may cause the loss of benefits.**
