AREA FORMAZIONE E DOTTORATO

INTRODUCTION

This call for admission concerns the requirements, the deadlines and the methods to enroll in the second cycle degree in **Photochemistry and Molecular Materials LM-54 (code 9074)**.

All relevant information about the master's degree programme are available in the university web site <https://corsi.unibo.it/2cycle/PhotochemistryMolecularMaterials/index.html>

Admission requirements to access the master's degree programme are described in the web page **Home > Admission > Programme enrolment: requirements, deadlines and methods**; read the following link <https://corsi.unibo.it/2cycle/PhotochemistryMolecularMaterials/how-to-enrol>

SECTION 1 – DEGREE'S ADMISSION REQUIREMENTS

In order to be admitted to the second cycle degree in **Photochemistry and Molecular Materials**, it is required to:

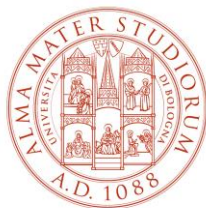

- Hold an Italian first-cycle degree (laurea) or a foreign Bachelor degree deemed suitable. Those who have not graduated yet can submit their application as well, abiding by the stipulations indicated in section 3.
- Fulfil the **ENTRY REQUIREMENTS**, indicated in the article 1 of the Degree Teaching Regulation and available on the degree website on: **Home > Admission > Programme enrolment: requirements, deadlines and methods**; read the following link <https://corsi.unibo.it/2cycle/PhotochemistryMolecularMaterials/how-to-enrol>
- Hold a **B2 ENGLISH PROFICIENCY** to be attested abiding by the stipulations indicated in section 2.
- Pass the assessment of personal preparation as indicated in section 3.

Applicants shall be evaluated by a Committee appointed by the Degree Board in order to ascertain their fulfilling the entry requirements as well as their English proficiency and Applicants' academic profile.

SECTION 2 – ENGLISH PROFICIENCY

In order to be admitted, applicants must demonstrate an **English Language Proficiency no lower than B2 level** (according to CEFR – [Common European Framework of Reference for Languages](#)).

Please refer to the degree website to verify how the English proficiency is assessed: **Home > Admission > Programme enrolment: requirements, deadlines and methods**
<https://corsi.unibo.it/2cycle/PhotochemistryMolecularMaterials/how-to-enrol>

AREA FORMAZIONE E DOTTORATO

SECTION 3 – ENTRY REQUIREMENTS

Admission is granted to Applicants who satisfy curriculum requirements and whose personal preparation is deemed suitable. Applicants' personal preparation is assessed taking into account their academic records and the documents they provide.

Such assessment ("admitted" / "not admitted") depends on the Admission Board's irrevocable decision.

For those graduating outside the European Higher Education Area (EHEA) who do not have the ECTS credits system in their career, the Evaluation Board will determine whether the number and the academic/scientific contents of the exams they passed is sufficient to be evaluated.

Graduating students will be allowed to apply and enroll **under condition of receiving their bachelor degree (first cycle degree)** by a certain deadline, that will be set by the Academic bodies and will be indicated later in the degree website.

SECTION 4 – ADMISSION SCHEDULE

Applicants can submit their applications, receive the admission results and enroll according to the following **general schedule**:

	OPENING DATE	APPLICATION DEADLINE	ADMISSION RESULTS (within)	OPENING DATE FOR MATRICULATION
Intake 1	13 December 2021	31 January 2022	14 February 2022	22 February 2022
Intake 2	1 February 2022	31 March 2022	15 April 2022	29 April 2022
Intake 3	1 April 2022	30 June 2022	14 July 2022	29 July 2022
Intake 4	1 July 2022	5 September 2022	20 September 2022	30 September 2022

(*) Intake 1 for non-EU students residing abroad only.

AREA FORMAZIONE E DOTTORATO

SECTION 5 – HOW TO APPLY

In order to submit your application, you should:

1. **Log in** to www.studenti.unibo.it through your Italian SPID account.

International students not holding a SPID can create a Unibo profile by choosing *Register* then *International Students Registration*.

2. **Click** on “APPLY FOR ADMISSIONS”, select “SECOND-CYCLE DEGREE” and pick the degree you are interested in.

3. **Upload** the following documents in PDF format:

COMPULSORY DOCUMENTS

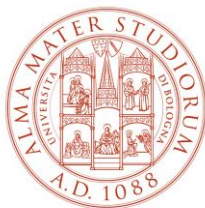

- Scanned copy of passport/identity card (front and back);
- Transcript of academic records: Bachelor’s Degree certificate in Italian or English detailing the full list of exams and grades achieved, including the final graduation mark (if any). Italian students can upload a self-certification of their first-cycle degree, whereas EU applicants can upload their Diploma Supplement. Graduating students can upload only the transcript of exams.
- English proficiency certificate (see section 2);
- CV/résumé;

OPTIONAL DOCUMENTS

- Scanned copy of the residence permit (if any);
- Further documents.

ATTENTION!

- **Optional documents might be compulsory for some degrees:** please refer to the degree website for further information.
- **Only complete applications will be evaluated**, that is, having all the compulsory documents uploaded by the deadline.
- Incomplete applications will not be evaluated and will remain pending (“yellow status” 🚩); incomplete applications will be evaluated in the subsequent intake as long as they have been fully finalized.
- Under no circumstances are application documents to be sent by email or by regular mail.

AREA FORMAZIONE E DOTTORATO

SECTION 6 – ADMISSION AND ENROLLMENT

Students will receive feedback according to Section 4 (admission schedule); they can check their application's status on www.studenti.unibo.it to be either greenlighted (admitted) or redlighted (not admitted).

Afterwards, they will be able to enroll - yet again according to the deadlines indicated in Section 4 - upon **receiving the go-ahead**.

Admitted students only will receive information on matriculation and further steps to their Unibo's email address (name.surname@studio.unibo.it) which was created with their Unibo's account.

Not admitted students will not be able to submit a new application in the following intakes.

In order to enroll, applicants must:

Log in to www.studenti.unibo.it by entering their username and password (see Section 5);

Pick "enrolment", then "Second-cycle degree" and finally the degree of interest. Fill out the required personal data and enclose a passport-sized photo in jpg.

Pay the first tuition fees instalment on www.studenti.unibo.it (several means of payments are foreseen).

Graduating students will be allowed to enroll **under condition of receiving their bachelor degree** by a deadline which will be indicated later in the degree website, **otherwise they will forfeit their position**. Please inform the following Segreteria Studenti Scienze segscienze@unibo.it as soon as the degree has been obtained. If you are a NON-EU student residing abroad please inform Segreteria Studenti Internazionali Bologna segstudintbo@unibo.it.

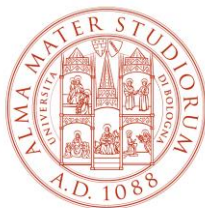

Upon paying the first instalment, check on www.studenti.unibo.it to verify the subsequent steps needed in order to finalize your enrollment.

Students **with disabilities** with recognised invalidity of at least 66%, and those whose disability is recognised by law 104/92, can benefit from the [tuition fees waiver as stipulated here](#). In order to do so, they should send off the relevant documents to Segreteria Studenti Scienze segscienze@unibo.it

STUDENTS HOLDING A FOREIGN DEGREE AND NON-EU STUDENTS LIVING ABROAD

In addition to the aforementioned steps, students holding a foreign degree should abide by the [stipulations set forth on this webpage](#) as well as do the needful in terms of [translations and legalization](#). Upon their enrolment, they will be required to upload their educational documents on [Studenti Online](#) in the section "Call for applications" by choosing "Enrolment 2022/2023 - upload of documents for international students".

Moreover, those in need of visa will be requested to go through the [Embassy's pre-enrollment onUniversitaly](#).

AREA FORMAZIONE E DOTTORATO

Upon your arrival at the University of Bologna, you will need to set an appointment with the SegreteriaStudenti Internazionali in order to show off hard copies.

FEES AND BENEFITS

The enrolment fees, net of the first instalment, for the 2022/2023 academic year and information on benefits and exemptions will be published on the University website on the page www.unibo.it/Tasse.

Remember that your contribution will be calculated on a progressive scale based on a valid ISEE certificate only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/Tasse. If you do not submit an ISEE, you will have to pay the full tuition fees relevant to your degree programme.

Information on other benefits can be found on the University website on the page <https://www.unibo.it/en/services-and-opportunities/services-and-opportunities>. If you are interested in benefits related to the right to higher education, you can consult the relative call published by the Regional Authority for the Right to Higher Education on the website www.er-go.it.
