### **Abstract of the Call for Applications f**

#### **Study grants FOR FINAL Dissertation and RESEARCH ABROAD**

*(This abstract is translated to English version just for publicity purposes. For any application and/or dispute resolution and/or for any legal purpose only the Italian version must be taken into consideration)*

#### **Subject**

The School of Economics, Management and Statistics – Rimini of the Alma Mater Studiorum – University of Bologna offers **2 scholarships of 2.000€** each ( before tax) to support a period of study abroad, related to research for the final dissertation.

**Beneficiaries are students enrolled in the second year of the Second Cycle Degree in Resource Economics and sustainable development ( RESD)** The contribution aims at promoting research for the preparation of the final dissertation or the writing and preparation of a research paper related to the topic of the dissertation.

The study grant is incompatible with other scholarships, grants and benefits from the University of Bologna for the same destination during the same period.

#### **Admission requirements**

Applicants with a research theme of international relevance, motivated by the thesis supervisor, and those whose visiting period abroad is particularly relevant for the gathering of information necessary for the preparation of the final dissertation or for the research paper.

#### **Aims of the projects**

1. the collection of information available exclusively in a foreign country;
2. Research in a foreign archive;
3. Research in cooperation with researchers or professors in foreign Universities or research Institutes.

#### **Evaluation**

The Committee will give priority to the scientific strength and feasibility of the project.

In case of a tie between two or more candidates, the youngest will antecede in the ranking.
