In order to enrol, applicants must:

- pass the entrance exam with a score ranking them within the range(s) listed in (1) above;
- hold, or be about to obtain, one of the following Italian degrees, or else a foreign Degree recognized as equivalent/adequate:
  - **ex D.M. Degree Classes set out by Ministerial Decree (D.M.) 270**

The adequacy and personal preparation of candidates' knowledge and skills in the Italian language and their other language of study – excluding English – is verified by obtaining the minimum marks required, indicated in the ENTRANCE EXAM (Part 2).

Please see points 3 and 4 of the Call for applications for further information on the criteria of evaluation in the ENTRANCE EXAM.

Applicants who have yet to obtain their undergraduate degree can take the entrance exam. Successful applicants who, at the closing date for enrolment (first or second phase depending on their rank), have yet to obtain their undergraduate degree can enrol on condition that they have passed all their exams and plan to graduate by 30 November 2018. Enrolled students who fail to graduate by the 30 November deadline lose their right to study.

Applicants who hold or are about to obtain a degree different from those above may submit their CV for evaluation by a specially appointed Commission. Upon finding the knowledge, competences and skills of a candidate satisfactory, the Commission declares him/her eligible and admits him/her to the entrance exam described below (3) and (4).

RESULTS OF CV SCREENING, undertaken by the specially appointed Commission in order to select candidates who do not possess the required qualifications, will be published on the University Portal Studenti Online at www.studenti.unibo.it on the following dates:

<th>3 – ENTRANCE EXAM – NON-EU NATIONALS LIVING OUTSIDE OF ITALY AND EU NATIONALS AND EQUIVALENTS WITH A FOREIGN DEGREE</th>
</tr>
</thead>
</table>

The ENTRANCE EXAM will be conducted through an audio and video teleconference call (e.g. Skype). Candidates will have provided their contact details for said teleconference call in their application. The exam is made up of two parts:

1) Part 1, Oxford Online Placement Test (OOPT) to ascertain candidates' level of English proficiency;
2) Part 2, Translation test in order to verify candidates' translation skills, as well as their competences in Italian and their other chosen study language.

The entrance exam will take place between **18 and 22 June 2018**.

The Commission will contact candidates at the same email address provided in their application in order to establish a date and time to do the exam within the above stated dates.

**Part 1** aims to test the level of your English proficiency. Candidates should note that a minimum of C1 on the Common European Framework of Reference for Languages (CEFR) is required.

**Part 2** aims to test your translation skills and your competence in Italian and in one foreign language and culture of your choice, selected at the time of signing up for the entrance exam. You will be translating a text EITHER from Italian into the foreign language, OR from the foreign language into Italian. The translation direction will also be chosen when signing up for the exam.

The final ranking is obtained by adding up the scores obtained for Part 1 and Part 2.

The Commission will check the identity of each candidate by verifying that information on identification cards/documents corresponds to the same information provided by the candidate at the time of application. Candidates are furthermore reminded to have the same identification card/document used upon applying ready for verification during the interview.

**N.B:** in the case that there are no candidates enrolled from the “EU nationals and equivalents with a foreign degree” category (be it as a result of 1. ineligibility, 2. eligible, but off the ranking by one place to enrol or 3. eligible, but not enrolled by the deadline for the category), such candidates can request to participate in the second round of entrance exams alongside “Italian nationals, EU nationals and equivalents” (6 September 2018) within the deadline of this category. Candidates will not have to sit the OOPT test (Part 1) a second time should they have already passed it previously. It will be necessary, however, to sit Part 2 of the entrance exam on 6 September 2018 in Forlì. **CANDATES MUST SIGN UP AGAIN FOR THE EXAM by the indicated dates for this second round, but will not have to pay the 50 € fee a second time.**

Candidates who do not pass the OOPT test by 22 June 2018 via Skype may ask to re-sit the test in the second round (6 September). In this case, both the OOPT test and the translation test must be done in Forlì. **CANDATES MUST SIGN UP AGAIN FOR THE EXAMS by the indicated dates for the second round, but will not have to pay the 50 € fee a second time.**

**Evaluation criteria**
- **Part 1** English proficiency needs to be at or above the C1 level;
- **Part 2** is evaluated taking into account the correspondence between the content of the source and target text, the lexical and grammatical correctness of the target text and the adequacy of the translation strategies adopted by the applicant.

The pass mark for Part 1 is **80/120** (corresponding to C1 Level).

The pass mark for Part 2 is **80/120**.

To pass the entrance exam, applicants must obtain the pass mark for both parts.

The results of all parts of the entrance exam will be communicated through the publication of a ranking of results.

**Ranking**

The ranking of suitable candidates is formed by adding the results of Part 1 and Part 2 of the entrance exam.

If two students obtain the same overall mark, priority is granted to the candidate who obtained a higher grade in Part 1.

If both partial scores are identical, priority is granted to the younger applicant.

The pass mark for Part 2 is **80/120**.

To pass the entrance exam, applicants must obtain the pass mark for both parts.

Part 2 will only be taken by applicants who pass Part 1.

The results of all parts of the entrance exam will be communicated through the publication of a ranking of results.

**Ranking**

If both partial scores are identical, priority is granted to the younger applicant.

**Practical information**

### 8 – ENROLMENT

**There are two possible positive outcomes**

1. **Your position in the ranking is such that you can matriculate immediately**

The closing date for matriculation is

- **From 25 June 2018 to 9 July 2018** for “non-EU nationals living outside of Italy” and “EU nationals and equivalents with a foreign degree” (in the case that all dates and procedures were respected within the deadlines of this category);
- **From 20 September 2018 to 8 October 2018** for “Italian nationals, EU nationals and equivalents”. By these dates you have to:

1. access the **Studenti Online** platform with your user name and password;
2. fill in, print and sign the matriculation application;
3. insert the requested information and attach a JPG file with a passport photo;
4. pay the first instalment or the full amount of the fees for the first year following the instructions given on the platform.

Successful candidates must present themselves at the Forlì Student Office (Segreteria Studenti di Forlì), Padiglione Melandri, Piazzale Solieri 1, Forlì, with a valid document of identification in order to confirm that all information provided was correct. Once this step has been carried out, candidates will be officially students and will receive their university badge.

Non-EU successful candidates must provide a copy of their visa or, in the case the visa was requested but not yet granted, a copy of the receipt attesting to the fact that the visa request was made; in this case, students are provisionally matriculated until the visa is eventually provided.

Further information can be found at the following URLs:

NB: if, by the previously stated deadlines, you have not yet graduated but have passed all the exams in your study plan, and know that you will graduate on or before 30 November 2017, you should enclose with your matriculation application a declaration to this effect (the form is available on Studenti Online). Your matriculation is conditional on graduating on or before 30 November 2017.

If you are an Italian national, EU national or equivalent and have not passed all exams in your study plan by the 6 October 2018 deadline, you cannot matriculate in the MA in Specialized Translation. If you are a non-EU national living outside of Italy who has participated in the first round entrance exam and you have not passed all the exams in your study plan by the 21 June deadline, you cannot matriculate in the MA in Specialized Translation.

Non-EU nationals living outside of Italy who applied in the second round entrance exam but are already enrolled in another course at the University of Bologna must change course by 28 July 2018. This can be done by going to the Forlì Student Office (Segreteria Studenti di Forlì) by 25 July 2018 or by completing the online request form on Studenti Online (www.studenti.unibo.it) from 26 to 28 July 2018.

2. YOU PASSED THE ENTRANCE EXAM BUT YOUR POSITION IN THE RANKING IS NOT SUCH THAT YOU CAN MATRICULATE IMMEDIATELY

You may still have a chance to matriculate. If you would like to be considered for the second round of matriculation, you should express your interest as follows. Between

- 6 July 2018 for non-EU nationals living outside of Italy and EU nationals and equivalents with a foreign degree (in the case that all dates and procedures were respected within the deadlines of this category);
- 8 October 2018 for Italian nationals, EU nationals and equivalents,

(see relevant tables above):

! access the Studenti Online platform with your user name and password;

! express your interest in matriculating by clicking the relevant button “I wish to be reassigned”, which becomes available once the ranking has been published and depending on your position.

Applicants who did not reach the pass mark, were absent or were excluded from the exam, cannot matriculate.

The number of available places for the second round of matriculation and the list of candidates who can matriculate will be published on the Studenti Online platform on
