# Course Structure Diagram for students enrolled in the a.y. 2024-2025

The first year is shared and allows a choice of several legal subjects.

The second year is divided into curricula ('Global and Transnational Legal Culture', 'Human Rights, Environmental and Social Justice', 'Law, Economics and Finance' and 'Law and Digital Transition') that allow you to customise your training in a way that is consistent with your professional goals.

Through the course structure diagram you can see the main information about the training activities: the period in which lectures are held; SSD (disciplinary-scientific area) to which the learning activity belongs; CFU.
