

# SEMINARS “JOBS”

## DSE - 2018

The Department of Economics is pleased to announce the autumn schedule of the series of seminars “JOBS”

Seminars are organized by the Degree Programme Directors and addressed to students enrolled in First and Second Cycle Degree Programmes offered by the Department of Economics.

From Insurance to Journalism, from Project financing to Central banks, from Healthcare to competition policy and many others: professionals with an academic background in Economics present their current job and career development experience.

A great opportunity for students to learn what graduates in Economics may achieve in their professional career.
