

REMOTE DESKTOP – INSTRUCTIONS FOR USING THE BLACK-LAB

(version EN 1.0)

Authorized users can download the Vmware view client at this address:

https://my.vmware.com/web/vmware/info/slug/desktop_end_user_computing/vmware_view_clients/1_0

The client is available for the following operative systems:

- Windows 32 / 64 bit
- Mac
- iOS (in iTunes App Store)
- Ubuntu Linux (In Ubuntu Software Center)
- Android (in Google Play Store)
- Android standalone package (.apk)
- Kindle Fire (in Amazon Android Appsstore)
- Cisco Cius (in Cisco APPHQ).

Once installed, the client would connect to the virtual desktop at the following address:

vdi.polorimini.unibo.it

When connected, authenticate using the UNIBO credentials (userid + password)

ViaAngherà22PrimoPiano47900Riminiemailinfo.asi@rimini.unibo.it Tel+39.0541.434126Fax+39.0541.434128
