

TAX Specialist Internship (Maranello)

Ferrari Maranello, Emilia-Romagna, Italy (On-site)

Ferrari has a most desirable track record, in Formula One as well as in GT production cars, record business results and voted one of the "World's most powerful brands". Above all Ferrari is an international team working with the highest level of professionalism and dedication, based on performance, meritocracy and continuous development, with innovation at the heart of our future.

Ferrari offers selected students with an outstanding academic track record and international mindset an opportunity to discover our business model and to contribute and learn during a 6-month internship with our Finance Team in Maranello.

The selected candidate will join Group Tax Team supporting throughout the following activities:

- Support Italian direct and deferred tax computation (quarterly and year-end)
- Support on direct tax issues
- Tax forecasts of the Group Subsidiaries
- Review of the TAX returns
- Assist on the SOX activities
- Review VAT calculations and oversee VAT reporting,
- Work closely with Accounting to make sure the accounting treatment of VAT is accurate

Required profile

In order to succeed in this challenging role, we are looking for a graduate profile with Master's Degree in Economy or related field. In Ferrari you must exhibit the capability to work in a highly-dynamic and fast-changing environment, thinking analytically and structured and demonstrating strong communication skills (such as the ability to listen as well as in-depth reasoning).

English at proficient level and good command of Microsoft office (Excel, PowerPoint, etc.) are required.

We are an Equal Opportunity Employer.

Location: Maranello

Department: GT - Finance
