Three buttons are listed: "Sign in with SSO" (highlighted with a red box), "Sign in with Google", and "Sign in with Facebook".

Type “unibo” in the company domain and click the “continue” button

The image shows the "Sign In with SSO" page. The title "Sign In with SSO" is centered. Below it is a text input field labeled "Company Domain" containing "unibo" and ".zoom.us" (highlighted with a red box). A blue "Continue" button is below the input field. At the bottom, there is a link "I don't know the company domain" and a "< Back" link.

Sign in with your University of Bologna credentials. If you have already registered on Zoom with your personal e-mail, you will need to switch your account

Taking the test

The day before the test (on Friday if you have booked your test on a Monday) you will receive an invitation to take the test to your University of Bologna e-mail account from the following mail address: www-customerservice.eltonline@oup.com. We recommend you read the attached guide on the test and familiarise yourself about the test format.
