

CLINICAL ROTATION LIST

This is the LIST OF CLINICAL ROTATION

This is list **for A.Y. 2025/26**. This list will be updated periodically as clinical rotations become unavailable due to student requests. Please, make sure you check the most updated version when filling in your Learning Agreement for Studies.

The duration of each rotation is two weeks (3CFU).

Code	Clinical rotation	ECTS	Location
72429	TIROCINIO CLINICO A SCELTA IV - ANATOMIA PATOLOGICA	3	OSPEDALE - MORGAGNI -FORLÌ
72508	TIROCINIO CLINICO A SCELTA IV - ANESTESIOLOGIA	3	OSPEDALE - MORGAGNI -FORLÌ
72508	TIROCINIO CLINICO A SCELTA IV - ANESTESIOLOGIA	3	OSPEDALE - BUFALINI - CESENA
72499	TIROCINIO CLINICO A SCELTA IV - AUDIOLOGIA	3	OSPEDALE - MORGAGNI - FORLÌ
75919	TIROCINIO CLINICO A SCELTA IV - BIOCHIMICA CLINICA E BIOLOGIA MOLECOLARE CLINICA	3	CENTRO SERVIZI - CESENA PIEVESESTINA
72463	TIROCINIO CLINICO A SCELTA IV - CHIRURGIA CARDIACA	3	OSPEDALE - MARIA CECILIA- COTIGNOLA
72444	TIROCINIO CLINICO A SCELTA IV - CHIRURGIA GENERALE - INDIRIZZO SENOLOGICO	3	OSPEDALE - MORGAGNI -FORLÌ
72444	TIROCINIO CLINICO A SCELTA IV - CHIRURGIA GENERALE	3	OSPEDALE - MORGAGNI -FORLÌ
72444	TIROCINIO CLINICO A SCELTA IV - CHIRURGIA GENERALE - CHIRURGIA DEL TRAUMA	3	OSPEDALE - BUFALINI - CESENA

72488	TIROCINIO CLINICO A SCELTA IV - UROLOGIA	3	OSPEDALE - MORGAGNI -FORLI
72488	TIROCINIO CLINICO A SCELTA IV - UROLOGIA	3	OSPEDALE - BUFALINI - CESENA

HOW TO CHOOSE AND LIST CLINICAL ROTATIONS IN YOUR LEARNING AGREEMENT

Clinical rotations should be listed in your Learning Agreement for Studies; you should write their CODE and NAME according to the “CLINICAL ROTATION LIST,” as you would for elective courses and courses.

Example:

CODE	NAME	ECTS
72429	TIROCINIO CLINICO A SCELTA IV - ANATOMIA PATOLOGICA	3
72507	TIROCINIO CLINICO A SCELTA IV - GINECOLOGIA E OSTETRICIA	3
72437	TIROCINIO CLINICO A SCELTA IV - MALATTIE DEL SANGUE	3

- Each clinical rotation code can only be listed once.
- Each clinical rotation you wish to attend must be listed on your final Study Learning Agreement, otherwise, it will NOT be scheduled.

The maximum amount of clinical rotations you can request is:

Exchange Mobility PERIOD	Courses + Clinical Rotations	Clinical Rotations Only
Full Academic Year	max 24 ECTS credits of clinical rotations	max 24 ECTS credits of clinical rotations
One Semester Only	max 15 ECTS credits of clinical rotations	max 15 ECTS credits of clinical rotations

Clinical Rotation/Tirocini pratici are subject to the availability of our teaching hospitals, and are scheduled on a first-come-first-served basis according to the date and time on which we receive each student’s Learning Agreement for Studies with the approval signature and stamp of their home University

Clinical rotations are assessed as passed/failed, NOT graded out of 30. It is not possible to replace a pass/fail assessment with a grade

In order to access hospital wards, you must produce some documents related to your **immunization and**

health records – see <https://corsi.unibo.it/magistralecu/MedicinaChirurgia-Forli/exchange-students-ay> for the required documents, details on how to submit it will be sent directly to your e-mail address at least one month before the start of your exchange.

Please note that failure to produce the required immunization and health records and pass the mandatory medical check will result in your clinical rotation being cancelled. Clinical rotations that you miss due to your being declared unfit or absent at the medical check, or for reasons other than illness, will not be rescheduled.

RULES FOR ATTENDING CLINICAL ROTATIONS

REGISTRATION	3

ATTENDANCE RULES.....	3
BEHAVIOUR.....	4
ONLINE CONFIRMATION AND ALMAESAMI RECORDING	5

REGISTRATION

In order to register your online clinical rotations, you must:

1. Have listed all your required clinical rotations in your Learning Agreement or in one of the 'Changes to the Learning Agreement' forms;
2. Have completed your check-in at the University of Bologna;
3. Have sent the health documents according to instructions received via e-mail.

Please refer to <https://corsi.unibo.it/magistralecu/MedicinaChirurgia-Forli/exchange-students> for further information about these three procedures.

Once you meet the conditions mentioned above, the International Relations Office will send you your clinical rotations schedule and other follow up information. Please remember to check your institutional mailbox (name.surname@studio.unibo.it) or to set a forward rule to your personal mailbox.

CONTACT DETAILS FOR THE FIRST MONDAY OF EACH CLINICAL ROTATION

A list with contact details for the first Monday of each clinical rotation will be sent together with the schedule.

Attendance and activity information for the following days will be given by the clinical rotation coordinator or tutor on the first day.

ATTENDANCE RULES

In order to get a 'PASS' evaluation, you must attend at least 75% of the scheduled period for each clinical rotation. Clinical rotations take place from Monday to Friday, 8.30-13.00. Each hospital ward has its rules for monitoring attendance; you are strongly advised to comply with them to have your attendance confirmed.

Please read the "Online confirmation and recording" paragraph for further information.

It is not possible to arrange or change the personal clinical rotation schedule without permission from the Degree Program's Staff Office-International Services campusforli.tirocinimedicina@unibo.it

Clinical rotations may be rescheduled only if you fail to complete the required attendance record

(75%) due to illness, provided that you inform the School's International Services

Office (erasmus.medicine@unibo.it) and the clinical rotation coordinator about your absence:

- Before the beginning of a clinical rotation, or
- By Wednesday of the second week of the clinical rotation you are attending.

Rescheduling is subjected to the remaining availability of clinical rotation slots in our teaching hospitals.

Clinical rotations that you miss due to you being declared unfit or absent at the medical check (Occupational Medicine Service), or for reasons other than illness, will not be rescheduled.

In case you decide to withdraw from one or more clinical rotations, i.e. because you will cancel them from your Learning Agreement for Studies, please inform the Degree Program's International Services office (campusforli.tirocinimedicina@unibo.it) as soon as possible so your clinical rotation slot can be reassigned to other exchange students.

BEHAVIOUR

During clinical rotations, all students must behave appropriately and in accordance with their role as future healthcare professionals.

Students must therefore:

- Arrive and leave on time when you are scheduled to attend a clinical rotation;
- Comply with rules and regulations of the teaching hospital and hospital ward as illustrated by the clinical rotation coordinators and tutors;
- Wear a white coat when attending hospital wards (not provided by the teaching hospitals so you should bring your own);
- Arrive and leave on time, and notify any absence to the clinical rotation coordinator/tutor;
- Be respectful to everyone;
- Comply with the institutional rules and regulations regarding workplace hygiene, health, and safety;
- Comply with privacy rules when dealing with any data and information during clinical rotations.

DRESS CODE

Students attending clinical rotations must wear a white coat, in compliance with institutional rules and regulations on workplace hygiene. White coats are not provided by teaching hospitals so you should bring your own.

Access to the operating theatre sections (Blocchi Operatori) of the teaching hospital is permitted only when wearing the required TTR uniforms. TTR uniforms are provided directly by the Hospital facility.

ONLINE CONFIRMATION AND ALMAESAMI RECORDING

After the end of each clinical rotation, and on condition that you meet the minimum attendance requirements, the clinical rotation coordinator or tutor will confirm your attendance on the online record. You must then fill in the **online assessment form (questionario di valutazione)** in order to finalise the recording of the clinical rotation on your AlmaEsami account (verbalizzazione).

You can check the status of your clinical rotations from the homepage of your Studenti Online account. The square box next to each clinical rotations works by the following colour code:

- **Richiesta ricevuta** (box colour: **GREY**)

The clinical rotation is registered on the system – in case of registration problems, please write to campusforli.tirocinimedicina@unibo.it

- **Frequenza confermata** (box colour: **YELLOW**)

After attendance has been confirmed, the clinical rotation coordinator or tutor must enter your final assessment (pass/fail); the status box then becomes marked as 'Tirocinio completato'.

- **Tirocinio completato** (box colour: **YELLOW**)

When the clinical rotation is marked as 'Tirocinio completato', you can access the detail page by clicking on 'vedi dettaglio' on the right side of the page and **fill in the assessment form (questionario di valutazione)**.

A few days after completing the assessment form, the status box will turn **GREEN**.

- **Tirocinio verbalizzato** (box colour: **GREEN**)

The clinical rotation is recorded on your AlmaEsami account (Studenti Online > AlmaEsami).

The following figure shows an example of how clinical rotations will be displayed on your Studenti Online Account
