The form on the following page is a mandatory requirement for all incoming exchange students who apply for clinical rotations; it must be **completed, signed and sealed by a registered physician** according to the student's medical records and/or reports.

Instructions for the PHYSICIAN

Please fill out the form IN ENGLISH IN CAPITAL LETTERS and tick the relevant boxes according to the medical certificates and/or records produced by the student.

Instructions for the STUDENT

You will receive the original form by sorveglianzasanitaria.fo@auslromagna.it. The signed and sealed form, together with the requested attachments, must be sent via email to sorveglianzasanitaria.fo@auslromagna.it.This form will also be delivered to the healthcare personnel of the Health Surveillance Unit. All the information indicated above will be communicated to your institutional mailbox (name.surname@st)

The signed and sealed form, together with the required attachments, must be submitted according to the instructions provided by sorveglianzasanitaria.fo@auslromagna.it
After a **positive assessment (giudizio di idoneità)** by the Occupational Medicine service, you will be cleared to attend clinical rotations.
All the above information will be notified on your institutional mailbox (name.surname@studio.unibo.it), so it is advisable that you check it on a regular basis.

Students who fail to bring their certificates concerning immunisation and health requirements or who do not receive a positive assessment by the Occupational Medicine service will NOT be allowed to attend clinical rotations.

The medical data submitted with the "Immunisation and Health Requirements" form are confidential and will be used by the Occupational Medicine service of Alma Mater Studiorum – Università di Bologna **(U.O. Sorveglianza Sanitaria e Promozione della Salute dei Lavoratori – Pavillion Valsalva, 1st floor, Morgagni Pierantoni Hospital – Vecchiazzano Forlì)** for the purpose of checking that you are fit to attend medical training activities in healthcare settings, in compliance with Italian regulation including data Regulation (EU) 2016/679 (General Data Protection Regulation).

This form and all required attachments ***must be completed and sent before your arrival to the email address*** *sorveglianzasanitaria.fo@auslromagna.it and subsequently also presented in paper format at the Occupational Medicine Department during the medical examination. Students who do not present medical certificates or who do not receive an assessment of suitability from the Health Surveillance Unit will not be able to participate in clinical rotations.*
