1. ADMISSION REQUIREMENTS

In order to be admitted to the second-cycle degree programme in MEDICAL BIOTECHNOLOGY candidates must:

- ▶ meet the **CURRICULAR REQUIREMENTS** outlined in [section 2](#);
- ▶ meet the **LANGUAGE REQUIREMENTS** and, specifically, proficiency in English equivalent to at least B2 level, to be demonstrated according to the procedures set out in [section 2](#);
- ▶ have their **PERSONAL KNOWLEDGE AND SKILLS** positively assessed in accordance with the procedures set out in [section 3](#).

Once the registration process is closed, the Admission Board will evaluate the applications to verify that each candidate meets the necessary curricular and linguistic requirements to participate in the assessment of their personal knowledge and skills.

Candidates who fail to register for the admission test according to the procedure and deadlines as stated in [section 4](#) will be ineligible.

- ▶ **I intake:** open to **non-EU citizens residing abroad**;
- ▶ **II intake:** open to **Italian citizens, EU citizens, and non-EU citizens with EU-equivalent status**.

PLEASE NOTE

Candidates are invited to carefully read the following information in order to identify with the correct group and consequently the appropriate intake for registration.

Candidates who apply for the wrong intake will be **excluded from the admission procedure**.

1.A. Non-EU citizens living abroad

Non-EU citizens with residency abroad must follow the procedures set forth by the Italian Ministry of Universities and Research (MUR) Regulations, please refer to this page: universitaly.it/studenti-stranieri.

Specifically, they must:

- ▶ submit a pre-enrollment application for the Degree program they intend to enrol in through [Universitaly](#) and request a student visa from the competent Italian diplomatic representation in due time for the admission test (if they require a visa even for short stays in Italy) or in due time for the completion of enrolment;
- ▶ hold a qualification that allows access to university.

More information on: www.unibo.it/ForeignQualification and www.unibo.it/EnrollingNonUECountry.

Candidates with dual citizenship, including a country in the European Union, must register for the second intake.

- Documents must not be sent by mail and/or email to the administrative offices.

5.A. Candidates who hold a qualification obtained in Italy

Candidates from Italian universities must upload on [Studenti Online](#) according to the procedure stated in [section 5](#) (point 3.b) the **hand-signed** graduation/enrolment self-certification including the list of exams, according to the following instructions:

- a) graduates or students enrolled in the University of Bologna do not need to upload the self-certification, IT system will automatically update the data concerning graduation/enrolment;
- b) graduates or students enrolled in other Italian Universities must upload the hand-signed graduation/enrolment self-certification in pdf format including the list of exams issued by the online services of the previous/current Italian University, **on condition that such self-certifications state the Ministerial class of the first-cycle degree;**
- c) **ONLY** if the online services of the previous/current Italian University do not issue graduation/enrolment self-certifications, graduates or students enrolled at Italian Universities may download the self-certification form, which is available for download in the same web page as this Admission Notice, and: 1)- fill out all fields; 2)- hand-sign the form; 3)- digitalise the hand-signed form; 4)- upload the .pdf copy of the hand-signed form on [Studenti Online](#); **please fill out the form carefully and accurately**, and make sure to include information about the previous/current University and first-cycle degree Ministerial class.

5.B. Candidates who hold an international qualification

Candidates who hold an international qualification must upload on [Studenti Online](#) according to the procedure stated in [section 5](#) (point 3.b) the following documents:

- ◆ **Certificate of exams passed as part of the degree programme:**
 - **stating the full list of exams included in the curriculum, the number of ECTS credits corresponding to each exam, and the total number of years of enrolment**, translated unless issued in English language;
 - if the University does not use the ECTS system, **the certificate must state the exams passed as part of the degree programme, the full list of exams included in the curriculum with the number of hours corresponding to each learning activity, and the total number of years of enrolment**, translated unless issued in English language.

6. REQUEST FOR ADAPTATION

Candidates who wish to apply for adaptation for the oral test must submit their request by the deadline set for each intake for the admission test registration.

Adaption may consist in:

30% extra time if you are diagnosed with Special Learning Disability (SLD); 50% extra time if you have a recognised disability;

The list of adaptation is on the Request for adaption form.

If due to organizational needs and/or binding provisions the adaptation requested cannot be

Via Massarenti 9 – Polo didattico Murri | 40138 Bologna | Italia | e-mail segmed@unibo.it

provided, an alternative arrangement of the same value will be offered.

The procedure to request for adaption is as follow:

- **log onto [Studenti Online](#)** in the section of the 'Ongoing Requests' on the main page.;
 - **download the *Request for Adaptation Form*** and fill it out;
 - **upload the *Request for Adaptation Form* as a .pdf format in the dedicated section;**
 - **upload any relevant disability/SLD certification**, such as:
 - Diagnosis of Special Learning Disability (SLD). The documents must be either no older than three years from the date of issue or be issued after the candidate's 18th birthday.
Due to the COVID-19 outbreak and subsequent reduction of access to healthcare services, applications of candidates with legally certified SLD diagnoses will be accepted even if the enclosed certificates are older than three years or do not comply with the dispositions of the Italian National Healthcare System. Please note that candidates who apply in this condition may be asked to provide updated documents as soon as healthcare services resume
- For further details, please refer to the website page: [Certificazioni richieste](#)
- Certificate attesting Special Educational Needs which affect learning skills issued by health services specialist.
 - Legal certification of recognised disability;
 - Medical documentation, issued by a specialist, attesting the existence of health conditions (physical and/or psychological) that might lead to an inability to study, temporary or otherwise, and that may lead to specific needs during the test.

Documents must be clear and complete with all relevant information to ascertain candidates' specific needs.

(Please note that candidates who hold both a certificate according to Italian Law 104/92 and other medical documentation must submit both).

Candidates with disabilities or with SLDs residing abroad who wish to apply for adaptation must provide a legalised certification of their disability or SLD status as certified by their country of residence and **a sworn translation in Italian or in English**.

The University bodies in charge of assessing certificates will check whether the disability or SLD certified in the submitted documents is recognised under Italian laws.

Please note: health documents attesting the necessity of adaptations must be attached during the online procedure – requests without attachments will not be considered.

The Service for Students with Disabilities and SLDs of the University will check that the submitted documentation is valid and coherent with the adaptation required in the application form. In case of incomplete or illegible documentation, candidates will receive an email to their UNIBO mailbox (name.surname@studio.unibo.it) with a request for additional documents and a deadline to submit them.

Candidates who fail to submit their application according to the stated procedure or fail to submit the required additional documents by the deadline set by the Service for Students with Disabilities

and SLDs will not be granted adaptation.

Adaptation granted to candidates are confirmed by the Student Administration Office.

Please refer to the Service for Students with Disabilities and SLDs of the University of Bologna for any further information about applying for adaptation ases.adattamentiammissione@unibo.it .

7. ENROLLMENT, TRANSFER AND “PASSAGGI”

Candidates admitted to the degree programme will be able to enrol starting from the date stated in the table below:

	I intake	II intake
Enrollment and transfer	from 22 April 2025 to 29 October 2025	from 17 July 2025 to 29 October 2025
Late enrollment and transfer (with fees)	from 30 October 2025 to 20 November 2025	from 30 October 2025 to 20 November 2025
“Passaggi”	from 22 April 2025 to 20 November 2025	from 17 July 2025 to 20 November 2025

7.A. Candidates who enrol (matriculate) for the first time

By the abovementioned deadlines eligible candidates must:

- ▶ **log on** to [Studenti Online](#) entering the username and password obtained when submitting the application;
- ▶ **select “Enrolment”, then select “Second-cycle Degree”,** then the degree programme “Medical Biotechnology”;
- ▶ enter the required data, attaching a jpg file containing a passport-size photo of your face.
In case you made false statements, you will incur in fines set by art. 496 of the Penal Code and you will automatically lose the right to enrol and will not be entitled to any financial aid (when obtained). You will not be refunded of the expenses you sustained;
- ▶ **pay the first instalment or single instalment** following the instructions on the website [Studenti Online](#). Failure to pay will result in the annulment of the enrolment procedure.

Eligible candidates **who have yet to graduate** must obtain their undergraduate degree **by and no later than 31 December 2025**. Candidates who do not meet this requirement will be excluded. Candidates from other Italian Universities must enter the data related to the attainment of the degree on [Studenti Online](#) in the summary of the enrollment application.

If you have SPID or CIE credentials and use them for enrolment, you will have your academic position immediately activated upon payment. If you have an international qualification or an Italian

Responsabile del procedimento: dott.ssa Laura Tarsitano

residence permit, the university must verify the certifications before your academic position is activated, even if you possess SPID or CIE credentials.

If you do not have SPID credentials, in order to have your academic position activated you will have to undergo the identification procedure as stated on [Studenti Online](#) in the summary of the enrollment application.

With the activation of the academic position, you will be able to access services such as online study plans, exam registration, Wi-Fi, and online library resources; you will also be able to perform academic acts (e.g. changing degree programme within the University of Bologna, transferring to another university, withdrawing from studies); an email with instructions about collecting your student badge will be sent to your UNIBO mailbox.

Candidates in the following conditions will have to check on the enrolment procedure stated below:

- ▶ **students with disabilities** certified as equal or more than 66%, or with a handicap condition **complying with Italian law 104/1992** must submit to the Student Administration Office a copy of the certificate stating their conditions in order to receive the proper benefits. Further information is provided on [Exemptions for students with disabilities](#);
- ▶ **students who apply for the recognition of credits obtained in previous academic studies**, after matriculation and by **27 November 2025** must follow the instructions stated on this page www.unibo.it/ShorteningADegreeProgramme;
- ▶ **Non-EU citizens with EU-equivalent status with Italian qualification** must submit a copy of their residence permit which confirms the EU-equivalent status to the Student Administration Office (segmed@unibo.it);
- ▶ **Non-EU citizens with EU-equivalent status with international qualifications** must refer to information on www.unibo.it/Enrollingfromnon-EUcountry, log onto [Studenti Online](#), click on "Call for applications" and then "Matriculation for the 25_26 academic year - document upload for international students with foreign qualifications" and submit, in addition to the qualifications, a copy of their residence permit which confirms the EU-equivalent status. Please note: Pay close attention to the meaning of "**Non-EU citizens with EU-equivalent status**" on the page [Who are international students](#) and what kinds of residence permits confirm the EU-equivalent status. Participating to the selection procedure as non-EU citizens with EU-equivalent status without the permit which confirms the EU-equivalent status will not let you complete the enrolment even if you have been admitted and paid the first instalment;
- ▶ **non-EU citizens living abroad** must refer to information on www.unibo.it/Enrollingfromnon-EUcountry, log onto [Studenti Online](#), click on "Call for applications" and then "Matriculation for the 25_26 academic year - document upload for international students with foreign qualifications" and submit: a copy of the residence permit or, if it has not been issued yet, a copy of the application receipt (which will be used for the enrolment with reservation).

Please note: Admission and validation of pre-enrollment, with or without reservation, by the University do not grant any right to the completion of enrollment, even in the case of obtaining an entry visa, physical presence in the national territory, eligibility, and/or actual scholarships or any type of financial aid. For enrollment purposes, it will be necessary to verify the actual eligibility of the foreign qualification and the authenticity of the submitted documentation. The formal verification of the academic qualification will be carried out by the International Students Office in Bologna or at the respective Campus after payment of the first enrollment installment and submission of all required original documents;

▶ **students with foreign qualifications** must refer to information on www.unibo.it/Enrollingfromnon-EUcountry, log onto [Studenti Online](#), click on "Call for applications" and then "Matriculation for the 25_26 academic year - document upload for international students with foreign qualifications" and submit all documents related to academic qualifications by 28 February 2025.

7.B. Candidates enrolled in other universities who wish to transfer to the University of Bologna (TRASFERIMENTO)

By the set deadlines, candidates from other universities must:

- ▶ apply for transfer at the University where they are currently enrolled;
- ▶ register by following the instructions in point A, stating the university and degree programme of origin;
- ▶ pay the first installment of the annual tuition fee.

Candidates must pay, in addition to the first installment of the annual tuition fee for the new academic year, the specific transfer fee, the amount of which is published on the page [Transferring to the University of Bologna](#), which will be requested by the student administration office upon receipt of the documentation sent by the university they are currently enrolled.

7.C. Candidates who are currently enrolled at the University of Bologna on degree programmes other than Medical Biotechnology (PASSAGGI)

Candidates who are currently enrolled at the University of Bologna on degree programmes other than Medical Biotechnology **by the set deadlines** must:

- ▶ **pay** the first instalment of the tuition fee for the new academic year for the Degree programme on which they are currently enrolled, and check that all payments of previous academic years are in order;
- ▶ **Fill in** the online internal transfer application on [Studenti Online](#);

in particular, they must:

- ▶ **Click on 'Passaggio di corso'** and fill in the required information;
- ▶ **Pay the internal transfer fee.**

7.D. Common provisions for enrollments, course transfers, and transfers

Candidates coming from degree programmes of a different class than the enrollment degree programme or from foreign universities must, upon enrollment

- ▶ upload the official syllabi of the exams taken if they choose the [Recognition of credits](#);
- ▶ if in the process of the transfer, send them via email to the student administration office.

If they fail to do so, previous exams will not be considered and the candidate will be admitted to the first year without any recognition. Furthermore, **credit recognition is possible only for learning activities carried out in English language.**

7.E. TUITION FEES AND BENEFITS

The enrolment fees, net of the first instalment, for the 2025/2026 academic year and information on benefits and exemptions will be published on the University website on the page www.unibo.it/Fees.

Remember that your contribution will be calculated on a progressive scale based on a valid ISEE certificate only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/Fees. If you do not submit an ISEE, you will have to pay the full tuition fees relevant to your degree programme.

Information on other benefits can be found on the University website on the page www.unibo.it/it/University_services. If you are interested in benefits related to the right to higher education, you can consult the relative call published by the Regional Authority for the Right to Higher Education on the website www.er-go.it.
