4.4.c. Candidates who have taken exams in three or less fields

4.4.d. Adaptations for the oral exam for Students with Disabilities or Specific Learning Disorders (SLD)

If you have a disability or a Specific Learning Disorder (SLD) and wish to request adaptations for the admission test, you must submit your request by the intake registration deadline. Use the form available on Studenti Online (www.studenti.unibo.it).

Possible adaptations:

- ▶ Extra time: 30% additional time for candidates with SLD, other developmental disorders, or specific medical conditions; 50% additional time for candidates with certified disability and/or impairments under Law 104/92.

If logistical or regulatory constraints make it impossible to provide the requested adaptations, an equivalent compensatory measure will be arranged.

Procedure to request adaptations:

- ▶ Log in to Studenti Online (www.studenti.unibo.it) and navigate to the "Requests in Progress" section.
- ▶ Download and complete the Adaptation Request Form for students with disabilities.
- ▶ Upload the completed form (in PDF format) in the designated section.
- ▶ Upload the required supporting documentation, outlined below

 **Important:**

Before finalizing your registration for the test, make sure that you have uploaded both the adaptations request form and the necessary medical documentation.

Required **Documentation:**

- ▶ **Diagnosis of specific learning disabilities (DSA) pursuant to Law 170/2010**, issued by the National Health Service, an accredited private centre, or a private specialist accompanied by a conformity statement issued by the National Health Service. The document must be issued within the last three years or after the student turns 18.
Considering the emergency situation that led to a reduction in the activities of the National Health Service (SSN) clinics, diagnoses of Specific Learning Disorders (SLD) under Law No. 170/2010 will be accepted for adaptations requests for admission tests, even if issued more than three years prior. The Service reserves the right to request an updated diagnosis after enrolment or at least written proof that you are waiting for a renewal. For further details, please refer to the page on the website (in Italian): <https://site.unibo.it/studenti-con-disabilita-e-dsa/it/per-studenti/certificazioni-richieste>.
- ▶ **Specialist documentation issued by the National Health Service (SSN)**, certifying another type of specific developmental disorder that impacts learning.
- ▶ **Certificate of handicap pursuant to Law 104/92.**
- ▶ **Certificate of legal disability.**
- ▶ **Specialist medical documentation, drawn up by a medical specialist**, confirming conditions that may temporarily or permanently **affect your ability** to study or take the test.

Documentation must be clear and include all relevant details about your specific needs.

 **Important!**

If you have both a Law 104/92 certification and other medical documentation, it is important that you submit both.

The University's Service for Students with Disabilities and SLD will evaluate the consistency of your request with the submitted documentation.

Results will be communicated by the Student Administration Office to your institutional email address (name.surname@studio.unibo.it). Please, check your email regularly. In case of incomplete or unclear documentation, you may be asked via email to provide additional materials within a specified timeframe.

If you do not submit your request or provide the required supplemental documents within the indicated deadlines, adaptations cannot be granted.

Students with disabilities or SLD residing abroad who intend to request adaptations must submit legalized certifications (or with an Apostille where applicable) issued in their country of residence, confirming their disability or SLD, accompanied by an official translation into Italian or English.

The certifications are reviewed by the competent authorities to verify that the documentation confirms a disability, or a specific learning disorder as recognized by Italian law.

For further information about certifications and adaptations requests, contact the **Service for Students with Disabilities and SLD** at ases.adattamentiammissione@unibo.it.

For technical difficulties regarding the adaptation request procedure, contact the Studenti Online Help Desk (see IT information).

4. After you have made your matriculation payment, check under **Registration** on Studenti Online (www.studenti.unibo.it) what you need to do for the purposes of **identification** and **career activation**.

7.1.a. University identification and career activation

Identification

- **If you submitted your application by logging in with SPID or CIE:** after making the payment, your identity will be automatically validated.
- **If you have submitted your application by logging in with your username and password:** complete the identification procedure specified under Enrolment on Studenti Online (www.studenti.unibo.it).

Career activation

Activating your career enables you to take part in all the activities you will carry out as a student (e.g. submitting your study plan, booking exams, carrying out any other procedures related to your career, accessing the Wi-Fi network and online library resources, and using the MyUnibo app).

After identification, career activation will take place automatically, unless you fall into one of the following cases.

- ▶ **If you have not yet graduated at the time of matriculation,** you must obtain your degree by **31 December 2026 at the latest**. Otherwise, your matriculation will be cancelled.
If you are graduating from the University of Bologna, the system will automatically update your position once you have obtained your degree.
If you are graduating from another university, after matriculating please check on Studenti Online (www.studenti.unibo.it) for any further steps required.

- ▶  If you are a **non-EU citizen with EU equivalent status**, in order to activate your career you must submit a copy of your valid residence permit which grants EU equivalent status to the [Student Administration Office](#) responsible for your degree programme.

Warning! Remember that, if you are a non-EU citizen, hold a student residence permit and formally withdraw from studies at this or another university, you **lose the requirements for residency in Italy**, and therefore your residence permit will be revoked and **you will lose your EU-equivalent status**.

- ▶ **If you have a foreign qualification,** check the [documentation required](#) for matriculation purposes. The documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#). You must upload the documents related to foreign qualifications in the Studenti Online application (www.studenti.unibo.it) by clicking in the section "Call" and then "Matriculation for A.Y. 26_27 - document upload for international students with foreign qualifications".

When you arrive at the University of Bologna, you must make an appointment with the [International Student Administration Office in Bologna or on your campus](#) in order to show the original copies of your documentation.

- ▶ **If you are a non-EU citizen with EU equivalent status and have obtained your qualification abroad:** check the [documentation required](#) to enrol.

Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the “Calls” section of Studenti Online (www.studenti.unibo.it), select “Matriculation A.Y. 26_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your valid residence permit which grants EU-equivalent status. Moreover, make an appointment with the [International Student Administration Office in Bologna or on your campus](#) in order to show the original copies of your documentation. **Warning!** Check very carefully, at www.unibo.it/whoareinternationalstudents what is meant by 'non-EU students with equivalent status' and what types of residence permits allow for equivalence. Lack of EU equivalent status will prevent you from matriculating, even if you have been admitted and have paid the first instalment.

▶ ***If you are a non-EU citizen, are resident abroad and have obtained your qualification abroad:*** see details at www.unibo.it/EnrollingSecondCycleDegreeProgrammesNonEU. Check the [foreign qualification documentation required to matriculate](#). Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the “Calls” section of Studenti Online (www.studenti.unibo.it), select “Matriculation A.Y. 26_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your entry visa for study purposes. When you arrive in Italy, make an appointment with the [International Student Administration Office in Bologna or on your campus](#) in order to show the original copies of your documentation.

Warning! If you hold a foreign qualification, admission to the programme and, where applicable, any subsequent conditional or unconditional validation of your pre-enrolment by the University do not automatically grant you the right to complete your matriculation or activate your student career. This applies even if you have obtained an entry visa, are physically present in Italy, or are eligible for, or receiving, scholarships or other grants. To complete your matriculation, it is necessary to verify the eligibility of your foreign qualification, the authenticity of the documentation you submitted, and that you hold the EU-equivalent status you declared during admission. These checks are carried out by the [International Student Administration Office in Bologna or on your campus](#) only after you have paid the first instalment of matriculation and submitted the original copies of all the required documentation.

Career activation must take place by **26 February 2027**; otherwise, your matriculation will be cancelled.

Once your career is active, you will be sent an email with a QR code allowing you to print your badge.

7.1.b. Shortening a degree programme (for those with previous university careers)

If you want to apply for recognition of previous academic careers, check how you can do this and the applicable deadlines at www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits.

7.2 Programme transfers, university transfers and simultaneous enrolment

If you want to change degree programme within the University of Bologna (Programme transfer), check how you can do this at www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme.

If you matriculate and request to be transferred from another Italian university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/transferring-to-the-university-of-bologna).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/simultaneous-enrolment-in-different-programmes).

If, on the other hand, you register for one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- if both programmes are at the University of Bologna: apply for a programme transfer;
- if the first programme is at another Italian university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

Please note!

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally withdraw from your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked**. In this case, you must return to your country of origin and initiate the pre-enrolment procedures through Universitaly at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website www.universitaly.it/studenti-stranieri.

8. FEES AND BENEFITS

8.1 University fees

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at www.unibo.it/tuitionfees.

The fee to be paid to enrol for a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/tuitionfees. If you do not submit an ISEE certificate, you will have to pay the full tuition fees relevant to your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

Please note!

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/ISEE-and-other-documentation-for-tuition-fee-exemptions.

Please note!

Submitting financial documentation for tuition fee exemptions, following the instructions on www.unibo.it/tuitionfees, is very simple and worthwhile even if you have not yet decided whether to enrol in a programme at this university. Remember that if you do not submit the documentation by the deadline, you will not be eligible for any subsidies. The deadline is peremptory and no exceptions are ever allowed.

8.2 Right-to-higher-education grants provided by ER.GO

Regional Authority for the Right to Higher Education – ER.GO publishes **calls** for scholarships, places in university residences, catering and other benefits on its website (www.er-go.it) every year.

The application for ER.GO grants is independent of the degree programme application and enrolment procedures.

Please note!

You must submit your application for an ER.GO grant via the authority's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are ever allowed.

8.3 Important information for those who already have an active university career

If you already have an active university career, before transferring from another Italian university or changing programme, if you are already enrolled in a programme at the University of Bologna, carefully consult the **merit requirements for access to grants** set out in the call published on

www.er-go.it because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

Please note!

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment at university (even if for another University, University Institute or Degree Programme, even abroad), regardless of the year of the programme to which you are admitted following the recognition of your credits, and only those that are recognised on the programme you are enrolled in are considered valid.

8.4 Right-to-higher-education grants provided by the University

Information on the University's grants can be found on the University Portal under www.unibo.it/studygrants.

For each grant, please carefully read the instructions on how and when to apply. Remember that deadlines are always peremptory and no exceptions are ever allowed.
