

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

**NOTICE TO CANDIDATES “HOW TO ACCESS THE TEST VENUE – MEDICAL COURSES”
ADMISSION TEST MEDICINE AND SURGERY – IMAT 17 OCTOBER 2023**

The admission test to Medicine and Surgery – IMAT will take place on 17 October 2023 to Quartiere Fieristico di Bologna - Piazza della Costituzione - Area Biglietterie Ingresso Bologna Fiere.

All logistical information and procedure for access the test venue are published on the web site:

<https://www.bolognafiere.it/sedi/bolognafiere/>; <https://www.bolognafiere.it/come-arrivare/>.

Candidates are invited to be there at 09:00.

It is recommended to be punctual.

Candidates must present themselves with all the following documents:

- original valid identity document (identity card or passport or driving license) used to register on University – Accesso Programmato (if this document has been lost, it is possible to show up with another of the aforementioned documents);
- health card or tax code card in order to facilitate identification procedures with an optical bar code reader;

and observe the following rules of conduct:

- it is not permitted for any accompanying person to enter or for accompanying persons to stop in front of the test venue;
- it is allowed to introduce only a snack and 500 ml bottle of water;
- avoid any form of gathering;
- take a seat where indicated by the commission;
- always respect the instructions given by the commission and represented in the signs;

Please notice that there is no cloakroom service: candidates will be given a bag in which they will have to put any personal effects (including smartphones or mobile phones duly turned off), to be stored according to the instructions of the commission and which must be kept closed until the exit from the test venue.

The subdivision of candidates in the sectors and any further updates will always be published on the same web page on 16 October 2023 from 11:00.

For all other requirements, please refer to the Call for application.

Bologna, 10 October 2023
