Check which case you fall into at [www.unibo.it/whoareinternationalstudents](http://www.unibo.it/whoareinternationalstudents)

Should you have any questions, please contact the **International Desk**:

[www.unibo.it/contactsforinternationalstudents](http://www.unibo.it/contactsforinternationalstudents).

## 4. PROGRAMME ADMISSION REQUIREMENTS

In order to be admitted to the Second Cycle Degree Programme in “Low Carbon Technologies and Sustainable Chemistry”, you must possess:

1. the required academic qualification (Section 4.1);
2. specific curricular requirements (Section 4.2);
3. specific language requirements (Section 4.3);

4. adequate personal competencies and skills, verified according to the criteria specified by the programme (Section 4.4).

#### 4.1 Qualifications

- ▶ First cycle academic qualification: three-year university diploma or degree or

- ▶  Qualification obtained abroad recognised as suitable under Italian law, current international agreements and the rules laid down in the MUR Circular "Procedures for entry, residency and enrolment of international students and the respective recognition of qualifications for higher education courses in Italy" for A.Y. 2026/2027, published on [www.universitaly.it/studenti-stranieri](http://www.universitaly.it/studenti-stranieri). The qualification must give access to a degree programme similar to that for which the candidate applies in Italy in the universities of the country of issuance. More detailed information is available at [www.unibo.it/ForeignQualificationSecondCycleEnrolments](http://www.unibo.it/ForeignQualificationSecondCycleEnrolments)

You can apply, and possibly register for the programme, even if you have not yet obtained your first cycle degree (see Section 3.2).

##### 4.1.a. What happens if you do not have the necessary qualification

If you do not have the necessary academic qualification and do not fall under the cases dealt with in Section 3.2 - 'Information for graduating students', you will not be able to register for the programme.

#### 4.2 Curricular requirements

Admission is granted to Applicants who satisfy curriculum requirements and whose personal preparation is deemed suitable. Applicants' personal preparation is assessed considering their academic records and the documents they provide. Such assessment ("admitted" / "not admitted") depends on the Admission Board's irrevocable decision.

For those graduating outside the European Higher Education Area (EHEA) who do not have the ECTS credits system in their career, the Admission Board will determine whether the

number and the academic scientific contents of the exams they passed is sufficient to be evaluated.

Graduating students will be allowed to apply and enroll under condition of receiving their bachelor degree (first cycle degree) by a certain deadline, that will be set by the Academic bodies and will be indicated later in the degree website Home > Admission > Programme enrolment: requirements, deadlines and methods <https://corsi.unibo.it/2cycle/LowCarbonTechnologiesChemistry/how-to-enrol>.

#### 4.2.a. What happens if you do not meet the curricular requirements

If you do not meet all the curricular requirements indicated, you will not be able to register for the programme.

### 4.3 Language requirements

English language skills are required to **at least CEFR level B2**.

#### 4.3.a. How to fulfil the language

The English language requirement is fulfilled during the **application phase**, either through:

- ▶ Submission of a suitable certificate. The list of recognised certificates is published on the page <https://centri.unibo.it/cla/it/riconoscimento-idoneita-linguistica> of the University of Bologna's Language Centre
- ▶ **Transcript of records demonstrating a CEFR English B2 exam passed during the first/second cycle programme:** valid only if the level of proficiency is clearly stated in the course title (*ex: English B2/ Idoneità linguistica di lingua inglese B2, etc.*);
- ▶ **Status of English native speaker;**
- ▶ **CEFR English B2 certification provided by any Italian University Language Center (CLA) or any other recognized certifying body** (valid only if the certificate states the exact name of the body/school/institute issuing the certificate, level obtained and exam date);
- ▶ **Sit an online Oxford English proficiency test provided by UNIBO CLA and get a result no lower than CEFR English B2.** The test can be sat **ONCE ONLY** in one of the set dates. In order to book a test, please send an email to [scienzevile.international@unibo.it](mailto:scienzevile.international@unibo.it),

specifying the chosen date, before the related deadline. For further details on test mode, dates and deadlines, please read carefully all the information reported in the files available in the side-box.

**The use of English language as the medium of instruction in previous degree programs attained by the candidate does not satisfy the English language requirements for admission to the programme.**

#### **4.4 Adequate personal competencies and skills**

Admission to the Second Cycle Degree Programme is in any case subject not only to possession of the curricular requirements indicated above, but also to verification of adequate personal competencies and skills, carried out as indicated below.

##### **4.4.a. How the adequacy of personal competencies and skills is verified**

A special Committee will examine the documentation submitted in the application phase. The Admission Board may decide to carry out additional interviews, on an individual basis, by contacting candidates directly.

##### **4.4.b. What happens if you fail the verification of your personal competencies and skills**

If your personal competencies and skills are deemed unsuitable, you will not be able to register for the programme.

Those who participate in an intake and are not admitted to the programme **cannot** participate in subsequent intakes.

1. **Log on to Studenti Online** ([www.studenti.unibo.it](http://www.studenti.unibo.it))

If you are accessing for the first time, choose '**Register**' and log in with SPID or CIE. The system will automatically retrieve your personal details and create your University credentials (name.surname@studio.unibo.it).

*If you reside abroad and do not have an identity document issued in Italy you may log on with the University username and password, which can be obtained by going to Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) and clicking on “**Register**” and then “**International student registration**”.*

2. Click on "**Admission application**", select "Second Cycle Degree Programme" and select the “Low Carbon Technologies and Sustainable Chemistry” programme.

3. **Upload the following documents in PDF and/or the required information:**

▶ **Compulsory documents:**

▶ **pre-enrol on University** and request an **entry visa** for study purposes.

## 6. VERIFICATION OF APPLICATIONS AND PUBLICATION OF THE RESULTS

### 6.1 Evaluation committee

A committee will check the candidates' personal competencies and skills and that they meet the requirements for admission.

The committee is made up of professors Letizia Sambri, Artur Nenov, Francesco Maluta and Silvia Bordoni.

### 6.2 Results of the checks

The results of your application will be published on Students Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) and, only for admitted candidates, sent to your institutional email address ([name.surname@studio.unibo.it](mailto:name.surname@studio.unibo.it)), as from the date indicated for each intake in the Schedule of Procedures (Section 2).

The results will be either:

- ▶ **“Admitted”**: in this case you can register for the programme;
- ▶ **“Not admitted”**: you do not meet the admission requirements and therefore cannot enrol in the programme/ cannot take the required test. You may/ may not be eligible to participate in any subsequent intakes, depending on the specific instructions provided.

If the status of your application is “Application submitted”, it means that your application has been successfully received by the system. If it includes all the required documentation, it will be evaluated by the relevant Degree Programme Committee. The outcome will be communicated according to the deadlines set out in in **Section 2** for each intake. If your application is currently incomplete (e.g., you still need to earn certain academic credits but will do so shortly), you may upload the missing documents as soon as they become available but in any case no later than the deadline of the intake you are applying for.

## 7. MATRICULATION, PROGRAMME TRANSFER, UNIVERSITY TRANSFER

### 7.1 Matriculation

If you receive confirmation of admission, you can register as from the date indicated in the Schedule of Procedures (Section 2), following the steps below.

3. **Pay the first instalment of your tuition fees** via the PagoPA platform, as indicated on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)).
4. After you have made your matriculation payment, check under **Registration** on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) what you need to do for the purposes of **identification** and **career activation**.

#### 7.1.a. University identification and career activation

##### *Identification*

- ***If you submitted your application by logging in with SPID or CIE:*** after making the payment, your identity will be automatically validated.
- ***If you have submitted your application by logging in with your username and password:*** complete the identification procedure specified under Enrolment on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)).

### *Career activation*

Activating your career enables you to take part in all the activities you will carry out as a student (e.g. submitting your study plan, booking exams, carrying out any other procedures related to your career, accessing the Wi-Fi network and online library resources, and using the MyUnibo app).

After identification, career activation will take place automatically, unless you fall into one of the following cases.

- ▶ ***If you have not yet graduated at the time of matriculation,*** you must obtain your degree **by 31 December 2026 at the latest**. Otherwise, your matriculation will be cancelled.

If you are graduating from the University of Bologna, the system will automatically update your position once you have obtained your degree.

If you are graduating from another university, after matriculating please check on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) for any further steps required.

- ▶  If you are a ***non-EU citizen with EU equivalent status***, in order to activate your career you must submit a copy of your valid residence permit which grants EU equivalent status to the [Student Administration Office](#) responsible for your degree programme. **Warning!** Remember that, if you are a non-EU citizen, hold a student residence permit and formally withdraw from studies at this or another university, you **lose the requirements for residency in Italy**, and therefore your residence permit will be revoked and **you will lose your EU-equivalent status**.
- ▶ ***If you have a foreign qualification,*** check the [documentation required](#) for matriculation purposes.

The documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

You must upload the documents related to foreign qualifications in the Studenti Online application ([www.studenti.unibo.it](http://www.studenti.unibo.it)) by clicking in the section “Call” and then “Matriculation for A.Y. 26\_27 - document upload for international students with foreign qualifications”.

When you arrive at the University of Bologna, you must make an appointment with the [International Student Administration Office in Bologna or on your campus](#) in order to show the original copies of your documentation.

▶ ***If you are a non-EU citizen with EU equivalent status and have obtained your qualification abroad:*** check the [documentation required](#) to enrol.

Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the “Calls” section of Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), select “Matriculation A.Y. 26\_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your valid residence permit which grants EU-equivalent status. Moreover, make an appointment with the [International Student Administration Office in Bologna or on your campus](#) in order to show the original copies of your documentation. **Warning!** Check very carefully, at [www.unibo.it/whoareinternationalstudents](http://www.unibo.it/whoareinternationalstudents) what is meant by 'non-EU students with equivalent status' and what types of residence permits allow for equivalence. Lack of EU equivalent status will prevent you from matriculating, even if you have been admitted and have paid the first instalment.

▶ ***If you are a non-EU citizen, are resident abroad and have obtained your qualification abroad:*** see details at [www.unibo.it/EnrollingSecondCycleDegreeProgrammesNonEU](http://www.unibo.it/EnrollingSecondCycleDegreeProgrammesNonEU). Check the [foreign qualification documentation required to matriculate](#). Remember that the documentation submitted in your application for admission (e.g. degree, transcript,

etc.) must be translated and its authenticity and value must be verified, where required.

In the “Calls” section of Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), select “Matriculation A.Y. 26\_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your entry visa for study purposes. When you arrive in Italy, make an appointment with the International Student Administration Office in Bologna or on your campus in order to show the original copies of your documentation.

**Warning!** If you hold a foreign qualification, admission to the programme and, where applicable, any subsequent conditional or unconditional validation of your pre-enrolment by the University do not automatically grant you the right to complete your matriculation or activate your student career. This applies even if you have obtained an entry visa, are physically present in Italy, or are eligible for, or receiving, scholarships or other grants.

To complete your matriculation, it is necessary to verify the eligibility of your foreign qualification, the authenticity of the documentation you submitted, and that you hold the EU-equivalent status you declared during admission. These checks are carried out by the International Student Administration Office in Bologna or on your campus only after you have paid the first instalment of matriculation and submitted the original copies of all the required documentation.

Career activation must take place by **26<sup>th</sup> February 2027**; otherwise, your matriculation will be cancelled.

Once your career is active, you will be sent an email with a QR code allowing you to print your badge.

#### **7.1.b. Shortening a degree programme (for those with previous university careers)**

**If you want to apply for recognition of previous academic careers**, check how you can do this and the applicable deadlines at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits).

## 7.2 Programme transfers, university transfers and simultaneous enrolment

If you want to change degree programme within the University of Bologna (Programme transfer), check how you can do this at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme).

If you matriculate and request to be transferred from another Italian university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme).

If, on the other hand, you register for one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- if both programmes are at the University of Bologna: apply for a programme transfer;
- if the first programme is at another Italian university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

### **Please note!**

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally withdraw from your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked.**

In this case, you must return to your country of origin and initiate the pre-enrolment procedures through University at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website [www.universitaly.it/studenti-stranieri](http://www.universitaly.it/studenti-stranieri).

## 8. FEES AND BENEFITS

### 8.1 University fees

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees).

The fee to be paid to enrol for a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees). If you do not submit an ISEE certificate, you will have to pay the full tuition fees relevant to your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

#### **Please note!**

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/ISEE-and-other-documentation-for-tuition-fee-exemptions](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/ISEE-and-other-documentation-for-tuition-fee-exemptions).

#### **Please note!**

Submitting financial documentation for tuition fee exemptions, following the instructions on [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees), is very simple and worthwhile even if you have not yet decided whether to enrol in a programme at this university. Remember that if you do not submit the documentation by the deadline, you will not be eligible for any subsidies. The deadline is peremptory and no exceptions are ever allowed.

## **8.2 Right-to-higher-education grants provided by ER.GO**

**Regional Authority for the Right to Higher Education – ER.GO** publishes calls for scholarships, places in university residences, catering and other benefits on its website ([www.er-go.it](http://www.er-go.it)) every year.

**The application for ER.GO grants is independent of the degree programme application and enrolment procedures.**

**⚠ Please note!**

You must submit your application for an ER.GO grant via the authority's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are ever allowed.

### **8.3 Important information for those who already have an active university career**

If you already have an active university career, before transferring from another Italian university or changing programme, if you are already enrolled in a programme at the University of Bologna, carefully consult the **merit requirements for access to grants** set out in the call published on [www.er-go.it](http://www.er-go.it) because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

**⚠ Please note!**

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment at university (even if for another University, University Institute or Degree Programme, even abroad), regardless of the year of the programme to which you are admitted following the recognition of your credits, and only those that are recognised on the programme you are enrolled in are considered valid.

### **8.4 Right-to-higher-education grants provided by the University**

Information on the University's grants can be found on the University Portal under [www.unibo.it/studygrants](http://www.unibo.it/studygrants).

For each grant, please carefully read the instructions on how and when to apply. Remember that deadlines are always peremptory and no exceptions are ever allowed.
