Technical requirements/1

The *Oxford Placement Test* is a computer adaptive online test, which means that the test adjusts the difficulty of questions based on the student's responses. Answers are automatically marked after each task, giving you an instant result once the test is complete.

Detailed information on the test format and scoring scale is available in the PDF guidelines attached on the programme "Admission" webpage

Technical requirements/2

You need an internet connection

You need a laptop or desktop PC

You need a pair of headphones

You need a webcam

You need a University of Bologna digital account

You need to install Zoom software on your PC

Technical requirements/3

- Your computer must meet the minimum system requirements. To check these, click here: [system requirements](#). Then, click on “automatic system check”.
- Install Zoom on your computer: <https://zoom.us/> In case Zoom is filtered in your country, we suggest considering the use of a VPN
- If you don't have an Unibo digital account yet, please register to get one: <https://studenti.unibo.it/sol/welcome.htm?siteLanguage=en>
