MOBILITY FOR THESIS

- Vassar College
- Universidad Nacional de Córdoba
- Universidad Nacional del Litoral

ITALIAN LANGUAGE ASSISTANT

- Vassar College
- Wellesley College
- Wesleyan University
- Dickinson College
- Universidad Nacional de Córdoba.

Overseas 2024/25

- Submit **a study project with an indication of the courses to be followed at each location** and **possible correspondences with the courses provided in your actual degree didactic plan** or the **didactic plan of the study course to which you will be enrolled at the time of the exchange**
- The student enrolled in a 3-year Bachelor Degree can apply with a project that refers to his current study plan or with a project related to the Master Degree in which he intends to enroll in the academic year 2024/2025.
- In this second case, the student will apply for a “future career” specifying the Master Degree course of his choice.

EVALUATION PROCESS: takes into account various aspects including:

- **compatibility** of the student's profile and his/her study project with the educational offer, specificities or limitations indicated by the partner institution;
- **congruity** of the project and of the training activities identified at the partner site with the training objectives of the UNIBO course of study;
- **added value** represented by the study experience that the candidate could acquire in a specific location with respect to their field of study

Overseas 2024/25

Deadlines and Mobility Periods

- **11 OCTOBER - 14 NOVEMBER 2023:** APPLICATION
- **Evaluations will be completed by 28/12/2023**
- **8 JANUARY 2024:** PUBLICATION OF THE RANKINGS
- **8 – 9 JANUARY 2024:** FIRST ACCEPTANCE

- **FROM JANUARY 2025:** START OF MOBILITY OF SECOND SEMESTER

THE PROGRAM CLOSSES IN JULY/AUGUST OF 2025

Overseas 2024/25: tips for the application

- **Motivation / project letter SPECIFIC for each location** (NO COPY AND PASTE!) with specific non-generic study motivations (you don't go ONLY to learn a language, to see new places, to get out of your comfort zone, to live far from Italy, to meet students from all over the world...)
- **Explain well what you want to do:** exams, theses and why exactly in that place? **What is the ADDED VALUE compared to UNIBO?**
- **If for exams:** which exams, in which semester (pay attention to the dates !!) ?? To replace which ones of your own course of study? **Before choosing the exams, compare the programs !!** And if necessary, contact the UNIBO professor who must approve the exam on your return. **Make a correspondence table for exams and CFUs for each location and insert it in the application**
- **If also for thesis (check locations):** search on the website of the hosting institution, make contact with the responsible professors of the Lab or research lines. Explain well in the project/motivation letter what your interests are and why the chosen venue is preferable. **Be as specific as possible, not generic. Upon return (may be better before leaving), an internal tutor at UNIBO for the thesis presentation must be sought.**

Field Work 2023/24 - International Student Mobility in Development Cooperation

Call NOW OPEN, Deadline: 1 December 2023, 1:00 p.m. The programme offers the possibility of spending a period with **NGOs (non-governmental organisations) or other entities active in development cooperation**, carrying out activities "in the field" **in third countries** where such NGOs or other entities operate.

WHAT CAN YOU DO? **Research activities for internship or thesis abroad** in the context of cooperation/local development projects coordinated by NGOs/hosting bodies or activities that refer to the field operations of an NGO/hosting body.

<https://www.unibo.it/en/international/Studying-abroad/field-work-call-for-applications-2023-24/field-work-call-for-applications-2023-24>

Next information meeting will be held on Thursday 09/11/2023 at 11.00 am by ZOOM (see call and annexes)

Publication of final rankings: 24/01/2024, acceptance not later than 26/01/2024

Mobilities can be carried out starting from 18/03/2024 and until 31/03/2025

Field Work 2023/24 - International Student Mobility in Development Cooperation

TYPE OF POSITIONS:

- 11 places on predefined positions made available by some NGOs associated with the **COONGER Network** (the Coordination of NGOs in the Emilia Romagna region) with which the University has signed a Collaboration Protocol
- 3 places on non-predefined positions, i.e. places for which the student proposes a host institution and a mobility project agreed in advance with the institution

If you apply for a predefined position at a **COONGER member**, please note that during the period from **28 December 2023 to 9 January 2024** you will receive an email notifying you of your admission or non-admission to the **compulsory interview**. Interviews for predefined positions will take place from 11 January 2024.

ACADEMIC MOBILITY REFERENT:

both for predefined and non-predefined positions, **students are required to have a document signed by the "academic mobility contact"** (thesis supervisor or study course coordinator or his/her delegate) [confirming the compatibility of the application with the student's academic career.](#)

Tips for the application (1)

- **Motivation / project letter dedicated to each location** (NO COPY AND PASTE!) with specific non-generic study motivations (you don't go ONLY to learn a language, to see new places, to live far from Italy, to meet students from all over the world...)
- **Explain well what you want to do:** exams, internship, thesis?
- **If for exams:** which exams, in which semester (pay attention to the dates !!) ?? To replace which ones of your own course of study? **Before choosing the exams, compare the programs !!** And if necessary, contact the UNIBO professors who must approve the exams on your return.
- **Make a draft of the Learning Agreement** (small table of exams and CFU correspondence) and insert it in the application

Tips for the application (2)

- **If also (or only) for internship and/or thesis**: search on the website of the hosting institution, make contact with the responsible professors of the Lab or research lines. **Explain well in the project/motivation letter what your interests are and why the chosen venue is preferable. Be as specific as possible, not generic.** Upon return, an internal tutor at UNIBO for the thesis presentation must be sought.
- **If you can, choose also activities that are not offered by your UNIBO degree: e.g. different or complementary laboratory / practical / excursion activities, courses. You can have them recognized as free choice credits (ask the coordinator of the your Degree Course)**
- Once the exchange has started, you can CHANGE the Learning Agreement up to 3 times !! **So if you find some activity you like more, CHANGE.**
