DEGREE PROGRAMME __________________________________________

DEADLINES for the request: from October 14 to November 15, 2019 - from February 10 to March 6, 2020

PLEASE NOTE: with the variation of the study plan, the student can graduate just from the first graduation date of the a.y. 2019/2020, that is June 2020

The offline form (paper form) can be presented just one time each period and it can not be modified.

INSTRUCTIONS – Compulsory exams can not be modified.

Exams are structured in **Tipologia (type of activity):**
- A can not be modified.
- B- C – E - F can be modified just with other exams within the same group (tipologia),
- D can be modified adding course from other Degree Programmes, even not belonging to the Engineering-Architecture School: in this case, variations will undergo evaluation by a specific Examination Board.

Variation of the curriculum within the degree programme is subjected to the approval by a specific Examination Board.
