---	--------------------

## 1. REQUIREMENTS AND GENERAL INFORMATION

In order to be admitted to the degree programme, you have to participate in one of the selection procedures (intakes).

There are **two intakes** and **one possible extraordinary one** – for each one, you have to meet the deadlines indicated in the [General Calendar](#).

In order to participate, you have to fulfil the admission requirements indicated in the paragraph 1.1 “Admission requirements”.

### 1.1. Admission requirements

You can be admitted to the selection procedure (and you will be able to enrol in the degree programme) if:

- You hold at least one of the following **qualifications**:
  - 5-year high-school diploma awarded by institutions of upper secondary education (including high-school diplomas awarded by educational institutions and artistic high-schools with an additional annual supplementary programme) or a pilot 4-year high-school diploma issued by an institute admitted to the 4-year secondary high school trial. You can apply for the degree programme even if you have not obtained your upper secondary school diploma yet, but you have to obtain it by the deadline of **31<sup>st</sup> December 2025**, otherwise your enrolment will be cancelled.
  - 4-year high-school diploma awarded by institutions of upper secondary education where the additional supplementary year is not active. In this case, you have to fulfil a specific additional learning activity at the University of Bologna by **March 31<sup>st</sup>, 2027**. If you fail, you will be enrolled in the 1<sup>st</sup> year again also for the following academic year as repeating student;
  - Qualifications obtained abroad, after twelve years of schooling, allowing the admission to the University and to the chosen degree programme in the country where the qualification was issued, according to the established ministerial rules - see the Circular of the Ministry of University and Research that is published each year in the period April-June at <http://www.studiare-in-italia.it/studentistranieri>.  
Check the detailed information on the University Portal:  
<https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/enrolling-in-first-or-single-cycle-degree-programme-foreign-qualification>  
You have to obtain your qualification and the required additional integration (if necessary) within **December 31<sup>st</sup>, 2025**, otherwise your enrolment will be cancelled.  
The verification of the eligibility of the qualification obtained abroad will be carried out only after enrollment and upon uploading the documents as indicated in paragraph 6.1
- You have taken the Digital SAT test.  
The **SAT Test** is organized by the College Board [www.collegeboard.org](http://www.collegeboard.org) and you can take it in any of the SAT Centres in Italy or abroad.  
**You do not have to take the ESSAY of the SAT Test because it does not supply any additional points.**  
**The SAT Tests are valid if you have taken them starting from 1<sup>st</sup> February 2023.**

The SAT score is valid and you can be admitted to the selection procedure only if your SAT score has been received by the University of Bologna within the deadline established for each intake (see the [General Calendar](#)), with the procedures described in paragraphs 2.1. e 3.

A good proficiency (B2 level at least) in English is required. Candidates are considered to have met the language requirement by taking the SAT Test since it is held in English.

## 1.2. Available positions

For the academic year 2025/2026, the following positions are available in the two intakes:

<i>Degree programme</i>	<i>Total n. of positions</i>	<i>Positions 1<sup>st</sup> intake</i>	<i>Positions 2<sup>nd</sup> intake</i>	<i>Possible extraordinary intake</i>

**Additional positions for special programmes:** 13 positions for CLABE and 5 positions for CLAME. The selection procedures for candidates participating in special programmes may take place at different times to those indicated in this call due to the different admission procedure timeframes. For information, contact: [internationaldesk@unibo.it](mailto:internationaldesk@unibo.it).

The positions are split into two quotas:

- **Positions for Italian citizens, EU citizens, non-EU citizens with equivalent status and non-EU citizens residing abroad competing with EU students for admission** who can participate in all the intakes.
- **Positions for non -EU citizens residing abroad** (international students' quota) who can participate exclusively in the first intake for the quota reserved for them.

If the positions reserved for non-EU citizens residing abroad are not fully covered, they will be made available to the EU and non-EU citizens with equivalent status quota in the second intake.

If the positions reserved for special programmes are not fully covered, they will be made available to the EU citizens and non-EU citizens with equivalent status quota in the second intake.

## 2. HOW TO APPLY (enrolment in the selection procedure)

You can participate:

- In **all the intakes** if you are an Italian citizen, EU citizen or non-EU citizen with equivalent status, following the instructions in **paragraph 2.1**;
- In **all the intakes** if you are a **non-EU citizen residing abroad competing with EU students**, following the instructions in **paragraph 2.1**. Indeed, even if you are exempted from the quota reserved for non-EU international students, you have to fulfil the procedures for non-EU citizens residing abroad;
- In the **first intake** only if you are a **non-EU citizen residing abroad**, following the instructions in **paragraph 2.1**.

**Carefully check the quota you have to refer to** at the link

<https://www.unibo.it/en/international/Who-are-international-students>

For non-EU citizens with equivalent status, please check very carefully which types of residence permit allow for the equivalence. If you participate in the selection process as a non-EU citizen with equivalent status without being in possession of the equivalence requirements, you will not be able to complete the enrolment even if you have already been admitted and paid for the first instalment.

**You may express up to two preferences, the programme of first choice being the one of greatest interest.**

Anyone wishing to enrol in the programme (even if wishing to enrol in the 2<sup>nd</sup> or 3<sup>rd</sup> year) must undergo selection procedure according to the steps and deadlines in this call for applications.

## **2.1 Guidelines on how to apply**

If you are not admitted to the programme in one intake and you want to apply for a following one, you have to apply again according to the mandatory deadline established for each intake in the [General Calendar](#), otherwise you will be excluded from the selection procedure.

- **Connect to Studenti Online** ([www.studenti.unibo.it](http://www.studenti.unibo.it)) **using your SPID or CIE account**. The system collects automatically your data and creates your University of Bologna Username ([name.surname@studio.unibo.it](mailto:name.surname@studio.unibo.it)).

If you are a minor or an international student without an identity document issued in Italy, you can obtain your username and password at [www.studenti.unibo.it](http://www.studenti.unibo.it) selecting “Register” then “International students’ registration”.

**Attention!** The data entered on [www.studenti.unibo.it](http://www.studenti.unibo.it) (name, surname, date and place of birth, e-mail address) must be the same as the ones entered on [www.collegeboard.org](http://www.collegeboard.org) (that will be reported in the SAT Test certification), otherwise you will be excluded from the admission procedure.

**Compulsory requirements to be included in the ranking:**

- **the email address** indicated at the time of registration on the College Board website must be the same of one of the two email addresses indicated on your personal profile on StudentiOnline (below reported), **otherwise you will be excluded from the selection procedure**:
  - a) the institutional email address, automatically assigned by the University, with the format [name.surname@studio.unibo.it](mailto:name.surname@studio.unibo.it)
  - OR
  - b) the personal e-mail address entered when registering on Studenti Online

(Please see the [General Calendar](#)).

**The enrolment in the selection procedure is valid only after the payment.**

**You are admitted to the selection procedure only if you have completed the enrolment in the selection procedure and paid the application fee within the deadlines and according to the procedures mentioned above.**

#### **PLEASE NOTE:**

If you are a non-EU citizen with a permit of stay for study reasons and you formally **withdraw from studies** in this or another University, **you lose the requisites to study in Italy with the consequent revocation of the permit of stay**. Therefore, you will have to go back to your home country and pre-enrol at the relevant Italian diplomatic representations on [www.universitaly.it](http://www.universitaly.it) within the deadlines defined every year and published at [www.studiare-in-italia.it/studentistranieri/](http://www.studiare-in-italia.it/studentistranieri/).

### **3. COLLEGE BOARD: REQUEST TO SEND OFFICIAL SAT RESULTS TO THE UNIVERSITY OF BOLOGNA**

All candidates must request the College Board to send the official results (official score report) to the University of Bologna using the relevant code (**code 6993**), otherwise they will be excluded from the selection procedure. Please note: the SAT score report must be sent by the College Board within the deadlines reported in the [General Calendar](#).

**Please note: if the College Board does not send your SAT score within the deadline indicated in the General Calendar, you are excluded from the ranking and therefore will not be able to enrol in the programme. Therefore, we recommend asking the College Board to send your official score report in advance, taking into account the timing for the release of test results and for their transmission by the College Board itself. Candidates must collect information about the timing for the release of the SAT Official Score and about the possibility for rush reporting directly with the College Board.**

**No other methods of sending SAT scores shall be accepted.**

### **4. SELECTION PROCEDURE**

The ranking is drawn up by an admission board, made of at least three professors and assistant professors chosen among the teaching and research staff of the degree programmes, that is appointed to guarantee that the selection procedure is correctly carried out. The rankings are based on the SAT scores received by the College Board in accordance with the instructions at paragraph 2.1.

Only the SAT tests taken starting from **1<sup>st</sup> February 2023** are valid in order to be admitted to the selection procedure.

If several SAT scores are received for the same candidate, the one with the highest total score shall be considered for the ranking.

### **5. RANKING**

For each intake, candidates are listed in the ranking according to their score.

The rankings are officially notified on **Studenti Online** ([www.studenti.unibo.it](http://www.studenti.unibo.it)), in the main page - in the detail of your applications (in the list of “ongoing requests”) on the dates indicated in the [General Calendar](#).

This publication is the only legal means of notifying the outcomes of the selection procedures.

The position obtained in one intake is not relevant for the following ones. **The selection procedure of each intake is independent from the other ones.**

### 5.1 Assessment Criteria

The committee will extract the SAT scores and formulate the rankings on a scale of 160, calculated as the SAT score divided by 10.

If several scores (valid for the selection procedure) are received for the same candidate, the highest one shall be considered.

In case two candidates receive the same score, priority will be given to the youngest candidate.

**Please note: Candidates are admitted to the degree programmes taking into account, first of all, their position in the general ranking and, if possible (i.e., if there are available positions), the preference they expressed during the application procedure.**

Therefore, if you have applied for both degree programmes and you are admitted in the general ranking, but there are no available positions in your preferred programme (first choice), you are admitted and shall enrol in the degree programme indicated as the second choice, according to the places available for each intake.

Candidates admitted to their first- or second-choice degree programme, must enrol within the deadlines and according to the procedures of the present call. Otherwise, they shall be deemed to have tacitly renounced to both the degree programmes (CLABE or CLAME), independently of the reasons, and they shall be excluded from any of following phases of the procedure.

### 5.2 Ranking and Additional learning requirements (OFA – **Obbligo formativo aggiuntivo**)

In all the intakes, the Additional learning requirements (OFA) are assigned to candidates who obtained a score lower than 500/800 in the “Math” section of the SAT Test.

The deadline to complete the OFA is **March 31<sup>st</sup>, 2027**. Students who do not complete the OFA within the deadline will be still enrolled in the 1<sup>st</sup> year (as repeating students) for the a.y. 2026/27.

## 6. ENROLMENT IN THE DEGREE PROGRAMME

If you are admitted in the ranking, you must enrol within the mandatory deadlines of each intake, indicated in the [General Calendar](#).

**Please note:** Candidates admitted to the second-choice degree programme must enrol according to the specified procedures and deadlines. Otherwise, they will be considered as implicitly renouncing for all the options expressed at the time of application, regardless of any justifying

reasons, and they will be excluded from any subsequent phases of the selection process, including the reallocation for vacant position/transfer to the 1<sup>st</sup> choice programme procedure.

**If you enrol for the first time**, follow the procedures indicated at paragraph 6.1.

**If you have not obtained your high-school diploma** yet, please check the specific additional procedures on **Studenti Online** ([www.studenti.unibo.it](http://www.studenti.unibo.it)).

**If you are a minor** (i.e., you are younger than 18 years old) when you enrol, download the “Consent form for underage students” form at this [webpage](#). The form has to be filled in and signed by your parents and sent to the Student Office for Economics, Management and Statistics for CLABE and to the Student Office of Forlì campus for CLAME.

**If you wish to ask for the recognition of your previous careers:** after your enrolment and within **27<sup>th</sup> November 2025**, you have to submit the request for the [Shortening of the degree programme – University of Bologna \(unibo.it\)](#) according to the information at the link above. For CLABE you have to refer to the Student office of Economics, Management and Statistics; for CLAME to the Student office of Forlì campus.

**If you are a student with a civil disability certification equal to or greater than 66% or with certification under law 104/92**, in order to obtain the **exemption from tuition fees**, you must send the certificate attesting to your condition to the email address of the Student Office of Economics, Management and Statistics for CLABE and to the Student Office of Forlì Campus for CLAME, (for information: <https://www.unibo.it/en/services-and-opportunities/study-grants-and-subsidies/exemptions-and-incentives/exemptions-for-disabled-students>).

**If you are enrolled in another University and you want to transfer (transfer from another University)** or if you are enrolled in another degree programme of the University of Bologna and you want to change your degree (**change of the degree programme**), follow the instructions at paragraphs 6.2 or 6.3.

Information about **fees and scholarships** is available at paragraph 6.4.

  - If you enrolled using your **SPID** or **CIE** account: after paying, your career will be automatically activated (unless you are in one of the cases listed below);
  - If you enrolled using your username and password: you have to follow the procedures that you will find in the details of your enrolment request on Studenti Online.

**You have to activate your career within 26<sup>th</sup> February 2026**, otherwise your enrolment will be cancelled.

After activating your career, you will have access to the university services such as the online study plan, enrolment in exams, Wi-Fi, online library resources and laboratory and career management (programme transfer, transfer to another university, withdrawal from studies). Moreover, you will receive an e-mail with the instructions to print the student card.

- **Pay** the first instalment or the entire annual amount of the tuition fees according to the procedures indicated on **Studenti Online** ([www.studenti.unibo.it](http://www.studenti.unibo.it))
- **Starting from 24<sup>th</sup> July 2025 and within October 9<sup>th</sup> 2025, fill in** the degree-programme change application on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)):
  - **Click on “PASSAGGIO DI CORSO”** (i.e., degree-programme change) and enter the required data;
  - **Pay for the degree-programme change fee** (if you enrol after being admitted in the first intake, the amount will be notified after the decision of the competent bodies)

Your career in the new study degree programme will be active only after your degree-programme board formally declares the recognition of your previous studies and the prosecution of the studies in the degree programme.

You can take learning activities in the degree programme of origin until you submit your degree-programme change application.

### **1.2.1. How to enrol if you change your degree programme within the University of Bologna and participated in the second intake or in the extraordinary one.**

If you are currently enrolled in another degree programme of the University of Bologna and you participated in the second intake or in the extraordinary one, you have to follow the procedures below within the deadlines indicated in the [General Calendar](#):

- **Connect to [Studenti Online](#)** with your SPID or CIE account or with the University username ([name.surname@studio.unibo.it](mailto:name.surname@studio.unibo.it)) and password obtained when applying;

- **submit the request to change course by clicking on “PASSAGGIO DI CORSO”** (i.e, degree-programme change) entering the required data;
- **Pay for the degree programme change fee.**

Your career in the new study degree programme will be active only after your degree-programme board formally declares the recognition of your previous studies and the prosecution of the studies in the degree programme.

You can take learning activities in the degree programme of origin until you submit your degree-programme change application.

**Attention.** In case of career abbreviation, course transfer, or admission to years beyond the first, you will be officially moved, depending on the program you are admitted to, to the Business and Economics program (**code 8965**) or the Management and Economics program (**code 5892**), where the second and third years will be active for the academic year 2025/2026.

## **6.4 Tuition fees and study grants**

The amount of the tuition fees and information about grants and exemptions are available at: <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/tuition-fees>.

Tuition fees are calculated proportionally to the currently valid ISEE (personal income) value, if submitted according to the procedures and deadlines indicated at the webpage above.

**If you do not submit the ISEE, you will have to pay for the maximum amount of the tuition fees for your degree programme.**

You can find more information about other subsidies at [Services and opportunities — University of Bologna \(unibo.it\)](#)

If you are interested in the right to **higher education benefits**, please see the call for applications published by the Regional Agency for the Right to Higher Education at [www.er-go.it](http://www.er-go.it).

If you are enrolled in a different degree programme before requesting to transfer or change your degree programme, please carefully check the requirements of merit to access the benefits described in the ER.GO Call for Applications published at [www.er-go.it](http://www.er-go.it), as students' careers will be assessed starting from their first enrolment in the University, regardless of the recognition obtained or the course year assigned to students by the Degree-Programme Board. This could be a possible reason for a loss of benefits.

## 7. REALLOCATION OF VACANT POSITIONS AND TRANSFERS

**The candidates admitted to the second-choice degree programme, must enrol** according to the procedures and deadlines of the present call **otherwise they are considered tacitly renouncing all the options** indicated when applying, regardless of any justifying reasons, and they will be excluded from any subsequent phases of the selection process, including relocation and transfer procedures.

With the reallocation procedure, after the enrolment by admitted candidates, possible vacant positions are assigned to eligible candidates according to their position in the ranking and to the preference expressed during the application procedure.

With the transfer procedure, candidates enrolled in their second-choice degree programme can be moved to their first-choice course, in case of vacant positions.

**The reallocation/transfer is not automatic. Candidates must always declare their interest in participating in the reallocation/transfer procedure.**

There are two reallocation/transfers procedures at the end of the first and second intake and one at the end of extraordinary one.

You have to declare your interest in participating in the reallocation of vacant positions/transfer within the mandatory deadlines indicated in the [General Calendar](#), otherwise you cannot participate in this procedure.

**Once you declare your interest in participating in the reallocation of vacant positions/transfer, you will not be able to change it anymore.**

The list of candidates who have been assigned possible vacant positions/transferred to the preferred degree programme is published on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) in the details of your application, on the dates established in the [General Calendar](#).

### 7.1. Declaration of interest on the reallocation of vacant positions

**If you are eligible in the ranking (ranked after the last admitted candidate) and you are interested in the reallocation of possible vacant positions, you have to declare your interest by clicking on the button "I wish to be reassigned"** in the details of your application ("ongoing requests") available in the application detail section after the posting of the ranking, according to the deadlines established in the [General Calendar](#).

If you do not declare your interest, you automatically withdraw from the enrolment procedure for all the choices expressed when applying, regardless of your motivations and you will be excluded from all the following phases of the selection procedure.

## **7.2. Declaration of interest in transferring to the first-choice degree programme**

If you are **enrolled in your second-choice degree programme** and you are interested in being transferred to your first-choice programme, **you must declare your interest in being transferred** within the mandatory deadline indicated in the calendar. Otherwise, you will remain permanently assigned to the degree programme in which you are enrolled.

With the transfer, students enrolled in their second-choice degree programme ask to be transferred to their first-choice programme. The transfer will take place only if there are positions available in the preferred degree programme.

**Please note:** in the first intake there are two reallocation/transfer procedures therefore if you do not participate in the first one, you will not be able to participate in the second one.

The reallocation of vacant positions/transferring procedure includes two phases:

### **PHASE 1 - DECLARATION OF INTEREST IN THE REALLOCATION OF VACANT POSITIONS/TRANSFER: REALLOCATION OF VACANT POSITIONS**

If you are "Eligible" in the ranking (ranked after the last admitted candidate) and you are interested in the reallocation of possible vacant positions, you have to follow the steps below within the mandatory deadlines at point 4 and 7 of the [General Calendar](#):

1. access Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), using your SPID or CIE account or by entering your username ([nome.cognome@studio.unibo.it](mailto:nome.cognome@studio.unibo.it)) and password;
2. declare your interest in the reallocation of vacant positions, by clicking on the "I wish to be reassigned (Desidero essere recuperato)" button in the details of the application, after the posting of the ranking.

Possible vacant positions are **reallocated exclusively according to ranking list order**.

If you do not request to participate in the reallocation of vacant positions according to the above-mentioned procedure, you are excluded from all the following procedures.

'Not-eligible', 'Absent' or 'Excluded' candidates cannot participate in the reallocation of vacant positions.

The list of candidates admitted to the reallocation of vacant positions will be published on [www.studenti.unibo.it](http://www.studenti.unibo.it) by the deadlines established at point 5 and 8 of the [General Calendar](#).

The list is exclusively published on Studenti Online as is considered the only legal way to communicate the outcomes of the reallocation procedure.

### **TRANSFER**

If you are **enrolled in your second-choice degree programme** and you are interested in being transferred to your first choice, you must:

1. be enrolled in the second-choice programme according to the deadlines and procedures at paragraph 6.1;
2. access Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), using your SPID or CIE account or by entering your username ([nome.cognome@studio.unibo.it](mailto:nome.cognome@studio.unibo.it)) and password;
3. declare your interest in the transfer procedure, by clicking on the "I wish to be transferred (Desidero essere spostato)" push button in the details of the application, after the posting of the ranking.

**Please remember that in order to be transferred**, you must be enrolled in the second-choice degree programme according to the procedure and deadlines established in the call for applications.

Candidates are admitted to transferring exclusively according to ranking list order.

Candidates enrolled in the second-choice degree programme who do not request to participate in the transfer procedure according to the indications above, will remain permanently enrolled in the second-choice degree programme.

The list of candidates admitted to transferring to the first-choice degree programme will be published on [www.studenti.unibo.it](http://www.studenti.unibo.it) by the deadlines established at point 5 and 8 of the [General Calendar](#).
