- Able to filter relevant feedback while keeping a global mind set;

- A personality who provides real clarity on what others are accountable for and take responsibility for doing what they say they will do;
- A resilient team player;
- Preferably experienced with social media.

What do we expect from you?

- Fulltime available for a 6 months internship;
- Bachelor or Master student in the last year, preferably in Marketing;
- fluent in English, more language skills is a plus;
- high performing student from a leading university;
- work- and international experience;
- participate in extracurricular activities;
- You are proactive, take initiative and work independently;
- You are enthusiastic, ambitious and flexible.

Competenties

- Practical creativity
- Goal oriented
- Strong communication skills
- Entrepreneurial drive
- Sense of urgency and business
- Global mind set

Our offer

Above all we offer you a very dynamic, multi-cultural and fun environment in which people with energy, creativity and lots of passion work together to build brands and deliver amazing product experience for our consumers. There are several opportunities to pursue your professional and personal goals and develop yourself on national and international levels.. You will receive support from an agency to get registered and find a room in the Netherlands.

To apply

To apply, you must do so online using the "Apply to this job" link below, creating a personal profile, adding your resume and letter of motivation. Closing date is 30st of June 2014. Your application will be reviewed against our requirements by the recruitment team and if you are considered a match with the job profile your application will be forwarded to the business line manager(s) and HR business partner(s).

Creating a better future every day. That is Unilever's vision. We help people feel good, look good and get more out of life with brands and services that are good for them and good for others. Every day, millions of consumers all over the world choose one of Unilever's popular and strong brands, such as Axe, Becel, Ben & Jerry's, Calve, Dove, Knorr, OLA, Omo and Unox. With our brand portfolio of some 400 brands, Unilever is one of the world's leading suppliers of foods and home & personal care products. We believe in the power of our brands to improve the quality of people's lives. We also believe in doing well by doing good both in respect of society and the environment.
