The appointed Committee evaluates previous academic experiences as reported in the curriculum vitae et studiorum and attached documents, according to a schedule set annually.

#### 4.4.a. How the adequacy of personal competencies and skills is verified

A special Committee will examine the documentation submitted in the application phase.

The evaluation of personal competencies and skills takes place in 2 steps and are based on the following criteria:

After identification, career activation will take place automatically, unless you fall into one of the following cases.

- ▶ **If you have not yet graduated at the time of matriculation,** you must obtain your degree by **31 December 2025 at the latest.** Otherwise, your matriculation will be cancelled.

If you are graduating from the University of Bologna, the system will automatically update your position once you have obtained your degree.

If you are graduating from another university, after matriculating please check on Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)) for any further steps required.

- ▶  If you are a **non-EU citizen with EU equivalent status**, in order to activate your career you must submit a copy of your valid residence permit which grants EU equivalent status to the <https://www.unibo.it/en/campus-rimini/campus-services/international-experiences/international-desk-rimini> responsible for your degree programme. **Warning!** Remember that, if you are a non-EU citizen, hold a student residence permit and formally withdraw from studies at this or another university, you **lose the requirements for residency in Italy**, and therefore your residence permit will be revoked, and **you will lose your EU-equivalent status.**
- ▶ **If you have a foreign qualification,** check the [documentation required](#) for matriculation purposes.

The documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required.](#)

You must upload the documents related to foreign qualifications in the Studenti Online application ([www.studenti.unibo.it](http://www.studenti.unibo.it)) by clicking in the section “Call” and then “Matriculation for A.Y. 26\_27 - document upload for international students with foreign qualifications”. When you arrive at the Campus of Rimini - University of Bologna, you must make an appointment with the International Desk – Rimini <https://www.unibo.it/en/campus-rimini/campus-services/international-experiences/international-desk-rimini> in order to show the original copies of your documentation.

▶ ***If you are a non-EU citizen with EU equivalent status and have obtained your qualification abroad:*** check the [documentation required](#) to enrol.

Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the “Calls” section of Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), select “Matriculation A.Y. 26\_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your valid residence permit which grants EU-equivalent status. Moreover, make an appointment with the the International Desk – Rimini <https://www.unibo.it/en/campus-rimini/campus-services/international-experiences/international-desk-rimini> in order to show the original copies of your documentation. **Warning!** Check very carefully, at [www.unibo.it/whoareinternationalstudents](http://www.unibo.it/whoareinternationalstudents) what is meant by 'non-EU students with equivalent status' and what types of residence permits allow for equivalence. Lack of EU equivalent status will prevent you from matriculating, even if you have been admitted and have paid the first instalment.

▶ ***If you are a non-EU citizen, are resident abroad and have obtained your qualification abroad:*** see details at [www.unibo.it/EnrollingSecondCycleDegreeProgrammesNonEU](http://www.unibo.it/EnrollingSecondCycleDegreeProgrammesNonEU). Check the [foreign qualification documentation required to matriculate](#). Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the “Calls” section of Studenti Online ([www.studenti.unibo.it](http://www.studenti.unibo.it)), select “Matriculation A.Y. 26\_27 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your entry visa for study purposes. [experiences/international-desk-rimini](#) in order to show the original copies of your documentation.

**Warning!** If you hold a foreign qualification, admission to the programme and, where applicable, any subsequent conditional or unconditional validation of your pre-enrolment by the University do not automatically grant you the right to complete your matriculation or activate your student career. This applies even if you have obtained an entry visa, are physically present in Italy, or are eligible for, or receiving, scholarships or other grants.

To complete your matriculation, it is necessary to verify the eligibility of your foreign qualification, the authenticity of the documentation you submitted, and that you hold the EU-equivalent status you declared during admission. These checks are carried out by the International Desk – Rimini <https://www.unibo.it/en/campus-rimini/campus-services/international-experiences/international-desk-rimini> only after you have paid the first instalment of matriculation and submitted the original copies of all the required documentation.

Career activation must take place by **26 February 2027**; otherwise, your matriculation will be cancelled.

Once your career is active, you will be sent an email with a QR code allowing you to print your badge.

#### **7.1.b. Shortening a degree programme (for those with previous university careers)**

**If you want to apply for recognition of previous academic careers**, check how you can do this and the applicable deadlines at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits).

#### **7.2 Programme transfers, university transfers and simultaneous enrolment**

**If you want to change degree programme within the University of Bologna (Programme transfer)**, check how you can do this at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme).

**If you matriculate and request to be transferred** from another Italian university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](#).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](#).

If, on the other hand, you register for one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- if both programmes are at the University of Bologna: apply for a programme transfer;
- if the first programme is at another Italian university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

#### **Please note!**

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally withdraw from your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked**. In this case, you must return to your country of origin and initiate the pre-enrolment procedures through University at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website [www.universitaly.it/studenti-stranieri](http://www.universitaly.it/studenti-stranieri).

## **8. FEES AND BENEFITS**

### **8.1 University fees**

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees).

The fee to be paid to enrol for a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees). If you do not submit an ISEE certificate, you will have to pay the full tuition fees relevant to your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

### Please note!

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at [www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/ISEE-and-other-documentation-for-tuition-fee-exemptions](http://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/ISEE-and-other-documentation-for-tuition-fee-exemptions).

### Please note!

Submitting financial documentation for tuition fee exemptions, following the instructions on [www.unibo.it/tuitionfees](http://www.unibo.it/tuitionfees), is very simple and worthwhile even if you have not yet decided whether to enrol in a programme at this university. Remember that if you do not submit the documentation by the deadline, you will not be eligible for any subsidies. The deadline is peremptory, and no exceptions are ever allowed.

## 8.2 Right-to-higher-education grants provided by ER.GO

**Regional Authority for the Right to Higher Education – ER.GO** publishes calls for scholarships, places in university residences, catering and other benefits on its website ([www.er-go.it](http://www.er-go.it)) every year.

**The application for ER.GO grants is independent of the degree programme application and enrolment procedures.**

### Please note!

You must submit your application for an ER.GO grant via the authority's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are ever allowed.

## 8.3 Important information for those who already have an active university career

If you already have an active university career, before transferring from another Italian university or changing programme, if you are already enrolled in a programme at the University of Bologna, carefully consult the **merit requirements for access to grants** set out in the call published on [www.er-go.it](http://www.er-go.it) because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

### Please note!

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment at university (even if for another University, University Institute or Degree Programme, even abroad), regardless of the year of the programme to which you are admitted following the recognition of your credits, and only those that are recognised on the programme you are enrolled in are considered valid.

#### **8.4 Right-to-higher-education grants provided by the University**

Information on the University's grants can be found on the University Portal under

[www.unibo.it/studygrants](http://www.unibo.it/studygrants).

For each grant, please carefully read the instructions on how and when to apply. Remember that deadlines are always peremptory and no exceptions are ever allowed.

#### **8.5 Specific grants provided by this degree programme/these degree programmes**

In order to encourage the enrolment of students, the Department of Economics will award 4 scholarships for the academic 2026/2027, distributed as follows:

- 2 grants for EU, NON-EU with equivalent status, and NON-EU students admitted in the first intake (intake A),
- 1 grant for EU, NON-EU with equivalent status, and NON-EU students admitted in the second intake (intake B),
- 1 grant for EU and NON-EU with equivalent status students admitted in the third intake (intake C).

Each scholarship is granted for one academic year for the gross amount of € 4.608 (before tax). Not assigned scholarships in one intake will be assigned in the following one.

#### **Eligibility**

The Grants are reserved to accepted applicants in ranking list with a minimum score of 70 points, who will be enrolled in the Second Cycle Degree in Tourism Economics and Management in the academic year 2026/2027.

#### **Selection procedure**

The grants will be granted by the Admissions Board, based on the admission ranking. Only students who meet the eligibility requirements will be considered (see section "Eligibility").

Grants will be assigned based on the admission ranking, starting with the first eligible student and going down to the second, third, and so on, considering all the students who have obtained at

least 70 points out of 100 in the admission procedure. If one of the students fails to accept the grant and/or declines the grant, it will be granted to the student who comes next in the ranking list. In case of a tie (same admission points), the youngest applicant will get priority.

The ranking for grant assignment is approved by a decree of the Director of the Department of Economics.

### **Acceptance/ Withdrawal and/or loss of the scholarship.**

Students who are selected for the grant will be informed via e-mail at the address that they have been provided for the application procedure in the platform "StudentiOnline". Within 10 days from the notification receipt about the assignment of the grant, the winner should write to this email address [cdl.team@unibo.it](mailto:cdl.team@unibo.it) and state that he/she accepts the grant at the terms stated in this procedure, without further conditions. Failure to accept the grant is tantamount to declining it.

Students who intend to decline the grant should send an e-mail to [cdl.team@unibo.it](mailto:cdl.team@unibo.it)

If a student declines the grant, it will be assigned to the following student in the selection ranking.

### **Payment**

The payment of the scholarship is subject to the meeting of the following conditions:

- Matriculation to the second cycle degree programme in Tourism Economics and Management – TEaM (the student should pay the first instalment of the tuition fees, bring his/her documents and have them approved, and finally collect the student's badge);
- Fulfilment of the relevant forms concerning the payment (files to be received via email, together with notification about the assignment of the grant).
- The payment will take place by one of the following methods:
  - Bank wire transfer to an account in the name of the beneficiary with IBAN in the SEPA area.
  - Bank wire transfer to a rechargeable card in the name of the beneficiary with IBAN code;
  - Bank wire transfer to an account in the name of the beneficiary outside the SEPA area, with commissions fully borne by the beneficiary.

The winner loses the right to the scholarship, with the obligation to return any amounts already received, if by 26 February 2027 they lose their student status, withdraw from their studies, change degree programme, or transfer to another university.

### **Incompatibility with other scholarships**

The scholarship is compatible with other financial grants that may be/have been obtained by the beneficiary unless incompatibility is stated for the other financial grants that the student may have been awarded. It is down to the beneficiary to check whether other scholarships are compatible with the grant awarded by the Department of Economics. In such a case, they should choose for one type of grant or the other.
