This university has long been engaged in an important awareness-raising effort aimed at countering gender stereotypes. In this context, it has been decided to give greater linguistic visibility to differences.

Where the masculine form is used in this document, solely for the purpose of simplification, it should be understood as inclusively referring to all individuals within the community.

For a summary of the key steps described in this notice, you can check the [SUMMARY](#).

1.1. Entry requirements

To be admitted to the selection process and potentially complete the subsequent enrolment, you must meet the following requirements.

If, due to organizational needs and/or mandatory regulations, it is not possible to ensure the requested accommodation, an alternative measure of equal compensatory value will be defined.

The following procedure must be followed:

- **login on Studenti Online** (www.studenti.unibo.it) in “Requests” on the home page;

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

In light of the emergency situation that led to a reduction in the activities of SSN clinics, diagnoses of SLD, according to Law no. 170/2010, will be accepted for requests for accommodations for admission tests even if they are older than three years. The Service reserves the right to request an updated diagnosis or at least a written statement confirming that the applicant is awaiting renewal, after enrolment. For further details, please refer to the website page <https://site.unibo.it/studenti-con-disabilita-e-dsa/en/for-students>

The documentation must be clear and complete with all the information needed to understand the specific needs of the candidate.

If you have both a certification under Law 104/92 and other medical certifications, it is important to submit both.

Candidates with disabilities or learning difficulties with residency abroad who wish to make use of adaptations must submit the **legalised certification** (apostilled, if required) attesting to their disability or learning difficulties status issued in their home country, together with an official translation in Italian or English.

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

The University bodies in charge of examining the aforementioned certifications ascertain that the foreign documentation certifies a condition of disability or specific learning disorder recognised by Italian law.

Make sure to double check you have uploaded **Adaptation Request Form** and medical certificates or other documents before sending the application.

Requests will be examined by the University Service for Students with Disabilities or Learning Difficulties who will assess their coherence with the adjustments requested according to Italian regulations. Should documents be incomplete or illegible a request for supplementation will be made by email name.surname@studio.unibo.it to candidates, who shall reply within the deadline set by email.

Any request must be received within the deadlines for this selection procedure. Candidates who fail to submit their application within the deadlines set in the general calendar or fail to send any supplementary documents requested within the deadlines indicated by the Service for Students with Disabilities or Learning Difficulties will not be granted the requested adaptations.

Candidates will be informed of adjustments granted by email from the Student administrative office.

If you have any questions regarding the procedure for requesting adaptations, please contact the Service for Students with Disabilities or Learning Difficulties by phone + 39 051 2080740 or email ases.adattamentiammissione@unibo.it

5.1. Additional Learning Requirements (OFA) – Additional mathematics skills

All students who are enrolled or in the process of completing their enrolment are required to take an Additional Learning Requirements test (OFA) to assess their incoming level of preparation in mathematics. Students are exempt from the OFA test if they hold an English TOLC-E or TOLC-E certificate (obtained from 1st January 2025 onwards) with a score of 3.5 or higher in the MATHEMATICS SECTION, or a SAT certificate with a score of 400 or higher in the MATHEMATICS section, or a CEnT-S certificate with a score of 4,05 or higher in the mathematics section. If students do not possess the above certificates, they will be required to take the OFA test, which consists of 13 multiple-choice questions. The test is considered passed if a score of 3.5 or higher is achieved (1 point for each correct answer and -0.25 for each incorrect answer). Students who do not pass the test will be assigned an additional learning obligation (OFA), which must be fulfilled by taking a specific OFA test with multiple-choice questions on the dates set by the degree program board and announced via the University portal.

Students who are assigned the OFA in the 2026/2027 academic year will be enrolled conditionally in the second year in the following academic year (2027/2028) until the OFA is completed. The final deadline for completing the OFA is **31st March 2028**. After this deadline, students who have not fulfilled the OFA requirement will be enrolled in the first year as repeaters.

5.2. Retrieval procedure

At the end of the selection process, **if unallocated places are left available** after the enrolment of the successful candidates, a retrieval procedure will be implemented for those ranked as "eligible."

If you are ELIGIBLE, you can express your interest in being considered for retrieval. To do so, by the deadlines indicated in the [general calendar](#) for the two selection rounds, you must:

1. **Log in** to www.studenti.unibo.it using your username and password;
2. **Declare your interest** in being considered for retrieval by clicking on the appropriate button, which will be available in the details of your admission request after the publication of the ranking;
3. **Check** that your request has been submitted by accessing Studenti Online and checking the details of your admission request. Once you click on the "*Desidero essere recuperato* – Retrieval procedure" button, the system will display the date of your request and a receipt of the submitted request.

ALMA MATER STUDIORUM

Participation in the selection process as an equivalent EU citizen without possession of the equivalent status will not allow for completion of enrollment, even in the case of admission and payment of the first installment.

- **If you are a non-EU citizen residing abroad with a foreign qualification:** you must read the detailed information at <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/enrolling-in-first-cycle-and-single-cycle-degree-programmes/enrolling-in-a-first-cycle-or-single-cycle-degree-programme-if-you-come-from-a-non-eu-country>, access Studenti Online (www.studenti.unibo.it), choose “CALLS,” select “Enrolment a.a. 26_27 - uploading documents for international students with foreign qualifications,” and upload your qualification and the copy of your student visa. Attention! Admission and, where necessary, validation of conditional or unconditional pre-enrollment by the University does not confer any right to complete enrollment and activate a career, even in the case of obtaining an entry visa, physical presence on national territory, eligibility and/or actual provision of scholarships or grants of any kind. In order to complete enrollment, it is necessary to verify the actual eligibility of the foreign qualification, the authenticity of the documentation uploaded and checked, and the actual possession of any equivalence qualification declared during the admission phase. Checks are carried out by the [International Desk of the Rimini Campus](#) only after payment of the first installment fee and presentation of the original copies of all the required documentation.

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

Attention! The recognition of credits (CFU) acquired in previous university careers is decided by the Degree Programme Board and, based on the number of credits recognized, you may be enrolled in a year following the first. Recognition takes place at a different time, after enrollment, and, in the case of admission to years after the first, your position may change with regard to access to study rights benefits and student contribution concessions (total exemption/reduced contribution based on ISEE). It is therefore very important to know that:

a) for study rights benefits, the minimum number of credits required as a merit requirement is always determined based on the year in which you are admitted, and only recognized credits are considered valid;

b) also to obtain student fee concessions (total exemption or reduced fees) based on your ISEE, the minimum number of credits required is determined according to the year in which you are admitted, but only recognized credits acquired between 11th August 2025 and 10th August 2026 are considered valid.

For more information, visit the website of the Regional Agency for the Right to Higher Education (ER.GO) – www.er-go.it – and the pages of our Portal on fees – <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/fees-and-exemptions-amounts-deadlines>

7. TAXES AND BENEFITS

The information about the **amounts of tuition fees** and **benefits and exemptions** is published every year on the University Portal at the page: <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/tuition-fees>.

The student contribution to be paid for enrolling consists of a fixed part of €157.04 and a variable part calculated based on the economic situation of the household (ISEE), up to a maximum that varies depending on the course.

The contribution is calculated progressively based on the valid ISEE certification, only if it is submitted in the manner and within the deadlines specified on the page: <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/tuition-fees>

If the ISEE certification is not submitted, the maximum contribution for the study program will be applied.

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

The submission of the ISEE is independent of the enrollment in the program. The order in which you complete the two procedures is irrelevant, as long as you meet the deadlines for each.

! Attention!

Submitting the ISEE, following the instructions on the page <https://www.unibo.it/en/teaching/enrolment-transfer-and-final-examination/tuition-fees-and-exemptions/tuition-fees> is very simple, and it is advisable to do so even if you have not yet decided whether to enroll in a program at this University. Remember, if the ISEE is not submitted on time, you will not be eligible for any benefits, as the deadline is strict and no exceptions are ever allowed.

7.1 BENEFITS FROM THE REGIONAL AUTHORITY FOR THE RIGHT TO HIGHER EDUCATION - ER.GO

The Regional Authority for the Right to Higher Education publishes annual announcements on its website (www.er-go.it <https://www.er-go.it/international-students/>) for scholarships, places in university residences, dining services, and other benefits.

The procedures for applying for ER.GO benefits are independent from those for applying and enrolling in this degree programme.

! Attention!

You must submit the application for ER.GO benefits on the Regional Authority's website, including the ISEE. Submitting the application is very simple, and it is advisable to do so even if you have not yet decided whether to enroll in a program at this University. Remember that the announcements have a strict deadline for submission, and no exceptions are ever allowed.

7.2 IMPORTANT INFORMATION FOR THOSE WITH AN ACTIVE UNIVERSITY CAREER

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

If you already have an ongoing university career, before transferring from another university or changing degree programme, and if you are already enrolled in a programme at the University of Bologna, carefully **check the merit requirements for access to the benefits** indicated in the announcement published on www.er-go.it. This is important because, due to the recognition of academic credits (CFU) acquired in your previous career, your eligibility for benefits may change.

Attention!

For all ER.GO benefits, the minimum number of credits required as the merit requirement is always determined starting from the year of your first enrollment at university (even if it was at another university, higher education institution, or study program, including abroad), regardless of the year of the program you are admitted to following the recognition of credits. Only the credits recognized for the programme you are enrolling in are considered valid.

7.3 STUDENT RIGHTS BENEFITS PROVIDED BY THE UNIVERSITY

Information about the University benefits can be found on the University Portal in the section: <https://www.unibo.it/en/study/study-grants-and-subsidies/scholarships-and-funding-opportunities>

Carefully read the instructions for each benefit, including the application procedures and deadlines. Remember that deadlines are always strict, and no exceptions are ever allowed.
