9. WHO TO CONTACT 28

Our University has been working extensively to raise awareness of and to address gender stereotypes. In this context, it has been decided to give greater linguistic visibility to gender differences. Where the masculine form is used in this document solely for the sake of simplicity, it is understood as referring to all persons, regardless of gender. Information regarding the processing of personal data is available at: www.unibo.it/PrivacyBandiCds.

1. HOW TO ACCESS THE PROGRAMME

Access to the second-cycle degree programme in Fashion Studies is open, i.e. there is no maximum number of enrolments in A.Y. 2025/26. However, it is only possible to enrol in the programme if you meet the requirements set out in this notice and if you receive a positive assessment from the designated Committee.

The requirements and documentation submitted during the application process will be assessed by the Committee, which will determine whether further verification of your personal training is necessary. If so, you will be called for an interview, which will take place on the MS TEAMS platform on the dates indicated in the next section.

Employing an international outlook and a multidisciplinary approach, the degree programme integrates humanistic tradition with activities related to product communication and/or fashion system management. Specialised libraries and cutting-edge IT resources support students' studies, while internships and labs complete the curriculum, preparing students to respond to contemporary global challenges.

The degree programme includes subjects ranging from the Humanities to Economics, from Management to Communications, and from Design to Information Technology. This disciplinary variety fosters hybrid approaches and provides a wide-ranging understanding of the fashion system, enabling students to move with agility in the global context of cultural and creative industries.

3. **Pay the first enrolment instalment** via the PagoPA platform, as indicated on Studenti Online (www.studenti.unibo.it).
4. After you have made your matriculation payment, check under Matriculation on Studenti Online (www.studenti.unibo.it) what you need to do for the purposes of **identification** and **career activation**. Your University career must be activated by the deadline set on a yearly basis by the Academic Bodies, otherwise your enrolment will be cancelled.

7.1.a. University identification and career activation

Identification

- ***If you submitted your application by logging in with a SPID or CIE:*** after making the payment, your identity will be automatically validated.
- ***If you have submitted your application by logging in with your username and password:*** complete the identification procedure specified under Matriculation on Studenti Online (www.studenti.unibo.it).

Career activation

Activating your career enables you to take part in all the activities you will carry out as a student (e.g. submitting your study plan, booking exams, carrying out any other procedures related to your career, accessing the Wi-Fi network and online library resources, and using the MyUnibo app).

After identification, career activation will take place automatically unless you fall into one of the following cases:

- ▶ ***If you have not yet graduated at the time of matriculating***, you must obtain your degree **by 31 December 2025 at the latest**. Otherwise, your matriculation will be cancelled.

If you are graduating from the University of Bologna, the system will automatically update your position once you have earned your degree.

If you are graduating from another university, after matriculating please check Studenti Online (www.studenti.unibo.it) for any further steps required.

- ▶ **If you hold a certificate demonstrating recognised invalidity of at least 66% or a certificate complying with Law 104/92**, in order to benefit from the exemption detailed at <https://www.unibo.it/en/study/study-grants-and-subsidies/exemptions-and-incentives/exemptions-for-disabled-students>, upon enrolment you should send the certificate via email to the Student Administration Office of the Campus of Rimini.

- ▶  If you are a ***non-EU citizen but hold a qualification equivalent to one awarded in Italy***, in order to activate your career you must submit a copy of your valid residence permit allowing equivalence to the [Student Administration Office](#) responsible for your degree programme.

- ▶ ***If you have a foreign qualification***, check the [documentation required](#) for matriculation purposes.

The documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

You must upload the documents related to foreign qualifications via the Studenti Online application (www.studenti.unibo.it) by clicking on "Call for applications" and then "Matriculation for A.Y. 25_26 - document upload for international students with foreign qualifications".

When you arrive at the University of Bologna, you must set an appointment with the [International Desk of the Campus of Rimini](#) in order to show the original copies of your documentation.

▶ ***If you are a non-EU citizen with EU-equivalent status and you have earned your qualification in Italy*** you must provide the [International Desk of the Campus of Rimini](#) with a copy of your residence permit which confirms the EU-equivalent status.

▶ ***If you are a non-EU citizen but hold an equivalent qualification and have earned your qualification abroad***: check the [documentation required](#) to enrol.

Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be [translated and its authenticity and value must be verified, where required](#).

In the "Calls" section of Studenti Online (www.studenti.unibo.it), select "Matriculation A.Y. 25_26 - document upload for international students with foreign qualifications" and upload your qualification diploma and a copy of your residence permit allowing equivalence. Moreover, set an appointment with the [International Desk of the Campus of Rimini](#) in order to show the original copies of your documentation.

Check very carefully, at www.unibo.it/StudentiInternazionaliChiSono, what is meant by 'non-EU students with equivalent status' and what types of residence permits allow for equivalence. Lack of an equivalent qualification will prevent you from matriculating, even if you have been admitted and have paid the first instalment.

▶ ***If you are a non-EU national, are resident abroad and have earned your qualification abroad***: see details at www.unibo.it//IscrizioneLaureaMagistraleNonUE. Check the

foreign qualification documentation required to matriculate. Remember that the documentation submitted in your application for admission (e.g. degree, transcript, etc.) must be translated and its authenticity and value must be verified, where required.

In the “Calls” section of Studenti Online (www.studenti.unibo.it), select “Matriculation A.Y. 25_26 - document upload for international students with foreign qualifications” and upload your qualification diploma and a copy of your entry visa for study purposes. When you arrive in Italy, make an appointment with the [International Desk of the Campus of Rimini](#) in order to show the original copies of your documentation.

Warning: if you have a foreign qualification, admission to the programme and any subsequent validation of your pre-enrolment with or without reservations by the University do not confer any right to finalise your matriculation, even if you receive an entry visa, being physically present in the country, becoming eligible for and/or actually receiving scholarships or contributions of any kind. For matriculation purposes, it will be necessary to verify the actual suitability of the foreign qualification and the authenticity of the documentation produced. Your qualification will be formally checked by the [International Desk of the Campus of Rimini](#) after paying the first matriculation instalment and submitting the original copies of all the required documentation.

Career activation must take place by **26 February 2026**. Otherwise your matriculation will be cancelled. Once your career is active, you will be sent an e-mail with a QR code allowing you to print your badge.

7.1.b. Shortening a degree programme (for those with completed university careers)

If you want to apply for recognition of previous academic work, check how you can do this and the applicable deadlines at <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/recognition-of-credits>

7.2 Programme transfers, university transfers and simultaneous enrolment

If you want to change degree programme within the University of Bologna (Programme transfer), check how you can do this at <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/changing-degree-programme>.

If you matriculate and request to be transferred from another university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](#).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](#).

If, on the other hand, you register in one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously. Instead:

- If both programmes are at the University of Bologna: apply for a programme transfer.
- If the first programme is at another university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

Please note!

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally renounce your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked**. In this case, you must return to your country of origin and initiate the pre-enrolment procedures through University at the competent Italian diplomatic mission (Embassy/Consulate), by the

deadlines set annually and published on the website <https://www.universitaly.it/studenti-stranieri>.

8. FEES AND BENEFITS

8.1 University fees

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at www.unibo.it/Tasse.

The fee to be paid to enrol for a degree programme consists of a fixed component of € 157.04 and a variable component calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/Tasse. If you do not submit an ISEE certificate, you will have to pay the full tuition fee for your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

Please note!

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at <https://www.unibo.it/it/didattica/iscrizioni-trasferimenti-e-laurea/tasse-e-contributi/ISEE-e-altre-attestazioni-utili-per-le-esenzioni-delle-tasse-universitarie>.

Please note!

Submitting financial documentation for tuition fee exemptions, following the instructions on www.unibo.it/Tasse, is very simple and worthwhile even if you have not yet decided whether to enrol in a programme at this university. Remember that if you do not submit the

documentation by the deadline, you will not be eligible for any discount. The deadline is peremptory and no exceptions are allowed.

8.2 Right-to-higher-education grants provided by ER.GO

Azienda Regionale per il Diritto agli Studi Superiori – ER.GO publishes calls for scholarships, places in university residences, food service and other benefits on its website (www.er-go.it) every year.

The application for ER.GO grants is independent of the degree programme application and enrolment procedures.

Please note!

You must submit your application for an ER.GO grant via the company's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are allowed.

8.3 Important information for those who already have an active university career

If you already have an active university career, before transferring from another university or changing programme, if you are already enrolled in a programme at the University of Bologna carefully consult the **merit requirements for access to grants** set out in the call published on www.er-go.it because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

Please note!

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment in the university (even

if for another university, university institute or degree programme, even abroad), regardless of the year of the programme you are admitted to following the recognition of your credits, and only those that are recognised by the programme you are enrolled in are considered valid.

8.4 Right-to-higher-education grants provided by the University

Information on the University's grants can be found on the University Portal under www.unibo.it/AgevolazioniEconomiche. For each grant, please carefully read the instructions on how and when to apply. Remember that deadlines are always peremptory and no exceptions are allowed.
