3.2. Admission requirements

3.2.a. Qualifications

If you have any of the following qualifications, **you can apply for the selection and, if successful, enrol in the degree programme even without a secondary school diploma, which you must nonetheless obtain by 31 December 2026**. Failure to do so will invalidate your enrolment.

- ▶ **A diploma awarded by an upper secondary education institute following five years of study** (including high schools specialising in teacher training or art with successful completion of a supplementary year of study).
 - ▶ **A 4-year specialist diploma**, awarded by a secondary school within the National programme for four-year specialist courses in upper secondary education.
 - ▶ **A diploma awarded by an upper secondary education institute following four years of study, which does not offer a supplementary year**. This qualification requires you to complete specific additional learning requirements at the University of Bologna by 31 March 2028. Failure to do so will result in you being enrolled as a repeat student in the following academic year.
- ▶  **Foreign qualification** obtained after at least twelve years of study, recognised as suitable under the Italian law and in accordance with the regulations set out in the MUR Memo for the 2026/2027 academic year, which is published on <https://www.universitaly.it/studenti-stranieri>. The qualification must give access to a degree programme similar to that for which the candidate applies in Italy in the universities of the country of issuance; any additional requirements for the country must be met. More detailed information is available at

<https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/enrolling-in-first-or-single-cycle-degree-programme-foreign-qualification>.

3.2.b. CEnT-S (CISIA English Test-Sciences) + English language certificate

You must take a **CEnT-S** in accordance with the procedures and deadlines set out in the [General Calendar](#) of this Call for applications.

Check Section 4.1.b **carefully** to find out if you can take your CEnT-S at home (“CEnT@HOME”) or you must take your CEnT-S in person (“CEnT@UNI”).

The degree programme is held in English, therefore a valid English language certificate level B2 or higher is required according to the Common European Framework of Reference for Languages (CEFR) as reported in the Attachment of this Call. You must upload on Studenti Online the certificate according to the deadlines indicated in the [General Calendar](#).

3.3. Instructions for candidates who have a previous university career

3.3.a. Admission to years after the first one

You must follow the procedures indicated in this call for applications even if you have a previous university career in this or another university, i.e. if you wish to change your degree programme or transfer from another university.

3.4. Simultaneous enrolment in two degree programmes

You can enrol in two degree programmes at the same time pursuant to Law no. 33 dated 12 April 2022.

If you are already enrolled in a degree programme (at the University of Bologna or another university) and **you do not wish to withdraw from studies, transfer from another university or change your degree programme**, or if you enrol in a degree programme covered by this call for applications and you wish to enrol in another degree programme later on, pay careful attention to the information available at <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/simultaneous-enrolment-in-different-programmes-degree-programmes-professional-masters-phds-and-specialisations>.

If, conversely, you enrol in one degree programme and are subsequently awarded a place in another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- ▶ if both programmes are at the University of Bologna: **change** your degree programme (Section 4.7);
- ▶ if the first programme is at another university: **transfer** from another university (Section 4.8).

Alternatively, you can withdraw from your current degree programme and proceed with a new enrolment (Section 4.6).

 **PLEASE NOTE!** If you are a “non-EU citizen residing abroad”, hold a student residence permit and **formally withdraw from studies** at this or another university, **you will lose your right to reside in Italy and your residence permit will therefore be revoked**. In that case, you must return to your country of origin and initiate the pre-enrolment procedures through University at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website <https://www.universitaly.it/studenti-stranieri>.

4. ADMISSION PROCEDURE: STEPS AND DEADLINES

4.1. CEnT-S and English language certificate

4.1.a. What is the CEnT-S?

The **CEnT-S test (CISIA EnglishTest-Sciences)** is an individual test, different for each participant, which comprises questions that are selected automatically, at random, from the CISIA CEnT-S database by software developed and administered by [CISIA – Consorzio Interuniversitario Sistemi Integrati per l'Accesso](#) (Inter-University Consortium of Integrated Access Systems). For further information on the CEnT-S, visit <https://www.cisiaonline.it/en/cent/all-about-CEnT/all-about-CEnT> and the CISIA website www.cisiaonline.it.

Please note!

- ▶ You may re-take the CEnT-S **once every macro-period** (check on [CISIA website](#)).
- ▶ **Only the result of the last CEnT-S** is considered valid for the purpose of forming the ranking lists.
- ▶ **You can use the same CEnT-S to apply in more than one selection.**
- ▶ When you register for the CEnT-S, you are not automatically applying to be admitted to the selection for the degree programme. To apply, follow the instructions in Section 4.2.
- ▶ You cannot participate in the selections with a different test.
- ▶ In order to be **valid**, the CEnT-S **must be taken as instructed in Section 4.1.b** by the deadline indicated in the [General Calendar](#).
- ▶ The CEnT-S results will be **automatically** retrieved by the University of Bologna (unless the CEnT-S results for your name cannot be received automatically – see Section 4.3).
- ▶ **Candidates with disabilities or specific learning disorders** should read Section 4.1.e and request **adaptations for the CEnT-S test**.
- ▶ **All deadlines are final and no exceptions are allowed.** Failure to meet the deadlines will result in the exclusion from the procedure, regardless of the reason.
- ▶ **Check Studenti Online** (www.studenti.unibo.it) **and your email account** (<https://www.unibo.it/en/university/organisation-and-campuses/university-services/online-services/my-email/my-email>) on a regular basis. This is the only way to keep up to date with your situation (e.g. ranking lists, repechage, enrolment, etc.).

4.1.b. Where to take the CEnT-S

You can take the CEnT-S at any university indicated in the CEnT-S Schedule on the CISIA website: <https://testcisia.it/calendario.php?tolc=cents&l=gb&lingua=inglese>

Only the following tests are accepted:

- CEnT-S tests taken **in person** (“CEnT@UNI”) during 2025 (27 November – 31 December) and 2026 (after 01 January);

-  CEnT-S tests taken **at home** (“CEnT@HOME”) from 27 November 2025 **only for** candidates who are “**Non-EU citizens residing abroad**” and compete in the specific group or *contingente* reserved for them (see Section 2).

NOTICE: CEnT@HOME tests taken from 27 November 2025 to compete in the “**Italian citizens, EU citizens, non-EU citizens with EU-equivalent status**” and “**non-EU citizens residing abroad competing with EU citizens**” group **will not be valid**.

4.1.c. When to take the CEnT-S

For the **first selection**, CEnT-S tests carried out between **27 November 2022** and **31 March 2026** inclusive are valid, according to the methods indicated above.

For the **second selection** tests taken between **27 November 2022** and **30 June 2026** inclusive are valid, as instructed above.

SAT tests taken between **1° January 2025** and **12 September 2026** inclusive are valid for the **extraordinary selection**, if any, as instructed above.

Please note!

You must register for the CEnT-S **by the deadlines indicated by CISIA**. Check the CEnT-S Schedule on the CISIA website to see the deadline for the CEnT-S test you wish to take:
<https://testcisia.it/calendario.php?tolc=cents&l=gb&lingua=inglese>

4.1.d. How to register for the CEnT-S

You must register for the CEnT-S on the CISIA website and pay the fee.

For further information, visit the CISIA website <https://www.cisiaonline.it/en/cent/all-about-CEnT/booking-a-CEnT>.

Please note!

It is crucial that you pay the utmost **attention when entering your personal details for registration on www.cisiaonline.it**: your name, surname, gender, date and place of birth **must match the information you provided on www.studenti.unibo.it** for your CEnT-S to be

received automatically and linked to your application, and for your name to be included in the ranking list.

4.1.e. CEnT-S test adaptations for candidates with disabilities or specific learning disorders

If you have a disability or specific learning disorder (SLD) and want to request adaptations to be made for the CEnT-S test, you must select this option when registering in the CEnT-S area of the CISIA website (www.cisiaonline.it).

You will need to specify **your disability or SLD** and the **adaptations you request**. You will also need to upload the relevant **documents**.

You can choose the **date and location where you wish to take the CEnT-S** at a later stage.

If you choose to take the CEnT-S at the University of Bologna, adaptations may comprise:

- ▶ **extra time:** +30% for candidates with SLD, other specific developmental disorders and pathologies; +50% for candidates with legal disability and/or handicaps pursuant to Law 104/1992;
- ▶ **necessary aids:** assistance for reading the text, non-scientific calculator, other.

Adaptations may only be requested by candidates in possession of the following **documents**:

- ▶ **Diagnosis of Specific Learning Disorders (SLD) pursuant to Law 170/2010**, prepared by the Italian National Health Service, a private centre accredited by your Region, or a private specialist, accompanied by a declaration of conformity issued by the Italian National Health Service. The documentation must not be more than three years old or prepared after the age of 18 is reached.

In view of the previous health emergency which has led to a reduction in the activities of National Health Service outpatient clinics, requests for adaptations for entrance tests will be accepted from candidates with a diagnosis of a Specific Learning Disorder (SLD) pursuant to Law 170/2010, even if issued more than three years ago. The Service reserves the right to ask for an updated diagnosis or at least for written proof that renewal is pending. For further information, see the website <https://site.unibo.it/studenti-con-disabilita-e-dsa/it/per-studenti/certificazioni-richieste>.

- ▶ **Specialist documentation, issued by the Italian National Health Service**, attesting to another specific developmental disorder that affects learning.
- ▶ **Certificate pursuant to Law 104/1992.**
- ▶ **“Invalidità civile” (Legal disability) certificate.**
- ▶ **Specialist medical documentation, drawn up by a specialist**, attesting to the presence of (physical and/or psychological) health conditions that could result in the candidate’s **inability**, including temporarily, to study and take exams.

The documentation must be clear and contain all the information necessary to understand the specific needs of the student.

The documentation will be examined by the Service for Students with Disabilities and SLD to make sure that the request for adaptations is consistent with the documentation submitted.

Candidates are advised **to periodically check their email address on the CISIA portal**, because in the event – and only in the event - of incomplete or illegible documentation, an email may be received from the email address ases.adattamentiammissione@unibo.it, requesting additional information to be submitted by the deadline for registering for the chosen test date. Once it is recognised that a candidate requires adaptations, said recognition will be valid for all registrations to take a CEnT-S test at the University of Bologna.

Candidates with disabilities or SLD residing in foreign countries who intend to request adaptations must submit a legalised certification (or with Apostille where applicable) confirming their disability or SLD issued in their country of residence, accompanied by an official translation into Italian or English.

The certification will be examined by the competent offices to make sure that it certifies a disability or specific learning disorder recognised by the legislation of Italy.

Clarifications about the certifications and possible adaptations may be obtained by contacting the **Service for Students with Disabilities and SLD** via email to ases.adattamentiammissione@unibo.it.

As regards any technical difficulties with the procedure for requesting adaptations, candidates should contact the Cisia Help Desk: <https://helpdesk.cisiaonline.it/>

4.1.f. Submit a valid English language certificate of level at least B2

The language of instruction for the degree programme is English; therefore, you must certify, under penalty of exclusion, your knowledge of English at a minimum level of B2 according to the Common European Framework of Reference for Languages (CEFR).

Certification must be provided by submitting one of the certificates listed in the annex to this Call for Application.

You must upload the English language certificate on [Studenti Online](#) within the due deadlines indicated for each selection in the [General Calendar](#).

4.2. Applying for selections for admission to degree programme

4.2.a. What is an application?

Your application is your request to participate to the selection for the degree programme, within the period stated in Section 4.1.c.

The procedure for admission to this degree programme provides for **two ordinary selections** and possibly an extraordinary selection in which you can apply.

To apply for selection, you will be required to pay a € 20 fee.

Second selection

Who can participate: All groups or *contingenti*:

- “non-EU citizens residing abroad”
- “Italian citizens”, “EU citizens”, “non-EU citizens with EU-equivalent status” and “non-EU citizens residing abroad who must compete with EU citizens”

When to apply: **from 6 April 2026 to 3 July 2026, at 13:00 hours**

Extraordinary selection, if any

Who can participate: “Italian citizens and EU citizens”, “non-EU citizens with EU-equivalent status”, “non-EU citizens residing abroad who must compete with EU citizens”.

When to apply: **from 2 September 2026 to 18 September 2026, at 13:00 hours**

If you are a “non-EU citizen residing abroad competing with EU citizens”, you can participate in all selections, provided that you do so as instructed in the “International” blue box on page 16.

If you are a “non-EU citizen with EU-equivalent status”, check carefully what residence permit types allow you to qualify as such by visiting <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/who-are-international-students/Who-are-international-students>.

If you participate in the selection as a non-EU citizen with EU-equivalent status, but you do not qualify as such, you will not be able to complete your enrolment even if you are admitted and pay the first instalment.

Remember that, if you are a non-EU citizen, hold a student residence permit and formally withdraw from studies at this or another university, **you will lose your right to reside in Italy** and your residence permit and **EU-equivalent status will therefore be revoked**.

4.2.c. How to apply

You can apply exclusively online via the **Studenti Online** application (www.studenti.unibo.it).

Step 1. Register on Studenti Online

Visit www.studenti.unibo.it, choose “Register” and log in using your SPID or CIE: the system will retrieve your personal details automatically.

Only if:

At the end of your registration, the system will generate your University credentials

(username: name.surname@studio.unibo.it and password) **and an email account.** Check your email account regularly and use it to communicate with the University offices.

It is crucial that you pay the utmost attention when entering your personal details (name, surname, date and place of birth) on www.studenti.unibo.it: **they must match the information you provided on www.cisiaonline.it for your CEnT-S to be received automatically by the University** and for your name to be included in the ranking list (see also Section 4.3).

 **Please note!**

If you need help with creating your @studio.unibo.it institutional login details or if you have any difficulties using them, you can write to credenziali.studio@unibo.it or call +39 051 20 80 301.

Step 2. Submit your application

- ▶ Log on to www.studenti.unibo.it and click on “Admission application – Take part in the selection”.
- ▶ Select “First Cycle Degree programme”.

You will not be required to upload your CEnT-S certificate on Studenti Online or send it via email because the University will receive it automatically.

You will only be required to send your certificate to the **Student Administration Office** through the **CONTACT US** Service, if the CEnT-S linked to your name cannot be received automatically (Section 4.3).

Step 3. Pay your fee

Your application will only be valid after paying your fee.

Under certain circumstances, it may be impossible to automatically receive the CEnT-S linked to a given name (for instance, in the event of conflicting data on the CISIA website and on Studenti Online).

For this reason, for each selection, a “List of candidates whose CEnT-S certificate has not been automatically received” is published.

The ranking of each selection is independent from the others. Therefore, your position in the ranking of previous selections is not relevant for the ranking of subsequent selections.

Please note!

If you participate in more than one selection procedure, remember that your temporary student number changes with every selection you apply for. Make sure to look for the right temporary student number in the ranking list.

4.4.a. How the ranking lists are formed

Ranking lists are sorted in descending order, solely based on the result of the weighting of the CEnT-S score according to the criteria set for the degree programme, as stated below.

The fee to be paid to enrol in a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's financial situation (ISEE) up to a maximum that varies according to the degree programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on

<https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/fees-and-exemptions-amounts-deadlines>. If you fail to submit an ISEE certificate, you will have to pay the full tuition fees for your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

Please note!

Submitting your ISEE certificate as instructed on <https://www.unibo.it/en/study/enrolment-fees-and-other-procedures/degree-programmes/tuition-fees-and-exemptions/fees-and->

[exemptions-amounts-deadlines](#) is very simple and worth doing even if you have not yet decided whether to enrol in a degree programme at this University. Remember that you will be entitled to no reductions if you fail to submit your ISEE certificate on time. All deadlines are final, no exceptions allowed.

5.2. Right to higher education benefits provided by ER.GO

Every year, the **Regional Authority for the Right to Higher Education (ER.GO)** publishes calls for scholarships, accommodation in halls of residence, meal vouchers and other benefits on its website (www.er-go.it).

The application for ER.GO grants is independent of the degree programme application and enrolment procedures.

Please note!

You must submit your application for an ER.GO grant via the Authority's website, also submitting your ISEE certificate. Applying is very simple and worth doing even if you have not yet decided whether to enrol in a degree programme at this University. Remember that all deadlines in the calls for applications are final, no exceptions allowed.

5.3. Important information for those who already have an active university career

If you already have an active university career, before transferring from another university or changing degree programme, if you are already enrolled in a degree programme at the University of Bologna, pay careful attention to the **merit requirements for access to grants** set out in the call published on www.er-go.it **because, due to the recognition of university educational credits (CFUs) earned in your previous career, your position may change as regards access to grants.**

Please note!

Therefore, it is very important to know that, for all ER.GO benefits, the minimum number of CFUs required for merit is always determined starting from the year of your first enrolment at university (also at a different university or university-level institution or in another degree programme, even abroad), regardless of the year of the programme to which you are admitted

following the recognition of your CFUs, and only those that are recognised in the programme you are enrolling in are considered valid.

5.4. Right to higher education benefits provided by the University

Information on the University's grants can be found on the University website at <https://www.unibo.it/en/study/study-grants-and-subsidies/scholarships-and-funding-opportunities>.

Carefully read the instructions about the procedures and deadlines for submitting applications for each grant. Remember that all deadlines are final, no exceptions allowed.
