## **Amendment to the Admission Call for Applications to the Bachelor's Degree Programme in Building Construction Engineering Academic Year 2026/27**

**Subject:** Amendment to the Admission Call for Applications to the restricted access Bachelor's Degree Programme in Building Construction Engineering – Academic Year 2026/27.

Please note that, due to organizational requirements and to ensure a more efficient management of the stages following the admission process, the University has decided to bring forward the extraordinary admission session provided for in the Call for Applications. Furthermore, this session will also be open to the applicant category “non-EU citizens residing abroad.”

### **1.3 – Deadlines – Extraordinary selection, if any**

Should places still be available after the completion of the ordinary admission procedures, an extraordinary admission session open to all applicant categories will be activated. The relevant notice will be published on the Degree Programme website.

The extraordinary admission session will follow the schedule below:

#### **Taking the SAT**

Between 1° January 2025 and 10 August 2026

#### **Applying for the selection (Section 4.2)**

from 22 July to 26 August 2026, 1:00 p.m.

#### **Publication of the ranking list (Section 4.4)**

8 September 2026

#### **Enrolment (also in the event of transferring) or changing degree programme (Sections 4.7, 4.8, 4.9):**

From 8 to 15 September 2026 (inclusive)

#### **Expression of interest in participating in repechage (Sections 4.5, 4.6)**

From 8 to 15 September 2026 (inclusive)

#### **Publication of the list of candidates accepted for repechage (Sections 4.5, 4.6)**

22 September 2026
