Each degree programme website has an «**Opportunities**» section, where you can find the link to the experiences available abroad. By clicking on «International Mobility», you will find all the main information divided by call.

Each degree programme website has an «**Opportunities**» section, where you can find the link «Preparing the Learning Agreement», which contains all the useful information for students awarded an Erasmus+ Study grant.

The Value of an International Experience

Why is an experience abroad important?

- ✓ Learn/improve a foreign language
- ✓ Value added to the curriculum (both academic and personal)
- ✓ Habit to travel
- ✓ Adaptability to new and multicultural contexts
- ✓ Learning different study method
- ✓ Improve *problem solving* attitude
- ✓ International Networking
- ✓ Gain independence and a sense of responsibility

Effects of mobility on the skills and employability of students and the internationalisation of higher education institutions

Erasmus students are in better position to find their first job and to enhance their career development

Erasmus+ Programme

Erasmus+ in Europa

Erasmus (European Region Action Scheme for the Mobility of University Students) **was created in 1987**

Between 1987 to today the Erasmus program allowed **millions european** students to study in a foreign country or carry out an internship or the thesis preparation in an European Union country

Almost double funding for the **new 2021-2027 program** compared to the previous one (2014-2020) with the aim of involving another 10 million students

This program allows to perform a mobility from 3 to 12 months.

Alma Mater Studiorum – Università di Bologna – is one of the most **active University in** and therefore DISTAL - promotes both study and internship mobility for its students

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

DISTAL has about **80** agreements in different European countries to choose from!

<https://distal.unibo.it/en/teaching/international-mobility-programme/outgoing-students/erasmus>

Some important points to remember

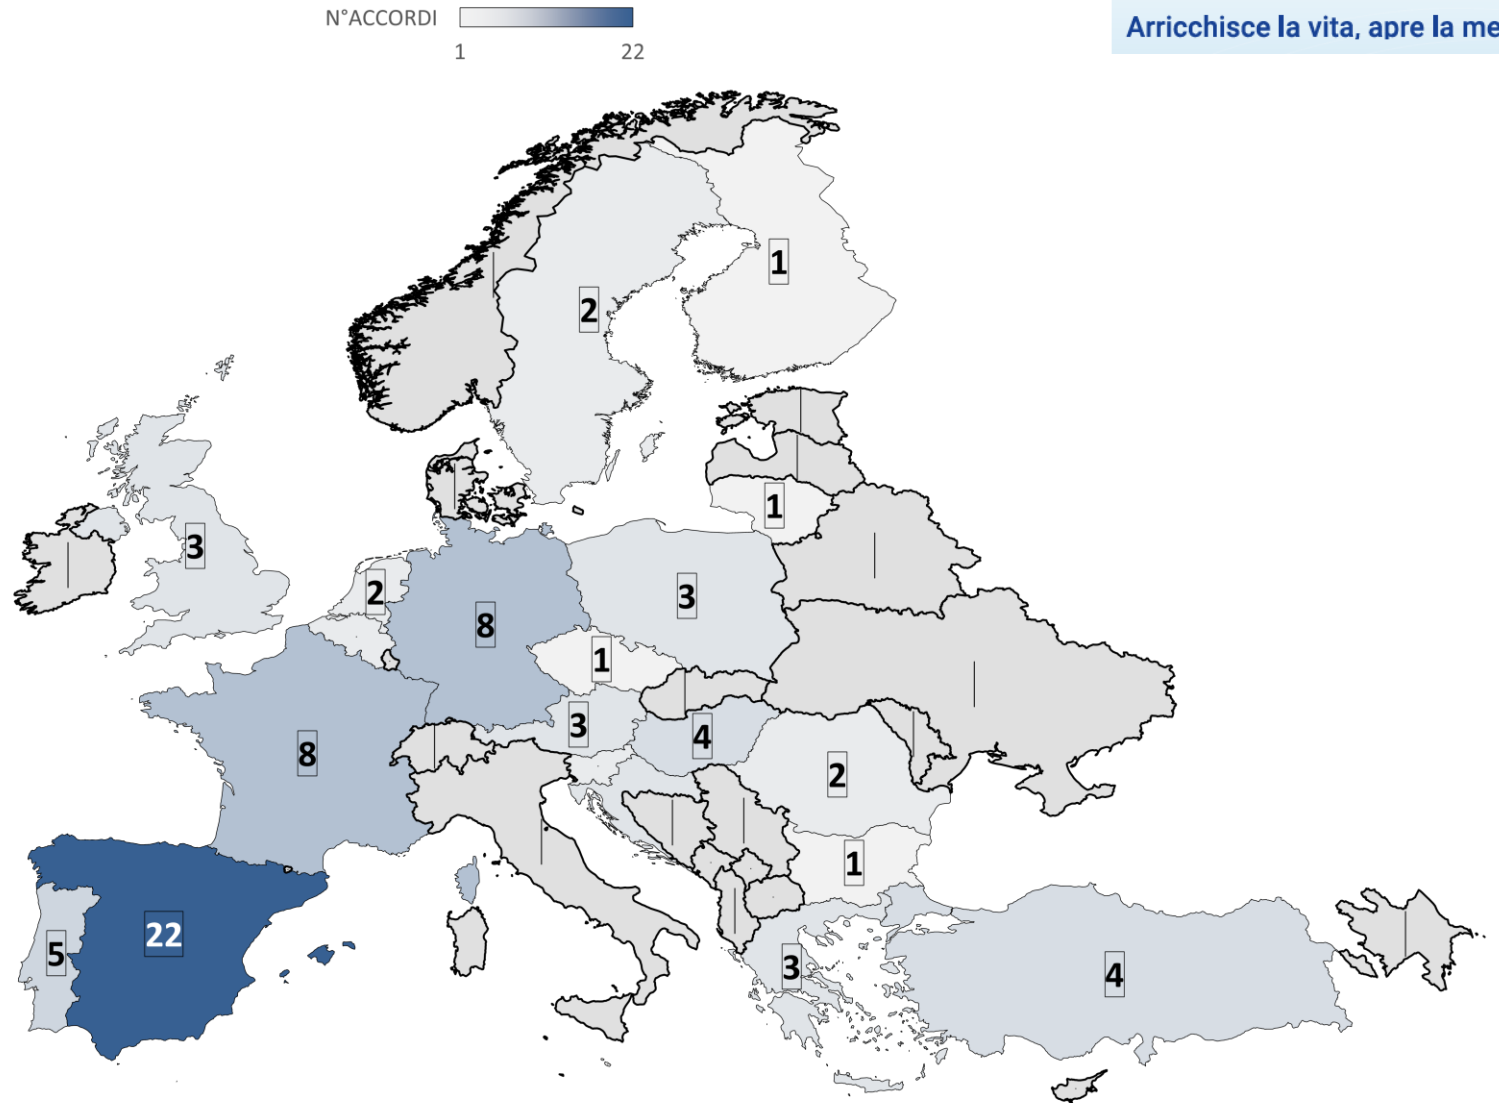

- ✓ The call for application will be published on **January**
- ✓ The call will close on **February**
- ✓ Departure from the **NEXT** academic year; it is important to **plan ahead**
- ✓ Application for **three destinations**
- ✓ All students are required to sit a language test and achieve at least the **A2** level **unless they are enrolled in degree programmes taught entirely in English**. A certified higher language level will result in a better ranking score.

NB: check the specific language requirements of the exchange and the validity of the language certificate

Erasmus+ Study Opportunities

Erasmus+ Study

- The program allows you to carry out mobility period **from 3 to 12 months**
- Student has to be **regularly enrolled** in a study program at UniBO in order to attend courses, sit exams, perform the internship **and/or** prepare the theses at the University Partner and **earn credits** once they return to Bologna
 - **Attention!** Starting from the academic year 2025/26, **Wageningen** University will no longer allow thesis preparation and/or internships within the **Erasmus+ Study** programme
- **Financial contribution:** monthly amount based on the destination country + possible additional support based on ISEE + possible contribution for green travel With the **status of Erasmus+ student**, you don't have to pay **any enrollment fees** at the Partner University
- United Kingdom and Switzerland (there might be exceptions and restrictions) + other non-EU countries (partner countries) are included
- **NB:** about one week after the publication of the call, an information session in **Italian** will be held via Teams with detailed instructions on how to apply; **slides will be available in English** at the end of the meeting

Erasmus+ Study - Language Requirements

Language skills assessment modalities:

- ✓ assessment tests organized by the University Language Centre - CLA
- ✓ being part of one of the categories listed in the document “*Language requirements – assessment modalities*”

The list of student **categories exempted** from taking the language assessment tests has been expanded; please carefully check the attachment available on the webpage: <https://www.unibo.it/en/study/incoming-outgoing-international-mobility/Studying-abroad/General-information-on-Erasmus/erasmus-mobility-for-study-language-requirements>

To facilitate students’ participation at the Erasmus+ call, CLA (University Language Center) has the possibility of organizing an **early session of language assessment tests**. To participate in the tests, online registration is **required** and will be open **from 30 October 2025 at 1 p.m. until 11 November 2025 at 1 p.m. (Italian time)**, subject to availability.

The assessment tests will be **held in person from 18 November 2025 to 21 November 2025**.

In order to **register** for the test:

- ✓ select the kind of test and the language from the section “Mobilità internazionale – AlmaRM on Studenti Online;
- ✓ book the assessment test from the section "Prenotazioni" on Studenti Online

Erasmus+ Mobility for Traineeships: what is it and how to apply

Erasmus+ Mobility for traineeships is the EU-promoted student mobility programme which gives students a chance to broaden their vocational and training curriculum by working abroad in any public sector company or a private commercial enterprise located in European countries that have joined the Erasmus+ Programme. The Erasmus+ Mobility for traineeships Call for applications is published every year by the University of Bologna.

Call for applications to Erasmus+ mobility for traineeships

The call for application for AY 2025/26 is now closed. New admission procedures for AY 2026/27 will be published at this time. However, you may consult the [call for AY 2025/26](#) to get a general idea of the application requirements. Remember that the application requirements and attachments may be modified for the new call.

We recommend consulting last year's calls to get an idea while waiting for the new one:

<https://www.unibo.it/en/study/incoming-outgoing-international-mobility/internship-abroad/erasmus-mobility-for-traineeship/erasmus-mobility-for-traineeships-what-is-it-and-how-to-apply/erasmus-mobility-for-traineeships-what-is-it-and-how-to-apply>

With this Call, you can carry out **only one** of the following activities abroad:

- Curricular Internship
- Internship Abroad For Preparation Of The Final Examination

Erasmus+ Mobility for Traineeship

- The program offers the opportunity to carry out a traineeship mobility (Curricular Internship **OR** Internship Abroad For Preparation Of The Final Examination) in any public or private organization active in the labor market or in the fields of education (es. Universities)
- Duration: minimum **2 month**, maximum **6 month** (consecutive period)
- The Call opens in **March** and the deadline is in **May**
- The mobility will start from **September** of the academic year following the one in which the call was published and must be concluded by September 30 of the subsequent year.
- Students must be **regularly enrolled** at and can carry out the traineeship before or after graduation Recent graduates can participate but you must be an UniBO student by the deadline of the Call and performing the mobility within 12 months after graduation
- **NB:** about one week after the publication of the call, an information session in **Italian** will be held via Teams with detailed instructions on how to apply; **slides will be available in English** at the end of the meeting

Erasmus+ Mobility for Traineeship

- ✓ The student must fulfill a certain **linguistic requirement** specified in the Call that is equal to level **B1**, a higher certified language level will result in a better ranking score. (NB: please check the specific language requirements for each exchange and the validity of the certification)
- ✓ Financial contribution: monthly and based on the country of destination + possible ISEE integration + possible contribution for **green travel**
- ✓ Candidates must **find the host organisation independently** and formulate the traineeship programme with said organisation, agreeing on the content of the internship training project (acceptance by the host institution must be formalized by completing and signing a specific form to be uploaded into AlmaRM at the time of application)
- ✓ **Selection Criteria**: traineeship project content and its relevance to the candidate's study, language proficiency, motivational letter and profit
- ✓ Each candidate may submit **ONLY ONE application**.

Italian Erasmus

- For the a.y. 2025/26, within the framework of the MUR “**Italian Erasmus**” Programme, agreements have been established between DISTAL and:
 - University of Milan
 - University of Padua
- Selected students will be able to carry out a mobility period of **3–6 months** aimed at curricular activities **or** thesis preparation.
- Winners will be selected based on **merit and income criteria** and will receive a monthly scholarship – the amount will be specified in the call for applications.
- The Italian Erasmus Call is open to outgoing UniBO students who will be able to undertake the mobility during the second semester.

		BRASILE
		USA

The Overseas programme promotes **student mobility outside of the European Union**, providing opportunities for study periods of one year or one semester at partner Universities.

Where can you go?

It is possible to spend the study period abroad at universities on different continents:

- **Africa** (Senegal, South Africa)
- **The Americas** (USA e Canada, Argentina, Brazil, Chile, Colombia, Costa Rica, Mexico, Peru, Uruguay)
- **Asia** (China, Korea, Japan, India, Indonesia, Singapore, Taiwan, Vietnam)
- **Oceania** (Australia and New Zealand)
- Armenia and Georgia

Overseas

The Overseas call will be out in **October** (departure from September next AY)

- Call deadline: **November**
- Ranking: **January**

NB: The call is managed by the Non-EU Mobility UE (Settore Accordi e Mobilità Extra UE) - AFORM. For information, please contact: aform.extraeumobility@unibo.it

Who can participate?

Who is regularly enrolled at the University of Bologna **at least for the second year of a first-level degree course or the first year of the master's degree** and at the same time has adequate linguistic skills and specific requirements required by the universities partner.

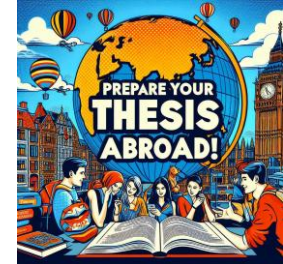

Are there any language requirements?

Yes, it is necessary to possess the language requirements and certifications required by the partner university. For details relating to each university, it is recommended to consult the call for applications and the sheets relating to the individual sites.

How long is an Overseas exchange?

You can perform the mobility for **a semester or an academic year**, the exact duration of the exchange period depends on the academic calendar of the partner institutions: the minimum period to receive the contribution for just a semester is 3 months while minimum period to receive the contribution for the whole academic year is 8 months.

distal.internazionalizzazione@unibo.it

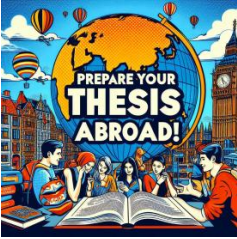

With this Call, you can
carry out **only** the
following activity abroad:
• **81355** - *Preparation For
The Final Examination
Abroad*

Do not confuse it: this is
NOT an internship

We recommend consulting last
year's calls to get an idea while
waiting for the new one:

<https://bandi.unibo.it/agevolazioni/opportunita>

Thesis Abroad Call

The call for scholarships for thesis abroad is aimed at stimulating the **preparation of degree theses** at universities and other foreign institutions.

The scholarships are intended as **partial financial support** for expenses related to the winner's stay.

You can find the experiences of the winners on the Department's website:

<https://distal.unibo.it/en/teaching/international-mobility-programme/outgoing-students/thesis-abroad/participants-experiences>

Duration: **from 2 to 6 months**

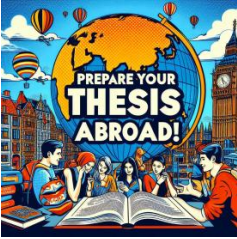

- The Call is published **2 times** a year (only for DISTAL **Bologna and Imola** students and usually in February/March e June/July)

It is important to remember that the scholarships for theses abroad are **incompatible** with contributions made in other study programs concerning the **same period** of stay and for the **same purpose!**

No double funding is allowed!

Thesis Abroad Call

The “Thesis Abroad” Call is **NOT** part of the Erasmus+ Programme; applications must be submitted via **Studenti Online**.

Eligible students:

- **2nd** and **3rd** year students of **Frist cycle/Bachelor's degree programmes**
- **1st** and **2nd** year students of **Second cycle/Master's degree programmes**
- Students who are **one year** past the regular duration of any Degree programme (“**fuori corso**”)

Attention!! The call requires several attachments to be uploaded in PDF format. Please make sure to complete and upload them correctly, following the instructions provided in the call text.

Important reminder:

- **Mobility period:** The mobility dates indicated must be **accurate** when applying. If you are selected and need to modify the declared dates, you must promptly inform the relevant offices of any changes, and **BEFORE** the declared start date
- The **Thesis Project** can make a difference! It is one of the key elements evaluated by the committee for the final ranking.

TNE

Discover TNE student mobility: an opportunity for preparing your thesis in extra-EU countries

The University of Bologna promotes new extra-EU mobility opportunities for students enrolled in the Master's, PhD and last two years of Single-Cycle Degree courses. Within the framework of projects financed by the National Recovery and Resilience Plan (PNRR) - Transnational Education (TNE), these students can carry out a research period or an internship aimed at writing their thesis at partner universities in Africa, the Middle East and Argentina.

What is it, and what use is it to you?

The TNE student mobility programme offers an international experience, research, strengthening academic and professional skills in intercultural

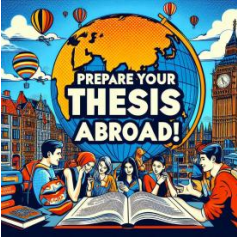

- ✓ We recommend consulting the call:
 - ✓ <https://www.unibo.it/en/study/incoming-outgoing-international-mobility/Studying-abroad/tne-1>
 - ✓ <https://www.unibo.it/en/study/incoming-outgoing-international-mobility/Studying-abroad/tne-1>

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

TNE Call – Transnational Education

The international mobility Call TNE – Transnational Education for extra-UE mobility, offers the opportunity to carry out the preparation of your thesis or research activity.

The call is open to **Master's degree students** (Second cycle degree students) **only**, and offers mobility opportunities with partner institutions in:

- **East Africa** (project *Afya Moja* and project *Wagon2Africa*)
- **Middle East e North Africa** (project *MARE*)
- **Argentina** (project *Moving Italianness*)

The programme provides mobility grants for periods of **at least two months**, including also the coverage of return travel expenses.

The mobility period must be completed no later than **1 March 2026 (non-negotiable deadline)**.

Applications must be submitted via Studenti Online attaching the following documents: thesis/research project, declaration by your supervisor, letter the host university. All attachments will be **evaluated** and contribute to the final ranking.

The calls offer **3 application windows** (NB: please check the website for exact dates):

- June – July
- September – October
- November

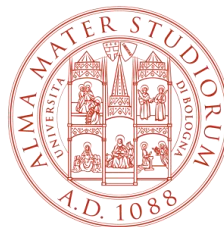

For further information, please contact: TNE Mobility tne.mobility@unibo.it

Final Reminders...

- ❖ Plan the application to the Call and your mobility period in **advance**
- ❖ Knowledge of a foreign **language**
- ❖ There is **always** a **scholarship**
- ❖ You can extend your mobility period **only** for Erasmus+ Study and Mobility for Traineeship Calls
- ❖ Even if you have already applied for one of these calls, you can participate in others; you can be selected for multiple calls provided that the mobility periods are **consecutive** and have **different purposes**: **no double funding allowed**
- ❖ If you are a winner of one of those Calls but you withdraw later on, you can apply for the next Call the following year
- ❖ Activities carried out abroad are always **recognized** by UniBO (make sure to correctly submit all documentation on AlmaRM within the deadlines)
- ❖ If you earn CFU abroad (exams, SSD, internship, thesis), the graduation committee **awards a bonus on your final grade**
- ❖ You do not have to pay any enrollment fees at the host University (exceptions: Overseas)
- ❖ **Green Travel**: contribution in case of ecological travel, granted **only** for Erasmus+ Study and Traineeship Calls – sometimes also for Erasmus BIP Calls
